Item 1.01 Entry into a Material Definitive Agreement.

On May 26, 2023, Super League Gaming, Inc. (the “Company”) entered into subscription agreements (each, a “Subscription Agreement” and collectively, the “Subscription Agreements”) with accredited investors with respect to the sale of an aggregate of 550 shares of newly designated Series AA-5 Convertible Preferred Stock, par value \$0.001 per share (the “Series AA Preferred”), at a purchase price of \$1,000 per share, for aggregate gross proceeds to the Company of \$550,000 (the “Offering”).

In connection with the Offering, on May 26, 2023, the Company filed a Certificate of Designation of Preferences, Rights and Limitations of the Series AA-5 Preferred Stock (the “Series AA Certificate of Designation”), with the State of Delaware.

Each share of Series AA Preferred is convertible at the option of the holder, subject to certain beneficial ownership limitations and primary market limitations as set forth in each Series AA Certificate of Designation, into such number of shares of the Company’s common stock, par value \$0.001 (the “Common Stock”), equal to the number of Series AA Preferred to be converted, multiplied by the stated value of \$1,000 (the “Stated Value”), divided by the conversion price in effect at the time of the conversion (the initial conversion price will be \$0.53 for the Series AA Preferred, subject to adjustment in the event of stock splits, stock dividends, and similar transactions). In addition, subject to beneficial ownership and primary market limitations, the Company may, in its discretion, convert (y) 50% of the outstanding shares of Series AA Preferred if the volume-weighted average price of the Company’s Common Stock over the previous 10 days as reported on the NASDAQ Capital Market (the “VWAP”), equals at least 250% of the Conversion Price, or (z) 100% of the outstanding shares of Series AA Preferred if the VWAP equals at least 300% of the Conversion Price.

The Series AA Preferred shall vote together with the Common Stock on an as-converted basis, and not as a separate class, subject to the primary market limitations, except that holders of Series AA Preferred shall vote as a separate class with respect to (a) amending, altering, or repealing any provision of the Series AA Certificate of Designation in a manner that adversely affects the powers, preferences or rights of the Series AA Preferred, (b) increasing the number of authorized shares of Series AA Preferred, (c) authorizing or issuing an additional class or series of capital stock that ranks senior to or pari passu with the Series AA Preferred with respect to the distribution of assets on liquidation, (d) authorizing, creating, incurring, assuming, guaranteeing or suffering to exist any indebtedness for borrowed money of any kind outside of accounts payable in the ordinary course of business, (e) entering into any agreement with respect to the foregoing; or (f) approving the issuance of Common Stock below the Conversion Price Floor (as defined in the Certificate of Designations). In addition, no holder of Series AA Preferred shall be entitled to vote on any matter presented to the Company’s stockholders relating to approving the conversion of such holder’s Series AA Preferred into an amount in excess of the primary market limitations. Upon any dissolution, liquidation or winding up, whether voluntary or involuntary, holders of Series AA Preferred (together with any Parity Securities (as defined in the Series AA Certificate of Designations)) will be entitled to first receive distributions out of the Company’s assets in an amount per share equal to the Stated Value plus all accrued and unpaid dividends, whether capital or surplus before any distributions shall be made on any shares of Common Stock (after the payment to any senior security, if any).

Holders of the Series AA Preferred will be entitled to receive dividends, subject to the beneficial ownership and primary market limitations, payable in the form of that number of shares of Common Stock equal to 20% of the shares of Common Stock underlying the Series AA Preferred then held by such holder on the 12 and 24 month anniversaries of the filing date. In addition, subject to the beneficial ownership and primary market limitations, holders of Series AA Preferred will be entitled to receive dividends equal, on an as-if-converted to shares of Common Stock basis, and in the same form as dividends actually paid on shares of the Common Stock when, as, and if such dividends are paid on shares of the Common Stock. Notwithstanding the foregoing, to the extent that a holder’s right to participate in any dividend in shares of Common Stock to which such holder is entitled would result in such holder exceeding the beneficial ownership and primary market limitations, then such holder shall not be entitled to participate in any such dividend to such extent and the portion of such shares that would cause such holder to exceed the beneficial ownership and primary market limitations shall be held in abeyance for the benefit of such holder until such time, if ever, as such holder’s beneficial ownership thereof would not result in such holder exceeding the beneficial ownership and primary market limitations.

Pursuant to the Subscription Agreements, purchasers that (a) previously held shares of the Company’s Series A Preferred Stock, par value \$0.001 per share, or (b) purchased at least \$3.5 million in shares of Series AA Preferred (subject to the acceptance of such lesser amounts in the Company’s sole discretion), shall have the right to purchase shares of a newly designated series of Preferred Stock of the Company containing comparable terms as the Series AA Preferred (the “Additional Investment Right”) from the date of each respective closing through the date that is 18 months thereafter as follows: (i) such investor may purchase an additional dollar amount equal to its initial investment amount at \$1,000 per share (the “Original Issue Price”), with a conversion price equal to the Conversion Price in effect on the date of original purchase; and (ii) such investor may purchase an additional dollar amount equal to its initial investment amount at the Original Issue Price, with a conversion price equal to 125% of the Conversion Price in effect on the date of original purchase.

Pursuant to the Series AA Certificate of Designations: (i) for as long as Series AA Preferred remains outstanding and subject to certain carveouts as described in the Series AA Certificate of Designations, if the Company conducts an offering at a price per share less than the then current conversion price (the “*Future Offering Price*”) consisting of Common Stock, convertible or derivative instruments, and undertaken in an arms-length third party transaction, then in such event the conversion price of the Series AA Preferred shall be adjusted to the greater of: (a) the Future Offering Price and (b) the Conversion Price Floor; and (ii) if as of the 24-month anniversary date of April 19, 2023, the VWAP (as defined in the Series AA Certificate of Designation) for the five trading days immediately prior to such 24-month anniversary date is below the then current Conversion Price, the holder will receive a corresponding adjustment to the then conversion price, such adjustment not to exceed the Conversion Price Floor.

The Company and the investors in the Offering also executed a registration rights agreement (the “*Registration Rights Agreement*”), pursuant to which the Company agreed to file a registration statement covering the resale of the shares of Common Stock issuable upon conversion of the Series AA Preferred within sixty days following the final closing of the Offering and to use its best efforts to cause such registration statement to become effective within 90 days of the filing date.

