Unless the context requires otherwise, the words “we,” “us,” “our,” the “Company,” “Super League,” and “Super League Gaming” refer to Super League Gaming, Inc., a Delaware corporation, and its wholly owned subsidiaries, Mobcrush Streaming, Inc., a Delaware corporation, and Bannerfy Ltd., a company organized under the laws of England and Wales.

Overview

Super League Gaming, Inc. (Nasdaq: SLGG) (“Super League,” the “Company,” “we,” “us” or “our”) is a leading publisher of games, monetization tools and content channels across metaverse gaming platforms that empower developers, energize players, and entertain fans. The Company’s solutions provide incomparable access to an audience consisting of players in the largest global metaverse game environments, fans of hundreds of thousands of gaming influencers, and viewers of gameplay content across major social media and digital video platforms. Fueled by proprietary and patented technology systems, the Company’s platform includes access to vibrant in-game communities, a leading metaverse advertising platform, a network of highly viewed channels and original shows on Instagram, TikTok, Snap, YouTube, and Twitch, cloud-based livestream production tools, and an award-winning esports invitational tournament series. Super League’s properties deliver powerful opportunities for brands and advertisers to achieve impactful insights and marketing outcomes with gamers of all ages.

Our Strategy

We believe that virtual world platforms are where the next generation lives and are a launchpad of unlimited new interactive worlds and content. In a world of blended physical-to-digital lives and smarter, more immersive screens, consumer expectations are increasing for more customized and personalized digital experiences, changing the way consumers will socialize, play, create, collaborate, shop, learn and work.

While our roots are in open gaming platforms where interactive worlds were first spawned, we believe our success is in the creation, growth, and monetization of digital experiences across the wider immersive web landscape. Super League’s vision is to build the most comprehensive immersive web publishing engine and driver of the next generation of digital platform businesses and experiences.

Built on a powerful foundation of unmatched capabilities, solutions and software platforms that have driven consistent success for innovative brand experiences, creator growth and monetization, and significant consumer engagement, our scalable, vertically-integrated engine offers:

- Successful owned and third-party publishing worlds, experiences and destinations;
- Innovative marketing solutions for brands and developers; and
- Valued tools and services for creators and developers.

Our Business

As an early mover creating engaging experiences inside of metaverse, or “open world,” game platforms since 2015, Super League has converted our deep understanding of young gamers into significant audience reach in virtual world gaming platforms. We believe we have successfully iterated our business model through these market insights, and our organic and inorganic growth to establish scale and ultimately drive our monetization strategies. Our strong and growing product-market fit currently reaches over 100 million monthly unique players in Roblox, Minecraft and Fortnite and generates over one billion monthly impressions. Our software supports the creation and operation of our owned and third-party metaverse gaming worlds and experiences, along with creator tools and analytics underpinned by a creator economy. These tools enable Super League to access these extended audiences with our innovative in-game and in-stream ad products, and allow our game designers and content creators to participate in our advertising economy. Our analytics suite provides Super League, brands and advertisers, and game developers data that informs campaign measurement and insights, along with enhanced game design. Beyond our primary advertising revenue stream, we have the opportunity to extend further downstream in the metaverse gaming worlds we operate and generate direct to consumer revenues. In addition, our platform, and our capability to produce compelling gaming-centric video and livestream broadcasts drives viewership to our own and our brand partner’s digital channels and generates content production and syndication revenues from third party partners.

Specifically, Super League’s digital experience and media products provide a wide range of solutions for brands and advertisers. From branded in-game experiences, through to custom content and media, Super League can provide end-to-end solutions for brands to acquire customers, deepen brand affinity and deliver campaign performance with innovative advertising inventory. As Super League has scaled in both metaverse player and viewing audience reach, we have experienced growth in both the average revenue size of advertiser programs, along with a strong percentage of repeat buyers, while upholding our premium cost per impressions (“CPM”) advertising rates and margins, further validating a new premium social marketing channel for advertisers to reach elusive Generation Z and Alpha gamers. Additionally, our capability and proprietary technology is now being applied to new virtual world platforms beyond our core offering and is proving to be an enterprise solution for our owned and branded digital experiences that are less temporal and campaign-centric, generating revenue opportunities that are more diversified, annual in nature and less impacted by traditional advertising seasonality.