The Company sold the shares of Series AA Preferred pursuant to a Placement Agency Agreement (the “*Placement Agency Agreement*”) with a registered broker-dealer, which acted as the Company’s exclusive placement agent (the “*Placement Agent*”) for the Offering. Pursuant to the terms of the Placement Agency Agreement, in connection with the May 26, 2023 closing of the Offering, the Company paid the Placement Agent an aggregate cash fee of \$55,000, non-accountable expense allowance of \$16,500 and will issue to the Placement Agent or its designees warrants (the “*Placement Agent Warrants*”) to purchase 150,472 shares of Common Stock at an exercise price of \$0.53 per share. The Placement Agent shall also earn fees and be issued additional Placement Agent Warrants with respect to any securities issued pursuant to the Additional Investment Rights. The Company also granted the Placement Agent the right of first refusal, for a twelve (12) month period after the final closing of the Offering, to serve as the Company’s lead or co-placement agent for any private placement of the Company’s securities (equity or debt) that is proposed to be consummated with the assistance of a registered broker dealer.

The securities to be issued in the Offering are exempt from the registration requirements of the Securities Act of 1933, as amended (the “*Securities Act*”), pursuant to Section 4(a)(2) of the Securities Act and/or Rule 506(b) of Regulation D promulgated thereunder because, among other things, the transaction did not involve a public offering, the investors are accredited investors, the investors are purchasing the securities for investment and not for resale and the Company took appropriate measures to restrict the transfer of the securities. The securities have not been registered under the Securities Act and may not be sold in the United States absent registration or an exemption from registration. This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

The Subscription Agreements contain representations and warranties that the parties made to, and solely for the benefit of, the other signatories to the Subscription Agreements in the context of all of the terms and conditions thereof and in the context of the specific relationship between the parties to the Subscription Agreements. The provisions of such Subscription Agreements, including the representations and warranties contained therein, are not for the benefit of any party other than the party signatories thereto and are not intended for investors and the public to obtain factual information about the current state of affairs of the parties to such Subscription Agreements. Rather, investors and the public refer to other disclosures contained in the Company’s filings with the U.S. Securities and Exchange Commission.

The dividends set forth in clause (a) shall be accelerated and paid (to the extent such dividends that are otherwise payable on each of such anniversary dates was not previously paid) upon the consummation of a Fundamental Transaction. The dividends set forth in clause (a) shall be accelerated and paid (to the extent such dividends that are otherwise payable on each of such anniversary dates was not previously paid) upon the Mandatory Conversion Date following any Mandatory Conversion as contemplated in Section 6(b) hereto. Notwithstanding the foregoing, to the extent that a Holder’s right to participate in any dividend of PIK Shares pursuant to clause (a) or any stock dividend declared on the Common Stock to which such Holder is entitled to participate pursuant to clause (b) of this Section 3 (“**Dividend Shares**”) would result in such Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation, then such Holder shall not be entitled to participate in any such dividend to such extent (or in the beneficial ownership of any PIK Shares or Dividend Shares as a result of such dividend to such extent) and the portion of such PIK Shares and/or Dividend Shares that would cause such Holder to exceed the Beneficial Ownership Limitation or the Primary Market Limitation shall be held in abeyance for the benefit of such Holder until such time, if ever, as such Holder’s beneficial ownership thereof would not result in such Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation.

Section 4. Voting Rights. On any matter presented to the stockholders of the Company for their action or consideration at any meeting of stockholders of the Company (or by written consent of stockholders in lieu of meeting), and subject to the limitations set forth in Section 6(e) and 6(f), each Holder of outstanding shares of Series AA-5 Preferred Stock shall be entitled to cast the number of votes equal to the number of whole shares of Common Stock into which the shares of Series AA-5 Preferred Stock held by such holder are convertible as of the record date for determining stockholders entitled to vote on such matter. Except as provided by law or by the other provisions of the Certificate of Incorporation, Holders of Series AA-5 Preferred Stock shall vote together with the holders of Common Stock as a single class. The Holders shall be entitled to the same notice of any regular or special meeting of the stockholders as may or shall be given to holders of Common Stock entitled to vote at such meetings. As long as any shares of Series AA-5 Preferred Stock are outstanding, the Company may not, without the affirmative vote of the Majority Holders voting as a separate class, (i) amend, alter or repeal any provision of this Certificate of Designations in a manner that adversely affects the powers, preferences or rights of the Series AA-5 Preferred Stock, (ii) increase the number of authorized shares of Series AA-5 Preferred Stock, (iii) issue, or obligate itself to issue Parity Securities or Senior Securities, (iv) authorize, create, incur, assume, guarantee or suffer to exist any indebtedness for borrowed money of any kind other than trade accounts payable in the ordinary course of business, or (v) entering into any agreement with respect to the foregoing. Notwithstanding anything contained herein to the contrary, no holder of Series AA-5 Preferred Stock shall be entitled to vote on any matter presented to the Company’s stockholders relating to approving the conversion of such holder’s Series AA-5 Preferred Stock into an amount in excess of the Primary Market Limitation. Notwithstanding anything contained herein, for the purposes of this Section 4, the outstanding shares of Series AA-5 Preferred Stock includes both the Series AA Preferred Stock, the Series AA-2 Preferred Stock, Series AA-3 Preferred Stock, Series AA-4 Preferred Stock, Series AA-5 Preferred Stock, and any and all sub-series designated Series AA-6 Preferred Stock, Series AA-7 Preferred Stock and so on that may be authorized following the date hereof and shall take into account the number of whole shares of Common Stock into which the shares of Series AA-5 Preferred Stock (including the Series AA Preferred Stock, Series AA-2 Preferred Stock, Series AA-3 Preferred Stock, Series AA-4 Preferred Stock and any other sub-series designated Series AA-6 Preferred Stock, Series AA-7 Preferred Stock and so on that may be authorized following the date hereof) are convertible into as of the record date for determining stockholders entitled to vote on such matter.

Section 5. Liquidation.

(a) The Series AA-5 Preferred Stock shall, with respect to distributions of assets and rights upon the occurrence of any voluntary or involuntary liquidation, dissolution or winding-up of the Company ("**Liquidation**") or Deemed Liquidation Event, rank: (i) junior to the Senior Securities, if any (ii) pari passu with the Parity Securities, if any and (iii) senior to the Junior Securities. For purposes hereof, references to Series AA-5 Preferred Stock in this Section 5 shall include the Series A Preferred, Series AA Preferred Stock, Series AA-2 Preferred Stock, Series AA-3 Preferred Stock, Series AA-4 Preferred and all sub-series designated Series AA-6 Preferred Stock, Series AA-7 Preferred Stock and so on that may be authorized following the date hereof.