Risk Factors

Our business is subject to substantial risk. Please carefully review the section entitled “*Risk Factors*” beginning on page 5 of this prospectus for a discussion of the factors you should carefully consider before deciding to purchase the securities offered by this prospectus.

Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also impair our business operations. You should be able to bear a complete loss of your investment.

Impact of COVID-19 Pandemic

The novel coronavirus and actions taken to mitigate the spread of it have had and may continue to have an adverse impact on the economies and financial markets of many countries, including the geographical areas in which the Company operates. It is unknown how long the adverse conditions associated with the coronavirus will last and what the complete financial effect will be to the Company. Although we were impacted by the general deferral in advertising spending by brands and sponsors resulting from the COVID-19 pandemic for a significant portion of the year ended December 31, 2020 (“*Fiscal Year 2020*”), we reported significant quarter over quarter growth in revenue in the second half of Fiscal Year 2020, the year ended December 31, 2021, and the year ended December 31, 2022, and we expect to continue to expand our advertising revenue and revenue from the sale of our proprietary and third-party user generated content in future periods, as we continue to expand our advertising inventory, viewership and related sales activities. Notwithstanding the growth in revenues and in user engagement metrics discussed herein, the broader impact of the ongoing COVID-19 pandemic on our results of operations and overall financial performance remains uncertain. The pandemic may continue to impact our revenue and revenue growth in future periods and is likely to continue to adversely impact certain aspects of our business and our partners, including advertising demand, retail expansion plans and our in-person esports experiences.

PLAN OF DISTRIBUTION

We are registering the Securities held by the Selling Stockholders identified herein to permit the resale of these shares by the holders thereof from time to time after the date of this prospectus. We will not receive any of the proceeds from the sale of the Securities, if any. We will bear all fees and expenses incident to our obligation to register the shares of our Common Stock.

The Common Stock may be sold or distributed from time to time by the Selling Stockholders directly to one or more purchasers or through brokers, dealers, or underwriters who may act solely as agents at fixed prices, market prices prevailing at the time of sale, prices related to prevailing market prices, or privately negotiated prices. The resale of the Securities offered by this prospectus may be effected in one or more of the following methods:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- in transactions through broker-dealers that agree with the selling stockholders to sell a specified number of such securities at a stipulated price per security;
- a combination of any such methods of sale; or
- any other method permitted pursuant to applicable law.

The Selling Stockholders may also sell securities under Rule 144 or any other exemption or exclusion from registration under the Securities Act of 1933, as amended (the “*Securities Act*”), if available, rather than under this prospectus.

Broker-dealers engaged by the Selling Stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Stockholders (or, if any broker-dealer acts as agent for the purchaser of securities, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA Rule 2440, and in the case of a principal transaction a markup or markdown in compliance with FINRA IM-2440.

The Selling Stockholders and any broker-dealers or agents that are involved in selling the securities may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the securities purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Each Selling Stockholder has informed us that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the securities.

We will pay certain fees and expenses we incur incident to the registration of the securities offered by this prospectus, including legal and accounting fees.

Under applicable rules and regulations under the Exchange Act any person engaged in the distribution of the resale securities may not simultaneously engage in market making activities with respect to the Common Stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the selling stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of the Common Stock by the selling stockholders or any other person. We will make copies of this prospectus available to the selling stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

DESCRIPTION OF OUR CAPITAL STOCK

General

Our Amended and Restated Certificate of Incorporation (our “*Charter*”) authorizes the issuance of up to 100,000,000 shares of Common Stock, par value \$0.001 per share, and 10,000,000 shares of preferred stock, par value \$0.001 per share (“*Preferred Stock*”).

Summary of Securities

The following description summarizes certain terms of our capital stock. Because this description is only a summary, it does not contain all the information that may be important to you. For a complete description of the matters set forth in this section you should refer to our Charter and Amended and Restated Bylaws (our “*Bylaws*”), which are included as exhibits to this prospectus, and to the applicable provisions of Delaware law.

Common Stock

Our Charter currently authorizes the issuance of up to 100,000,000 shares of Common Stock. As of April 11, 2023, there were 37,605,973 shares of our Common Stock issued and outstanding, which were held by approximately 164 stockholders of record. Each holder of Common Stock is entitled to one vote for each share of Common Stock held on all matters submitted to a vote of the stockholders, including the election of directors. Neither our Charter nor our Bylaws provide for cumulative voting rights.

Holders of our Common Stock have no preemptive, conversion or subscription rights, and there are no redemption or sinking fund provisions applicable to the Common Stock. The rights, preferences and privileges of the holders of Common Stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of our Preferred Stock that we may designate and issue in the future.

Preferred Stock

Currently, there are five series of our preferred stock outstanding; Series A Convertible Preferred Stock, Series A-2 Convertible Preferred Stock, Series A-3 Convertible Preferred Stock, Series A-4 Convertible Preferred Stock, and Series A-5 Convertible Preferred Stock. The rights and preferences associated with each series are summarized below.

Series A Preferred

On November 22, 2022, the Company filed a Certificate of Designation of Preferences, Rights and Limitations of the Series A Preferred Stock (the “*Series A Certificate of Designation*”) with the State of Delaware. As of April 11, 2023, there were 5,359 shares of Series A Preferred outstanding.

Conversion and Rank

Each share of Series A Preferred is convertible at the option of the holder, subject to certain beneficial ownership limitations and primary market limitations as set forth in the Series A Certificate of Designation, into such number of shares of the Company’s Common Stock equal to the number of Series A Preferred to be converted, multiplied by the stated value of \$1,000 (the “*Stated Value*”), divided by the conversion price in effect at the time of the conversion (the initial conversion price is \$0.62, subject to adjustment in the event of stock splits, stock dividends, and similar transactions). In addition, subject to beneficial ownership and primary market limitations: (1) the Series A Preferred will automatically convert into shares of Common Stock at the Conversion Price upon the earlier of (a) the 24-month anniversary of the filing date of the Series A-2 Preferred Certificate of Designation with the Delaware Secretary of State (the “*Series A Effective Date*”) or (b) the consent to conversion by holders of at least 51% of the outstanding shares of Series A Preferred; and (2) on the one year anniversary of the Series A Effective Date, the Company may, in its discretion, convert (y) 50% of the outstanding shares of Series A Preferred if the volume-weighted average price of the Company’s Common Stock over the previous 10 days as reported on the NASDAQ Capital Market (the “*VWAP*”), equals at least 250% of the Conversion Price, or (z) 100% of the outstanding shares of Series A Preferred if and only if the VWAP equals at least 300% of the Conversion Price.

Conversion Restriction

At no time may a holder of shares of Series A Preferred convert shares of the Series A Preferred if the number of shares of Common Stock to be issued pursuant to such conversion would result in such holder beneficially owning (as determined in accordance with Section 13(d) of the Securities and Exchange Act of 1934, as amended (the *Exchange Act*) and the rules thereunder) more than 4.99% of all of the Common Stock outstanding at such time (or, at the written election of any holder of Series A Preferred delivered to the Company pursuant to the terms of the Series A Certificate of Designations prior to the issuance of any shares of Series A-5 Preferred Stock, 9.99%)

Dividend Rights

Holders of the Series A Preferred will be entitled to receive dividends, subject to the beneficial ownership and primary market limitations, payable in the form of that number of shares of Common Stock equal to 20% of the shares of Common Stock underlying the Series A Preferred then held by such holder on the 12 and 24 month anniversaries of the Series A Effective Date. In addition, subject to the beneficial ownership and primary market limitations, holders of Series A Preferred will be entitled to receive dividends equal, on an as-if-converted to shares of Common Stock basis, and in the same form as dividends actually paid on shares of the Common Stock when, as, and if such dividends are paid on shares of the Common Stock. Notwithstanding the foregoing, to the extent that a holder's right to participate in any dividend in shares of Common Stock to which such holder is entitled would result in such holder exceeding the beneficial ownership and primary market limitations, then such holder shall not be entitled to participate in any such dividend to such extent and the portion of such shares that would cause such holder to exceed the beneficial ownership and primary market limitations shall be held in abeyance for the benefit of such holder until such time, if ever, as such holder's beneficial ownership thereof would not result in such holder exceeding the beneficial ownership and primary market limitations.