(b) As of the date hereof, there are no outstanding Senior Securities, Parity Securities consist solely of Series A Preferred, Series AA Preferred Stock, Series AA-2 Preferred Stock, Series AA-3 Preferred Stock, Series AA-4 Preferred Stock, and the Junior Securities consist solely of shares of Common Stock. That so being, upon any Liquidation, the holders of shares of Series AA-5 Preferred Stock and other Parity Securities then outstanding shall be entitled to be paid out of the assets of the Company available for distribution to its stockholders, and in the event of a Deemed Liquidation Event, the holders of shares of Series AA-5 Preferred Stock and other Parity Securities then outstanding shall be entitled to be paid out of the consideration payable to stockholders in such Deemed Liquidation Event, as applicable, before any payment shall be made to the holders of Common Stock by reason of their ownership thereof, an amount per share equal to one (1) times the applicable Original Issue Price, plus any dividends accrued but unpaid thereon (the amount payable pursuant to this sentence is hereinafter referred to as the "**Liquidation Amounts**").

(c) After the payment in full of all Liquidation Amounts required to be paid to the holders of shares of Series AA-5 Preferred Stock and other Parity Securities then outstanding, the remaining assets of the Company available for distribution to its stockholders or, in the case of a Deemed Liquidation Event, the consideration not payable to the holders of shares of Series AA-5 Preferred Stock and other Parity Securities then outstanding pursuant to Section 5(b), shall be distributed among the holders of shares of Common Stock, pro rata based on the number of shares held by each such holder.

Section 6 Conversion.

(a) Conversions at Option of Holder. Each share of Series AA-5 Preferred Stock (or fraction thereof) shall be convertible, at any time and from time to time, from and after the Original Issue Date at the option of the Holder thereof into that number of shares of Common Stock (subject to the Beneficial Ownership Limitation set forth in Section 6(e) and the Primary Market Limitation set forth in Section 6(f)) determined by dividing the Stated Value by the Conversion Price then in effect. Holders shall effect conversions by providing the Company and the Transfer Agent, with the form of conversion notice attached hereto as Annex A (a "**Notice of Conversion**"). Each Notice of Conversion shall specify the number of shares of Series AA-5 Preferred Stock to be converted, the number of shares of Series AA-5 Preferred Stock owned prior to such conversion, the number of shares of Series AA-5 Preferred Stock owned subsequent to such conversion and the date on which such conversion is to be effected, which date may not be prior to the date the applicable Holder delivers such Notice of Conversion to the Company pursuant to Section 6 and in accordance with Section 9 (such date, the "**Optional Conversion Date**"). Such Holder shall be deemed for all corporate purposes to have become the holder of record of the Conversion Shares with respect to which the shares of Series AA-5 Preferred Stock have been converted as of the Optional Conversion Date. If no Optional Conversion Date is specified in a Notice of Conversion, the Optional Conversion Date shall be the date that such Notice of Conversion and Cancellation Request are deemed delivered to the Company in accordance with Section 9. The calculations and entries set forth in the Notice of Conversion shall control in the absence of manifest or mathematical error. No ink-original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion form be required. To effect conversions of shares of Series AA-5 Preferred Stock, a Holder shall not be required to surrender any Certificated Series AA-5 Preferred Stock to the Company unless all of the shares of Series AA-5 Preferred Stock represented by any such certificate are so converted, in which case such Holder shall deliver the Certificated Series AA-5 Preferred Stock promptly following the Optional Conversion Date. To the extent that the Beneficial Ownership Limitation contained in Section 6(e) or the Primary Market Limitation contained in Section 6(f) applies to the converting Holder, the determination of whether the Series AA-5 Preferred Stock is convertible (in relation to other securities owned by such Holder together with any Affiliates and Attribution Parties) and of how many shares of Series AA-5 Preferred Stock are convertible shall be in the sole discretion of such Holder, and the submission of a Notice of Conversion shall be deemed to be such Holder's determination of whether the shares of Series AA-5 Preferred Stock may be converted (in relation to other securities owned by such Holder together with any Affiliates and Attribution Parties) and how many shares of the Series AA-5 Preferred Stock are convertible, in each case subject to the Beneficial Ownership Limitation or the Primary Market Limitation. To ensure compliance with this restriction, each Holder will be deemed to represent to the Company each time it delivers a Notice of Conversion that such Notice of Conversion has not violated the restrictions set forth in this Section and the Company shall have no obligation to verify or confirm the accuracy of such determination.

(b) **Mandatory Conversion.** On the one year anniversary of the Original Issue Date, the Company may, in its discretion, convert (A) 50% of the outstanding shares of Series AA-5 Preferred if the volume-weighted average price of the Company's common stock over the previous ten (10) days as reported on the NASDAQ Capital Market (the "**VWAP**"), equals at least 250% of the Conversion Price, or (B) 100% of the outstanding shares of Series AA-5 Preferred if the VWAP equals at least 300% of the Conversion Price (as applicable, the "**Mandatory Conversion Date**" and together with an Optional Conversion Date, the "**Conversion Date**"), each outstanding share of Series AA-5 Preferred Stock will automatically convert (subject to the Beneficial Ownership Limitation set forth in Section 6(e) and the Primary Market Limitation set forth in Section 6(f)) into such number of fully paid and non-assessable shares of Common Stock as is determined by dividing the Stated Value by the Conversion Price in effect on the Mandatory Conversion Date (a "**Mandatory Conversion**"); *provided, however*, the Company may not effect such Mandatory Conversion unless (I) such shares of Common Stock for which the shares of Series AA-5 Preferred Stock will be converted are either (i) registered pursuant to an effective registration statement, or (ii) may be resold without restriction pursuant to Rule 144 of the Securities Act, and (II) the Company's Common Stock has traded above the Minimum Trading Volume for a period of at least five (5) consecutive Trading Days. Within two Trading Days of (x) the Mandatory Conversion Date, if the shares of Series AA-5 Preferred Stock are held in book entry form, or (y) such Holder's surrender of Certificated Series AA-5 Preferred Stock (or, if such registered holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and an indemnity or security reasonably acceptable to the Company (which shall not include the posting of any bond) to indemnify the Company against any claim that may be made against the Company on account of the alleged loss, theft or destruction of such certificate), the Company shall deliver: (I) to each Holder, the Conversion Shares issuable upon conversion of such Holder's Series AA-5 Preferred Stock via the Certificated Preferred Stock, and (II) the PIK Shares issuable upon Mandatory Conversion under Section 3, to Holders as of the Mandatory Conversion Date; provided that, any failure by the Holder to return Certificated Series AA-5 Preferred Stock, if any, will have no effect on the Mandatory Conversion pursuant to this Section 6(b), which Mandatory Conversion will be deemed to occur on the Mandatory Conversion Date. To the extent that the Beneficial Ownership Limitation contained in Section 6(e) or the Primary Market Limitation contained in Section 6(f) applies to any Holder, such Holder shall within five Business Days of such Holder's receipt of the Company Conversion Notice, provide the Company with a written determination (a "**Mandatory Conversion Determination**"), delivered in accordance with Section 9, of whether such Holder's Series AA-5 Preferred Stock is convertible (in relation to other securities owned by such Holder together with any Affiliates and Attribution Parties) and of how many shares of Series AA-5 Preferred Stock are convertible, and the submission of a Mandatory Conversion Determination shall be deemed to be such Holder's determination of the maximum number of shares of Series AA-5 Preferred Stock that may be converted, subject to the Beneficial Ownership Limitation or the Primary Market Limitation and the portion of the shares of Common Stock issuable upon such Mandatory Conversion hereunder that would cause such Holder to exceed the Beneficial Ownership Limitation or the Primary Market Limitation shall be held in abeyance for the benefit of such Holder until such time, if ever, as such Holder's beneficial ownership thereof would not result in such Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation. To ensure compliance with this restriction, each Holder will be deemed to represent to the Company each time it delivers a Mandatory Conversion Determination that such determination has not violated the restrictions set forth in Section 6(e) or Section 6(f) and the Company shall have no obligation to verify or confirm the accuracy of such determination.