Voting Rights

The Series A Preferred shall vote together with the Common Stock on an as-converted basis, and not as a separate class, subject to the primary market limitations, except that holders of Series A Preferred shall vote as a separate class with respect to (a) amending, altering, or repealing any provision of the Series A Certificate of Designation in a manner that adversely affects the powers, preferences or rights of the Series A Preferred, (b) increasing the number of authorized shares of Series A Preferred, (c) authorizing or issuing an additional class or series of capital stock that ranks senior to or pari passu with the Series A Preferred with respect to the distribution of assets on liquidation, (d) authorizing, creating, incurring, assuming, guaranteeing or suffering to exist any indebtedness for borrowed money of any kind in excess of \$5 million, or (e) entering into any agreement with respect to the foregoing. In addition, no holder of Series A Preferred shall be entitled to vote on any matter presented to the Company's stockholders relating to approving the conversion of such holder's Series A Preferred into an amount in excess of the primary market limitations.

Liquidation Rights

Upon any dissolution, liquidation or winding up, whether voluntary or involuntary, holders of Series A Preferred together with holders of Series A-2 Preferred, Series A-3 Preferred, Series A-4 Preferred and Series A-5 Preferred, will be entitled to first receive distributions out of the Company's assets in an amount per share equal to the Stated Value plus all accrued and unpaid dividends, whether capital or surplus before any distributions shall be made on any shares of Common Stock (after the payment to any senior security, if any).

Series A-2 Preferred

On November 28, 2022, the Company filed a Certificate of Designation of Preferences, Rights and Limitations of the Series A-2 Preferred Stock (the "*Series A-2 Certificate of Designation*") with the State of Delaware. As of April 11, 2023, there were 1,297 shares of Series A-2 Preferred outstanding.

Conversion and Rank

Each share of Series A-2 Preferred is convertible at the option of the holder, subject to certain beneficial ownership limitations and primary market limitations as set forth in the Series A-2 Certificate of Designation, into such number of shares of the Company's Common Stock equal to the number of Series A-2 Preferred to be converted, multiplied by the stated value of \$1,000 (the "*Stated Value*"), divided by the conversion price in effect at the time of the conversion (the initial conversion price is \$0.6646, subject to adjustment in the event of stock splits, stock dividends, and similar transactions). In addition, subject to beneficial ownership and primary market limitations: (1) the Series A-2 Preferred will automatically convert into shares of Common Stock at the Conversion Price upon the earlier of (a) the 24-month anniversary of the filing date of the Series A-2 Preferred Certificate of Designation with the Delaware Secretary of State (the "*Series A-2 Effective Date*") or (b) the consent to conversion by holders of at least 51% of the outstanding shares of Series A-2 Preferred; and (2) on the one year anniversary of the Series A-2 Effective Date, the Company may, in its discretion, convert (y) 50% of the outstanding shares of Series A-2 Preferred if the volume-weighted average price of the Company's Common Stock over the previous 10 days as reported on the NASDAQ Capital Market (the "*VWAP*"), equals at least 250% of the Conversion Price, or (z) 100% of the outstanding shares of Series A-2 Preferred if and only if the VWAP equals at least 300% of the Conversion Price.

Conversion Restriction

At no time may a holder of shares of Series A-2 Preferred convert shares of the Series A-2 Preferred if the number of shares of Common Stock to be issued pursuant to such conversion would result in such holder beneficially owning (as determined in accordance with Section 13(d) of the Securities and Exchange Act of 1934, as amended (the *Exchange Act*) and the rules thereunder) more than 4.99% of all of the Common Stock outstanding at such time (or, at the written election of any holder of Series A-2 Preferred delivered to the Company pursuant to the terms of the Series A-2 Certificate of Designations prior to the issuance of any shares of Series A-2 Preferred Stock, 9.99%)