(c) **Conversion Shares.** The aggregate number of Conversion Shares which the Company shall issue upon conversion of the Series AA-5 Preferred Stock (whether pursuant to Section 6(a) or 6(b)) will be equal to the number of shares of Series AA-5 Preferred Stock to be converted, multiplied by the Stated Value, divided by the Conversion Price in effect at the time of the conversion.

(d) Mechanics of Conversion.

(i) Delivery of Conversion Shares upon Conversion. Promptly after the applicable Conversion Date, but in any case within the earlier of (i) two (2) Trading Days and (ii) the Standard Settlement Period (as defined below) thereof (the “**Share Delivery Date**”), the Company shall deliver, or cause to be delivered, to the converting Holder the number of Conversion Shares being acquired upon the conversion of the Series AA-5 Preferred Stock pursuant to Section 6(a) or 6(b), as applicable, any PIK Shares to which the Holder is entitled pursuant to Section 3 that have not been previously issued, if any, and a wire transfer of immediately available funds in the amount of accrued and unpaid cash dividends, if any. Conversion Shares issuable hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with DTC through its Deposit or Withdrawal at Custodian system (“**DWAC**”) if the Company is then a participant in such system and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Conversion Shares and PIK Shares, if any, to which the Holder is entitled pursuant to such conversion to the address specified by the Holder in the Notice of Conversion or the Company Conversion Notice, as the case may be. The Company shall (A) deliver (or cause to be delivered) to the converting Holder who has converted less than all of such Holder’s Certificated Series AA-5 Preferred Stock (1) a certificate or certificates, of like tenor, for the number of shares of Series AA-5 Preferred Stock evidenced by any surrendered certificate or certificates less the number of shares of Series AA-5 Preferred Stock converted. The Company agrees to maintain a transfer agent that is a participant in the DTC’s FAST program so long as any shares of Series AA-5 Preferred Stock remain outstanding. As used herein, “**Standard Settlement Period**” means the standard settlement period, expressed in a number of Trading Days, on the Company’s primary Trading Market with respect to the Common Stock as in effect on the date of delivery of the Notice of Conversion.

(ii) Failure to Deliver Conversion Shares upon an Optional Conversion. If, in the case of any Notice of Conversion, such Conversion Shares are not delivered to or as directed by the applicable Holder by the Share Delivery Date, in addition to any other rights herein, the Holder shall be entitled to elect by written notice to the Transfer Agent, on behalf of the Company, at any time on or before its receipt of such Conversion Shares, to rescind such Conversion, in which event the Company shall promptly return to the Holder any Certificated Series AA-5 Preferred Stock delivered to the Company and the Holder shall promptly return to the Company the Conversion Shares issued to such Holder pursuant to the rescinded Notice of Conversion.

(iii) Obligation Absolute; Partial Liquidated Damages. The Company’s obligation to issue and deliver the Conversion Shares upon conversion of Series AA-5 Preferred Stock in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by a Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by such Holder or any other Person of any obligation to the Company or any violation or alleged violation of law by such Holder or any other person, and irrespective of any other circumstance which might otherwise limit such obligation of the Company to such Holder in connection with the issuance of such Conversion Shares; provided, however, that such delivery shall not operate as a waiver by the Company of any such action that the Company may have against such Holder. If the Company fails to deliver to a Holder such Conversion Shares pursuant to Section 6(d)(i) by the Share Delivery Date applicable to such conversion, the Company shall pay to such Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Stated Value of Series AA-5 Preferred Stock being converted, \$10 per Trading Day (increasing to \$20 per Trading Day on the fifth Trading Day after such damages begin to accrue) for each Trading Day after the Share Delivery Date until such Conversion Shares are delivered or Holder rescinds such conversion.

(iv) Compensation for Buy-In on Failure to Timely Deliver Conversion Shares Upon Conversion. In addition to any other rights available to the Holder, if the Company fails for any reason to deliver to a Holder the applicable Conversion Shares by the Share Delivery Date pursuant to Section 6(d)(i), and if after such Share Delivery Date such Holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by such Holder of the Conversion Shares which such Holder was entitled to receive upon the conversion relating to such Share Delivery Date (a "**Buy-In**"), then the Company shall (A) pay in cash to such Holder (in addition to any other remedies available to or elected by such Holder) the amount, if any, by which (x) such Holder's total purchase price (including any brokerage commissions) for the Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that such Holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed (including any brokerage commissions) and (B) at the option of such Holder, either reissue (if surrendered) the shares of Series AA-5 Preferred Stock equal to the number of shares of Series AA-5 Preferred Stock submitted for conversion (in which case, such conversion shall be deemed rescinded) or deliver to such Holder the number of shares of Common Stock that would have been issued if the Company had timely complied with its delivery requirements under Section 6(c)(i). For example, if a Holder purchases shares of Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of shares of Series AA-5 Preferred Stock with respect to which the actual sale price of the Conversion Shares (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Company shall be required to pay such Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to such Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver the Conversion Shares upon conversion of the shares of Series AA-5 Preferred Stock as required pursuant to the terms hereof.

(v) Reservation of Shares Issuable Upon Conversion. The Company covenants that it will at all times reserve and keep available out of its authorized and unissued shares of Common Stock, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holders of the Series AA-5 Preferred Stock, not less than such aggregate number of shares of the Common Stock as shall be issuable (i) upon the conversion of all outstanding shares of Series AA-5 Preferred Stock (taking into account the adjustments and restrictions of Section 7) and (ii) in respect of the PIK Shares. The Company covenants that all Conversion Shares and PIK Shares shall, when issued, be duly authorized, validly issued, fully paid and nonassessable. If at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then-outstanding shares of Series AA-5 Preferred Stock (taking into account the adjustments and restrictions of Section 7), and payment of the PIK Shares, the Company shall take such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes.

(vi) Fractional Shares. No fractional shares or scrip representing fractional shares shall be issued upon the conversion of or as dividends on the Series AA-5 Preferred Stock. As to any fraction of a share which a Holder would otherwise be entitled to upon such conversion or in respect of any such dividend, the Company shall round up to the next whole share of Common Stock.

(vii) Transfer Taxes and Expenses. The issuance of Conversion Shares on conversion of this Series AA-5 Preferred Stock shall be made without charge to any Holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such Conversion Shares, provided that the Company shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such Conversion Shares upon conversion in a name other than that of the Holders of such shares of Series AA-5 Preferred Stock and the Company shall not be required to issue or deliver such Conversion Shares unless or until the Person or Persons requesting the issuance thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid.

(e) Beneficial Ownership Limitation. The Company shall not effect any conversion of the Series AA-5 Preferred Stock, including, without limitation, a Mandatory Conversion, and a Holder shall not have the right to receive dividends hereunder or convert any portion of the Series AA-5 Preferred Stock, to the extent that, after giving effect to the receipt of dividends hereunder or conversion set forth on the applicable Notice of Conversion, such Holder (together with such Holder's Affiliates, and any Persons acting as a group together with such Holder or any of such Holder's Affiliates (such Persons, "Attribution Parties")) would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock received as dividends or issuable upon conversion of the Series AA-5 Preferred Stock with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted Series AA-5 Preferred Stock beneficially owned by such Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, the Series AA-5 Preferred Stock) beneficially owned by such Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 6(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith (other than as it relates to a Holder relying on the number of shares issued and outstanding as provided by the Company pursuant to this Section). In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 6(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (ii) a more recent public announcement by the Company or (iii) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request (which may be via email) of a Holder, the Company shall within one Trading Day confirm orally and in writing to such Holder the number of shares of Common Stock then outstanding. The "Beneficial Ownership Limitation" shall be 4.99% (or, at the written election of any Holder delivered to the Company pursuant to the terms of Section 9 prior to the issuance of any shares of Series AA-5 Preferred Stock, 9.99% but no in event higher than 9.99%) of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of Series AA-5 Preferred Stock held by the applicable Holder. Upon delivery of a written notice to the Company, any holder may from time to time increase or waive (with such increase or waiver not effective until the sixty-first (61st) day after delivery of such notice) or decrease (immediately) the Beneficial Ownership Limitation provisions of this Section 6(e); *provided, however*, that the Holder shall not be entitled to increase or terminate the limitation contained in this Section 6(e) if the Holder has acquired (or if any of the Holder's Attribution parties has indirectly acquired) the Series AA-5 Preferred Stock with the purpose or effect of changing or influencing the control of the Company. The limitations contained in this Section 6(e) shall apply to a successor holder of Series AA-5 Preferred Stock.

(f) **Primary Market Limitation.** Unless the Company obtains the approval of its stockholders as required by the applicable rules of the applicable Trading Market for issuances of Common Stock in excess of such amount, the Company shall not effect any conversion of the Series AA-5 Preferred Stock, including, without limitation, a Mandatory Conversion, and a Holder shall not have the right to receive dividends hereunder or convert any portion of the Series AA-5 Preferred Stock, to the extent that, after giving effect to the receipt of dividends hereunder or conversion set forth on the applicable Notice of Conversion, the Holder, together with the Attribution Parties, would beneficially own in excess of the Primary Market Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock received as dividends or issuable upon conversion of the Series AA-5 Preferred Stock with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted Series AA-5 Preferred Stock beneficially owned by such Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, the Series AA-5 Preferred Stock) beneficially owned by such Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 6(f), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith (other than as it relates to a Holder relying on the number of shares issued and outstanding as provided by the Company pursuant to this Section). For purposes of this Section 6(f), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (ii) a more recent public announcement by the Company or (iii) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request (which may be via email) of a Holder, the Company shall within one Trading Day confirm orally and in writing to such Holder the number of shares of Common Stock then outstanding. The "**Primary Market Limitation**" shall be 19.99% of the number of shares of the Common Stock outstanding as of the Effective Date, immediately prior to the issuance of shares of Series AA-5 Preferred. The limitations contained in this paragraph shall apply to a successor holder of the Series AA-5 Preferred Stock.

Section 7. Certain Adjustments.

(a) Adjustments to Conversion Price.

- (i) **Stock Dividends and Stock Splits.** If the Company, at any time while the Series AA-5 Preferred Stock is outstanding: (A) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any other Common Stock Equivalents (which, for avoidance of doubt, will not include any shares of Common Stock issued by the Company upon conversion of this Series AA-5 Preferred Stock or payment of a dividend on this Series AA-5 Preferred Stock); (B) subdivides outstanding shares of Common Stock into a larger number of shares; (C) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares; or (D) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Company, then the Conversion Price will be multiplied by a fraction of which the numerator will be the number of shares of Common Stock (excluding any treasury shares of the Company) outstanding immediately before such event and of which the denominator will be the number of shares of Common Stock, or in the event that clause (D) of this Section 7(a) will apply shares of reclassified capital stock, outstanding immediately after such event. Any adjustment made pursuant to this Section 7(a) will become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and will become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