Dividend Rights

Holders of the Series A-2 Preferred will be entitled to receive dividends, subject to the beneficial ownership and primary market limitations, payable in the form of that number of shares of Common Stock equal to 20% of the shares of Common Stock underlying the Series A-2 Preferred then held by such holder on the 12- and 24-month anniversaries of the Series A-2 Effective Date. In addition, subject to the beneficial ownership and primary market limitations, holders of Series A-2 Preferred will be entitled to receive dividends equal, on an as-if-converted to shares of Common Stock basis, and in the same form as dividends actually paid on shares of the Common Stock when, as, and if such dividends are paid on shares of the Common Stock. Notwithstanding the foregoing, to the extent that a holder's right to participate in any dividend in shares of Common Stock to which such holder is entitled would result in such holder exceeding the beneficial ownership and primary market limitations, then such holder shall not be entitled to participate in any such dividend to such extent and the portion of such shares that would cause such holder to exceed the beneficial ownership and primary market limitations shall be held in abeyance for the benefit of such holder until such time, if ever, as such holder's beneficial ownership thereof would not result in such holder exceeding the beneficial ownership and primary market limitations.

Voting Rights

The Series A-2 Preferred shall vote together with the Common Stock on an as-converted basis, and not as a separate class, subject to the primary market limitations, except that holders of Series A-2 Preferred shall vote as a separate class with respect to (a) amending, altering, or repealing any provision of the Series A-2 Certificate of Designation in a manner that adversely affects the powers, preferences or rights of the Series A-2 Preferred, (b) increasing the number of authorized shares of Series A-2 Preferred, (c) authorizing or issuing an additional class or series of capital stock that ranks senior to or pari passu with the Series A-2 Preferred with respect to the distribution of assets on liquidation, (d) authorizing, creating, incurring, assuming, guaranteeing or suffering to exist any indebtedness for borrowed money of any kind in excess of \$5 million, or (e) entering into any agreement with respect to the foregoing. As of April 11, 2023, there were 1,934 shares of Series A-4 Preferred outstanding.

Conversion and Rank

Each share of Series A-4 Preferred is convertible at the option of the holder, subject to certain beneficial ownership limitations and primary market limitations as set forth in the Series A-4 Certificate of Designation, into such number of shares of the Company's Common Stock equal to the number of Series A-4 Preferred to be converted, multiplied by the stated value of \$1,000 (the "*Stated Value*"), divided by the conversion price in effect at the time of the conversion (the initial conversion price is \$0.3801, subject to adjustment in the event of stock splits, stock dividends, and similar transactions). In addition, subject to beneficial ownership and primary market limitations: (1) the Series A-4 Preferred will automatically convert into shares of Common Stock at the Conversion Price upon the earlier of (a) the 24-month anniversary of the filing date of the Series A-2 Preferred Certificate of Designation with the Delaware Secretary of State (the "*Series A-4 Effective Date*") or (b) the consent to conversion by holders of at least 51% of the outstanding shares of Series A-4 Preferred; and (2) on the one year anniversary of the Series A-4 Effective Date, the Company may, in its discretion, convert (y) 50% of the outstanding shares of Series A-4 Preferred if the volume-weighted average price of the Company's Common Stock over the previous 10 days as reported on the NASDAQ Capital Market (the "*VWAP*"), equals at least 250% of the Conversion Price, or (z) 100% of the outstanding shares of Series A-4 Preferred if and only if the VWAP equals at least 300% of the Conversion Price.

Conversion Restriction

At no time may a holder of shares of Series A-4 Preferred convert shares of the Series A-4 Preferred if the number of shares of Common Stock to be issued pursuant to such conversion would result in such holder beneficially owning (as determined in accordance with Section 13(d) of the Securities and Exchange Act of 1934, as amended (the *Exchange Act*) and the rules thereunder) more than 4.99% of all of the Common Stock outstanding at such time (or, at the written election of any holder of Series A-4 Preferred delivered to the Company pursuant to the terms of the Series A-4 Certificate of Designations prior to the issuance of any shares of Series A-4 Preferred Stock, 9.99%)

Dividend Rights

Holders of the Series A-4 Preferred will be entitled to receive dividends, subject to the beneficial ownership and primary market limitations, payable in the form of that number of shares of Common Stock equal to 20% of the shares of Common Stock underlying the Series A-4 Preferred then held by such holder on the 12- and 24-month anniversaries of the Series A-4 Effective Date. In addition, subject to the beneficial ownership and primary market limitations, holders of Series A-4 Preferred will be entitled to receive dividends equal, on an as-if-converted to shares of Common Stock basis, and in the same form as dividends actually paid on shares of the Common Stock when, as, and if such dividends are paid on shares of the Common Stock. Notwithstanding the foregoing, to the extent that a holder's right to participate in any dividend in shares of Common Stock to which such holder is entitled would result in such holder exceeding the beneficial ownership and primary market limitations, then such holder shall not be entitled to participate in any such dividend to such extent and the portion of such shares that would cause such holder to exceed the beneficial ownership and primary market limitations shall be held in abeyance for the benefit of such holder until such time, if ever, as such holder's beneficial ownership thereof would not result in such holder exceeding the beneficial ownership and primary market limitations.

Voting Rights

The Series A-4 Preferred shall vote together with the Common Stock on an as-converted basis, and not as a separate class, subject to the primary market limitations, except that holders of Series A-4 Preferred shall vote as a separate class with respect to (a) amending, altering, or repealing any provision of the Series A-4 Certificate of Designation in a manner that adversely affects the powers, preferences or rights of the Series A-4 Preferred, (b) increasing the number of authorized shares of Series A-4 Preferred, (c) authorizing or issuing an additional class or series of capital stock that ranks senior to or pari passu with the Series A-4 Preferred with respect to the distribution of assets on liquidation, (d) authorizing, creating, incurring, assuming, guaranteeing or suffering to exist any indebtedness for borrowed money of any kind in excess of \$5 million, or (e) entering into any agreement with respect to the foregoing. In addition, no holder of Series A-4 Preferred shall be entitled to vote on any matter presented to the Company's stockholders relating to approving the conversion of such holder's Series A-4 Preferred into an amount in excess of the primary market limitations.

Liquidation Rights

Upon any dissolution, liquidation or winding up, whether voluntary or involuntary, holders of Series A-4 Preferred together with holders of Series A Preferred, Series A-2 Preferred, Series A-3 Preferred and Series A-5 Preferred, will be entitled to first receive distributions out of the Company's assets in an amount per share equal to the Stated Value plus all accrued and unpaid dividends, whether capital or surplus before any distributions shall be made on any shares of Common Stock (after the payment to any senior security, if any).

Series A-5 Preferred

On January 31, 2023, the Company filed a Certificate of Designation of Preferences, Rights and Limitations of the Series A-5 Preferred Stock (the "*Series A-5 Certificate of Designation*") with the State of Delaware. As of April 11, 2023, there were 2,299 shares of Series A-5 Preferred outstanding.

Conversion and Rank

Each share of Series A-5 Preferred is convertible at the option of the holder, subject to certain beneficial ownership limitations and primary market limitations as set forth in the Series A-5 Certificate of Designation, into such number of shares of the Company's Common Stock equal to the number of Series A-5 Preferred to be converted, multiplied by the stated value of \$1,000 (the "*Stated Value*"), divided by the conversion price in effect at the time of the conversion (the initial conversion price is \$0.5546, subject to adjustment in the event of stock splits, stock dividends, and similar transactions). In addition, subject to beneficial ownership and primary market limitations: (1) the Series A-5 Preferred will automatically convert into shares of Common Stock at the Conversion Price upon the earlier of (a) the 24-month anniversary of the filing date of the Series A-2 Preferred Certificate of Designation with the Delaware Secretary of State (the "*Series A-5 Effective Date*") or (b) the consent to conversion by holders of at least 51% of the outstanding shares of Series A-5 Preferred; and (2) on the one year anniversary of the Series A-5 Effective Date, the Company may, in its discretion, convert (y) 50% of the outstanding shares of Series A-5 Preferred if the volume-weighted average price of the Company's Common Stock over the previous 10 days as reported on the NASDAQ Capital Market (the "*VWAP*"), equals at least 250% of the Conversion Price, or (z) 100% of the outstanding shares of Series A-5 Preferred if and only if the VWAP equals at least 300% of the Conversion Price.