- (ii) **Future Issuances.** From and after the date thereof, if the Company shall issue or sell any Equity Securities (as defined below) at an effective price per share less than the then effective Conversion Price (such lower price, the “**Base Share Price**” and such issuances collectively, a “**Dilutive Issuance**”), as adjusted hereunder (if the holder of the Equity Securities so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, is entitled to receive shares of Common Stock at an effective price per share which is less than the then effective Conversion Price, such issuance shall be deemed to have occurred for less than the then effective Conversion Price on such date of the Dilutive Issuance), then, the Conversion Price shall be reduced to equal the Base Share Price subject to the Conversion Price Floor. Notwithstanding the foregoing, no adjustments shall be made, paid or issued under this Section 7(a)(ii) in respect of Exempt Issuances (as defined below). The Company shall notify the Holder in writing as promptly as reasonably possible following the issuance of any Equity Securities subject to this section, indicating therein the applicable issuance price, or of applicable reset price, exchange price, conversion price and other pricing terms (such notice the “**Dilutive Issuance Notice**”). For purposes of clarification, whether or not the Company provides a Dilutive Issuance Notice pursuant to this Section 7(a)(ii), upon the occurrence of any Dilutive Issuance while the Series AA-5 Preferred is outstanding, after the date of such Dilutive Issuance the Holder is entitled to the Base Share Price regardless of whether the Holder accurately refers to the Base Share Price in the Conversion Notice. Provided however, the Company shall not issue any shares of common stock below the Conversion Price Floor without the consent of the Holders of a majority of the outstanding Series AA-5 Preferred Stock voting as a separate class.

For purposes of this Section 7(a)(ii), the following definitions shall apply:

“**Common Stock Equivalents**” as defined in Section 1.

“**Equity Securities**” means (i) Common Stock and (ii) Common Stock Equivalents.

“**Exempt Issuance**” means (i) Equity Securities issued or issuable upon conversion or exercise of any currently outstanding securities or any Equity Securities issued in accordance with this Certificate (including the Conversion Shares and the Dividend Shares) or issued pursuant to any contractual rights granted to holders of the Series AA-5 Preferred Stock; (ii) Equity Securities granted to officers, directors and employees of, and consultants to, the Company pursuant to stock option or purchase plans or other compensatory agreements approved by the Board of Directors; (iii) Equity Securities issued in connection with any pro rata stock split, stock dividend or recapitalization by the Company; (iv) Equity Securities issued in a Strategic Investment; (v) Equity Securities issued pursuant to the acquisition of another corporation or entity by the Company by consolidation, merger, purchase of all or substantially all of the assets, or other reorganization in which the Company acquires, in a single transaction or series of related transactions, all or substantially all of the assets of such other corporation or entity or fifty percent (50%) or more of the voting power of such other corporation or entity or fifty percent (50%) or more of the equity ownership of such other corporation or entity; and (vi) securities issuable upon conversion or exercise of the securities set forth in paragraphs (i) - (v) above.

“Strategic Investment” any transaction or agreement with one or more persons, firms or entities designated as a “strategic partner” of the Company, as determined in good faith by the Board of Directors of the Company); provided, however, that each such “strategic partner” is itself, or has a subsidiary or affiliate that is, an operating company in a business synergistic with the business of the Company and provided further that the transaction is one in which the Company receives benefits in addition to the investment of funds. In no event shall a transaction in which the Company issues securities primarily for the purpose of raising capital or to one or more persons or entities whose primary business is investing in securities be deemed a Strategic Investment.

- (iii) **VWAP-Based Adjustment.** If, on the Second Anniversary, the Five-Day Adjustment VWAP is an amount that is less than the then effective Conversion Price, then the Conversion Price in effect immediately prior the Second Anniversary shall be adjusted so that the Conversion Price shall equal the Five-Day Adjustment VWAP, subject to the Conversion Price Floor.
- (iv) **Provisions for Adjustments.** Notwithstanding anything in this Section to the contrary: (i) in no event shall an adjustment be made under this clause if such adjustment would result in raising the then-effective Conversion Price; (ii) no adjustment under this Section 7(a) need be made to the Conversion Price unless such adjustment would require a decrease of at least 1.0% of the Conversion Price then in effect, with any lesser adjustment being carried forward and made at the time of and together with the next subsequent adjustment, if any, which, together with any adjustment or adjustments so carried forward, shall result in a decrease of at least 1.0% of such Conversion Price; (iii) no adjustment under this Section 7(a) shall be made if such adjustment will result in a Conversion Price that is less than the par value of the Common Stock; and (iv) no adjustment shall be made to the Conversion Price upon any Exempt Issuances. The Company will make all calculations under this Certificate of Designation in good faith, which calculations will, absent manifest error, control for purposes this Certificate of Designation.

(b) **Subsequent Rights Offerings.** In addition to any adjustments pursuant to Section 7(a) above, if at any time the Company grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the **“Purchase Rights”**), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of such Holder’s Series AA-5 Preferred Stock (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder’s right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation).

(c) Pro Rata Distributions. During such time as this Series AA-5 Preferred Stock is outstanding, if the Company declares or makes any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "**Distribution**"), at any time after the issuance of this Series AA-5 Preferred Stock, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of this Series AA-5 Preferred Stock (without regard to any limitations on conversion hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, to the extent that the Holder's right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any shares of Common Stock as a result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation).

(d) Fundamental Transaction. If, at any time while the Series AA-5 Preferred Stock is outstanding, (A) the Company effects any merger or consolidation of the Company with or into another Person, (B) the Company effects any sale of all or substantially all of its assets in one transaction or a series of related transactions, or (C) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (in any such case, a "**Fundamental Transaction**"), then, upon any subsequent conversion of the Series AA-5 Preferred Stock, the Holders shall have the right to receive, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction, the same kind and amount of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of one share of Common Stock (the "**Alternate Consideration**"). For purposes of any such conversion, the determination of the Conversion Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall adjust the Conversion Price in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holders shall be given the same choice as to the Alternate Consideration they receive upon any conversion of the Series AA-5 Preferred Stock following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall file a new Certificate of Designation with the same terms and conditions and issue to the Holders new preferred stock consistent with the foregoing provisions and evidencing the Holders' right to convert such preferred stock into Alternate Consideration. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 7(d) and insuring that the Series AA-5 Preferred Stock (or any such replacement security) will be substantially similar in form and substance to this Certificate of Designations and insuring that the Series AA-5 Preferred Stock will be convertible for a corresponding number of shares of capital stock of such successor entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon conversion of this Series AA-5 Preferred Stock (without regard to any limitations on the conversion of this Series AA-5 Preferred Stock) prior to such Fundamental Transaction, and with a conversion price which applies the conversion price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such conversion price being for the purpose of protecting the economic value of this Series AA-5 Preferred Stock immediately prior to the consummation of such Fundamental Transaction) and will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

(e) Calculations. All calculations under this Section 7 will be made to the nearest cent or the nearest 1/100th of a share, as the case may be.