Conversion Restriction

At no time may a holder of shares of Series A-5 Preferred convert shares of the Series A-5 Preferred if the number of shares of Common Stock to be issued pursuant to such conversion would result in such holder beneficially owning (as determined in accordance with Section 13(d) of the Securities and Exchange Act of 1934, as amended (the *Exchange Act*) and the rules thereunder) more than 4.99% of all of the Common Stock outstanding at such time (or, at the written election of any holder of Series A-5 Preferred delivered to the Company pursuant to the terms of the Series A-5 Certificate of Designations prior to the issuance of any shares of Series A-5 Preferred Stock, 9.99%)

Dividend Rights

Holders of the Series A-5 Preferred will be entitled to receive dividends, subject to the beneficial ownership and primary market limitations, payable in the form of that number of shares of Common Stock equal to 20% of the shares of Common Stock underlying the Series A-5 Preferred then held by such holder on the 12- and 24-month anniversaries of the Series A-5 Effective Date. In addition, subject to the beneficial ownership and primary market limitations, holders of Series A-5 Preferred will be entitled to receive dividends equal, on an as-if-converted to shares of Common Stock basis, and in the same form as dividends actually paid on shares of the Common Stock when, as, and if such dividends are paid on shares of the Common Stock. Notwithstanding the foregoing, to the extent that a holder's right to participate in any dividend in shares of Common Stock to which such holder is entitled would result in such holder exceeding the beneficial ownership and primary market limitations, then such holder shall not be entitled to participate in any such dividend to such extent and the portion of such shares that would cause such holder to exceed the beneficial ownership and primary market limitations shall be held in abeyance for the benefit of such holder until such time, if ever, as such holder's beneficial ownership thereof would not result in such holder exceeding the beneficial ownership and primary market limitations.

Voting Rights

The Series A-5 Preferred shall vote together with the Common Stock on an as-converted basis, and not as a separate class, subject to the primary market limitations, except that holders of Series A-5 Preferred shall vote as a separate class with respect to (a) amending, altering, or repealing any provision of the Series A-5 Certificate of Designation in a manner that adversely affects the powers, preferences or rights of the Series A-5 Preferred, (b) increasing the number of authorized shares of Series A-5 Preferred, (c) authorizing or issuing an additional class or series of capital stock that ranks senior to or pari passu with the Series A-5 Preferred with respect to the distribution of assets on liquidation, (d) authorizing, creating, incurring, assuming, guaranteeing or suffering to exist any indebtedness for borrowed money of any kind in excess of \$5 million, or (e) entering into any agreement with respect to the foregoing. In addition, no holder of Series A-5 Preferred shall be entitled to vote on any matter presented to the Company's stockholders relating to approving the conversion of such holder's Series A-5 Preferred into an amount in excess of the primary market limitations.

Liquidation Rights

Upon any dissolution, liquidation or winding up, whether voluntary or involuntary, holders of Series A Preferred together with holders of Series A Preferred, Series A-2 Preferred, Series A-3 Preferred and Series A-4 Preferred, will be entitled to first receive distributions out of the Company's assets in an amount per share equal to the Stated Value plus all accrued and unpaid dividends, whether capital or surplus before any distributions shall be made on any shares of Common Stock (after the payment to any senior security, if any).

Anti-Takeover Matters

Charter and Bylaw Provisions

The provisions of Delaware law, our Charter, and our Bylaws include a number of provisions that may have the effect of delaying, deferring, or discouraging another person from acquiring control of our company and discouraging takeover bids. These provisions may also have the effect of encouraging persons considering unsolicited tender offers or other unilateral takeover proposals to negotiate with our Board rather than pursue non-negotiated takeover attempts. These provisions include the items described below.

Board Composition and Filling Vacancies

Our Bylaws provide that any vacancy on our Board may only be filled by the affirmative vote of a majority of our directors then in office, even if less than a quorum. Further, any directorship vacancy resulting from an increase in the size of our Board of Directors, may be filled by election of the Board of Directors, but only for a term continuing until the next election of directors by our stockholders.

No Cumulative Voting

The Delaware General Corporation Law (the "DGCL") provides that stockholders are not entitled to the right to cumulate votes in the election of directors unless certificate of incorporation of the Company in which they own stock provides otherwise. Neither our Charter nor our Bylaws provide that our stockholders shall be entitled to cumulative voting.

Delaware Anti-Takeover Statute

We are subject to the provisions of Section 203 of the DGCL. In general, Section 203 prohibits persons deemed to be “interested stockholders” from engaging in a “business combination” with a publicly held Delaware corporation for three years following the date these persons become interested stockholders unless the business combination is, or the transaction in which the person became an interested stockholder was, approved in a prescribed manner or another prescribed exception applies. Generally, an “interested stockholder” is a person who, together with affiliates and associates, owns, or within three years prior to the determination of interested stockholder status did own, 15% or more of a corporation’s voting stock. Generally, a “business combination” includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. The existence of this provision may have an anti-takeover effect with respect to transactions not approved in advance by the Board. A Delaware corporation may “opt out” of these provisions with an express provision in its original certificate of incorporation or an express provision in its certificate of incorporation or bylaws resulting from an amendment approved by at least a majority of the outstanding voting shares. We have not opted out of these provisions. As a result, mergers or other takeover or change in control attempts of us may be discouraged or prevented.

Choice of Forum

Our Bylaws provide that Delaware will be the exclusive forum for any derivative action or proceeding brought on our behalf; any action asserting a breach of fiduciary duty; any action asserting a claim against us arising pursuant to the DGCL, our Charter or our Bylaws; or any action asserting a claim against us that is governed by the internal affairs doctrine. The enforceability of similar choice of forum provisions in other companies’ certificates of incorporation has been challenged in legal proceedings, and it is possible that a court could find these types of provisions to be inapplicable or unenforceable.

Because the applicability of the exclusive forum provision is limited to the extent permitted by law, we believe that the exclusive forum provision would not apply to suits brought to enforce any duty or liability created by the Securities Act, the Exchange Act, any other claim for which the federal courts have exclusive jurisdiction or concurrent jurisdiction over all suits brought to enforce any duty or liability created by the Securities Act. We note that there is uncertainty as to whether a court would enforce the provision and that investors cannot waive compliance with the federal securities laws and the rules and regulations thereunder. Although we believe this provision benefits us by providing increased consistency in the application of Delaware law in the types of lawsuits to which it applies, the provision may have the effect of discouraging lawsuits against our directors and officers.

Item 15. Indemnification of Directors and Officers.

Section 145(a) of the DGCL provides, in general, that a Delaware corporation may indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) because that person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, so long as the person acted in good faith and in a manner he or she reasonably believed was in or not opposed to the corporation's best interests, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 145(b) of the DGCL provides, in general, that a Delaware corporation may indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action or suit by or in the right of the corporation to obtain a judgment in its favor because the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action, so long as the person acted in good faith and in a manner the person reasonably believed was in or not opposed to the corporation's best interests, except that no indemnification shall be permitted without judicial approval if a court has determined that the person is to be liable to the corporation with respect to such claim. Section 145(c) of the DGCL provides that, if a present or former director or officer has been successful in defense of any action referred to in Sections 145(a) and (b) of the DGCL, the corporation must indemnify such officer or director against the expenses (including attorneys' fees) he or she actually and reasonably incurred in connection with such action.

Section 145(g) of the DGCL provides, in general, that a corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other enterprise against any liability asserted against and incurred by such person, in any such capacity, or arising out of his or her status as such, whether or not the corporation could indemnify the person against such liability under Section 145 of the DGCL.

Our Charter and Bylaws provide for the indemnification of our directors and officers to the fullest extent permitted under the DGCL. We also maintain a directors' and officers' insurance policy pursuant to which our directors and officers are insured against liability for actions taken in their capacities as directors and officers.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

* To be filed by an amendment to this Registration Statement

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or any decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of the registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Santa Monica, California, on April 25, 2023.