(f) Notice to the Holders.

- (i) Adjustment to Conversion Price. Whenever the Conversion Price is adjusted pursuant to any provision of this Section 7, the Company shall promptly deliver to each Holder a notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.
- (ii) Notice to Allow Conversion by Holder. If (A) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property or (B) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be filed at each office or agency maintained for the purpose of conversion of the Series AA-5 Preferred Stock, and shall cause to be delivered to each Holder pursuant to Section 9, at least twenty (20) calendar days prior to the applicable record or effective date hereinafter specified, a written notice stating (x) the date on which a record is to be taken for the purpose of seeking such stockholder approval or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange, provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided hereunder constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to convert such Holder's Series AA-5 Preferred Stock pursuant to Section 6(a) (subject to the Beneficial Ownership Limitation and the Primary Market Limitation) during the 20-day period commencing on the date of such notice through the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 8. Miscellaneous.

(a) Notices. Any and all notices or other communications or deliveries to be provided to the Holders, the Company or the Transfer Agent hereunder, including, without limitation, any Notice of Conversion or Company Conversion Notice, shall be in writing and delivered personally, by facsimile, by e-mail, or sent by a nationally recognized overnight courier service (i) if to the Holders, at the Holder's address set forth in the book and records of the Company or to another address of such Holder as may be specified by such Holder to the Company in a written notice delivered in accordance with this Section, or (ii) if to the Company, at 2912 Colorado Avenue, Suite 203, Santa Monica, CA 90404, or to another address as the Company may specify for such purposes by written notice to the Holders delivered in accordance with this Section. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number or via e-mail at the e-mail address set forth in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number or via e-mail at the e-mail address set forth in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given. To the extent that any notice provided pursuant to this Certificate of Designations constitutes, or contains, material, non-public information regarding the Company or any Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K.

(b) Absolute Obligation. Except as expressly provided herein, no provision of this Certificate of Designations shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay accrued dividends, as applicable, on the shares of Series AA-5 Preferred Stock at the time, place, and rate, and in the coin or currency, herein prescribed.

(c) Lost or Mutilated Series AA-5 Preferred Stock Certificate. If a Holder alleges that such Holder's Series AA-5 Preferred Stock certificate has been lost, stolen or destroyed, the Company will only be obligated to issue a replacement certificate if the Holder delivers to the transfer agent, or the Company, as applicable: (i) a lost certificate affidavit; (ii) an indemnity bond in a form acceptable to the Company's transfer agent, or if the Company acts as its own transfer agent, an agreement reasonably acceptable to the Company to indemnify the Company against any claim that may be made against the Company on account of the alleged loss, theft or destruction of such certificate; and (iii) any other documentation that the transfer agent or the Company, if the Company acts as its own transfer agent, may reasonably require.

(d) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Certificate of Designations shall be governed by and construed and enforced in accordance with the internal laws of the State of Delaware, without regard to the principles of conflict of laws thereof. Each party agrees that all legal proceedings concerning the interpretation, enforcement and defense of the transactions contemplated by this Certificate of Designations (whether brought against a party hereto or its respective Affiliates, directors, officers, shareholders, employees or agents) shall be commenced in the state and federal courts sitting in the City of New York, Borough of Manhattan (the "New York Courts"). Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such New York Courts, or such New York Courts are improper or inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Certificate of Designations and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by applicable law. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Certificate of Designations or the transactions contemplated hereby. If any party shall commence an action or proceeding to enforce any provisions of this Certificate of Designation, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys' fees and other costs and expenses incurred in the investigation, preparation and prosecution of such action or proceeding.

(e) Waiver. Any waiver by the Company or a Holder of a breach of any provision of this Certificate of Designations shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Certificate of Designations or a waiver by any other Holders. The failure of the Company or a Holder to insist upon strict adherence to any term of this Certificate of Designations on one or more occasions shall not be considered a waiver or deprive that party (or any other Holder) of the right thereafter to insist upon strict adherence to that term or any other term of this Certificate of Designation. Any waiver by the Company or a Holder must be in writing.

(f) Severability. If any provision of this Certificate of Designations is invalid, illegal or unenforceable, the balance of this Certificate of Designations shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. If it shall be found that any dividend or other amount deemed interest due hereunder violates the applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law.

(g) Next Business Day. Whenever any payment or other obligation hereunder shall be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day.

(h) Headings. The headings contained herein are for convenience only, do not constitute a part of this Certificate of Designations and shall not be deemed to limit or affect any of the provisions hereof.

(i) Status of Converted Series AA-5 Preferred Stock. If any shares of Series AA-5 Preferred Stock shall be converted or reacquired by the Company, such shares shall resume the status of authorized but unissued shares of preferred stock and shall no longer be designated as Series AA-5 Convertible Preferred Stock.

PLACEMENT AGENCY AGREEMENT

March 24, 2023

Aegis Capital Corp.
1345 Avenue of the Americas, 27th Floor
New York, NY 10105

Re: Super League Gaming, Inc.

Ladies and Gentlemen:

This Placement Agency Agreement (“**Agreement**”) sets forth the terms upon which Aegis Capital Corp., a New York corporation (“**Aegis**” or “**Placement Agent**”), a registered broker-dealer and member of the Financial Industry Regulatory Authority (“**FINRA**”), shall be engaged by Super League Gaming, Inc., a Delaware corporation (the “**Company**”) to act as exclusive Placement Agent in connection with the private placement (the “**Offering**”) of shares (the “**Shares**”) of Series AA Convertible Preferred Stock, par value \$0.001 per share (including all subseries of such stock, the “**Series AA Preferred Stock**”). The Offering will consist of a minimum of 3,500 Shares (\$3,500,000) (“**Minimum Offering Amount**”) and up to a maximum of 20,000 Shares (\$20,000,000) (“**Maximum Offering Amount**”) which shall be offered on a “reasonable efforts, all or none” basis as to the Minimum Offering Amount and a “reasonable efforts” basis for all amounts in excess of the Minimum Offering Amount. In the event the Offering is oversubscribed, the Company and Placement Agent may, in their mutual discretion, have Company sell up to 10,000 additional Shares for an additional aggregate purchase price of \$10,000,000 (the “**Overallotment**”). For purposes hereof, this Agreement shall also cover, and the term “Shares” shall include, the potential issuance and sale of another series of convertible preferred stock of the Company, with identical rights and preferences as the Series A Preferred Stock being sold in the Offering (except for voting provisions) and which may be sold to certain persons due to concerns relating to beneficial ownership limitations.

The purchase price for the Shares will be \$1,000 per Share (the “**Offering Price**”), with a minimum investment of \$1,500,000; *provided, however*, that subscriptions for lesser amounts may be accepted in the Company’s and Placement Agent’s joint discretion. Additionally, such minimum investment amount shall not be applicable to individuals or entities that are existing owners of the Company’s Series A Preferred Stock (each a “**Series A Preferred Holder**” and collectively, “**Series A Preferred Holders**”). The Placement Agent shall accept subscriptions only from persons or entities who qualify as “accredited investors,” as such term is defined in Rule 501 of Regulation D (“**Regulation D**”) as promulgated by the United States Securities and Exchange Commission (the “**SEC**”) under Section 4(a)(2) of the Securities Act of 1933, as amended (the “**Securities Act**”). The Shares will be offered until the earlier of (i) the termination of the Offering as provided herein, (ii) the time that all Shares offered in the Offering are sold or (iii) May 19, 2023 (“**Initial Offering Period**”), which date may be extended by the Placement Agent and the Company in their joint discretion until July 19, 2023 (this additional period and the Initial Offering Period shall be referred to as the “**Offering Period**”). The date on which the Offering expires or is terminated shall be referred to as the “**Termination Date**.”

With respect to the Offering, the Company shall provide the Placement Agent, on terms set forth herein, the right to offer and sell all of the Shares being offered. Purchases of Shares may be made by the Placement Agent and its officers, directors, employees and affiliates. All such purchases, together with purchases by officers, directors, employees and affiliates of the Company, shall be included in calculations as to whether the Minimum Offering Amount or Overallotment has been sold in the Offering. The Company, in its sole discretion, may accept or reject, in whole or in part, any prospective investment in the Shares. Notwithstanding anything to the contrary set forth herein, it is understood that no sale shall be regarded as effective unless and until accepted by the Company. The Company and the Placement Agent shall mutually agree with respect to allotting any prospective subscriber less than the number of Shares that such subscriber desires to purchase.

The Offering will be made by the Company solely pursuant to the Memorandum (as defined below), which at all times will be in form and substance reasonably acceptable to the Company, the Placement Agent and their respective counsel and contain such legends and other information as Company, the Placement Agent and their respective counsel, may, from time to time, deem necessary or desirable to be set forth therein. “**Memorandum**” as used in this Agreement means Company’s Confidential Private Placement Memorandum dated on or about March 24, 2023, inclusive of all annexes, and all amendments, supplements and appendices thereto.

1. Appointment of Placement Agent. On the basis of the representations and warranties provided herein, and subject to the terms and conditions set forth herein, the Placement Agent is appointed as exclusive placement agent for the Company during the Offering Period to assist the Company in finding qualified subscribers for the Offering. The Placement Agent shall also have exclusivity during the Offering Period with respect to any other securities that the Company desires to offer for capital raise purposes. The Placement Agent may sell Shares through other broker-dealers who are FINRA members, as well as through foreign finders pursuant to applicable FINRA rules, and may reallocate all or a portion of the Agent Compensation (as defined in Section 3(b) below) it receives to such other broker-dealers or foreign finders. On the basis of such representations and warranties and subject to such terms and conditions, the Placement Agent hereby accepts such appointment and agrees to perform its services hereunder diligently and in good faith and in a professional and businesslike manner and to use its reasonable efforts to assist the Company in (A) finding subscribers of Shares who qualify as “accredited investors,” as such term is defined in Rule 501 of Regulation D, and (B) completing the Offering. The Placement Agent has no obligation to purchase any of the Shares. Unless sooner terminated in accordance with this Agreement, the engagement of the Placement Agent hereunder shall continue until the later of the Termination Date or the Final Closing (as defined below).

2. Representations, Warranties and Covenants of the Company. Except as set forth in the Memorandum, the SEC Reports (as defined herein) or in the schedule of exceptions delivered to the Placement Agent on the date hereof (the “**Schedule of Exceptions**”), the representations and warranties of the Company contained in this Section 2 are true and correct as of the date of this Agreement.

(a) The Memorandum has been prepared by the Company in compliance in all material respects with Regulation D and Section 4(a)(2) of the Act and the requirements of all other rules and regulations (the "**Regulations**") relating to offerings of the type contemplated by the Offering, and the applicable securities laws and the rules and regulations of those jurisdictions wherein the Placement Agent notifies the Company that the Shares are to be offered and sold excluding any foreign jurisdictions. The Shares will be offered and sold pursuant to the registration exemptions provided by Regulation D and Section 4(a)(2) of the Act as a transaction not involving a public offering and the requirements of any other applicable state securities laws and the respective rules and regulations thereunder in those United States jurisdictions in which the Placement Agent notifies the Company that the Shares are being offered for sale. To the extent that Shares are offered in jurisdictions outside of the United States, such Shares will be offered and sold in compliance with all applicable laws that govern private securities offerings in the applicable country and in all local jurisdictions in which such Shares are offered. None of the Company, its affiliates, or any person acting on its or their behalf (other than the Placement Agent, its affiliates or any person acting on its behalf, in respect of which no representation is made) has taken nor will it take any action that conflicts with the conditions and requirements of, or that would make unavailable with respect to the Offering, the exemption(s) from registration available pursuant to Rule 506(b) of Regulation D or Section 4(a)(2) of the Act, or knows of any reason why any such exemption would be otherwise unavailable to it. None of the Company, its predecessors or affiliates has been subject to any order, judgment or decree of any court of competent jurisdiction temporarily, preliminarily or permanently enjoining such person for failing to comply with Section 503 of Regulation D. The Company has not, for a period of six months prior to the commencement of the offering of Shares, sold, offered for sale or solicited any offer to buy any of its securities in a manner that would be integrated with the offer and sale of the Shares pursuant to this Agreement and would cause the exemption from registration set forth in Rule 506(b) of Regulation D to become unavailable with respect to the offer and sale of the Shares pursuant to this Agreement in the United States. For purposes of this Agreement, "to the Company's Knowledge" or similar phrases means the actual knowledge of either of Ann Hand or Clayton Haynes of a fact or matter after making reasonable inquiry.

(b) The Memorandum does not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, the foregoing does not apply to any statements or omissions made solely in reliance on and in conformity with written information furnished to the Company by the Placement Agent specifically for use in the preparation thereof. To the Company's Knowledge, none of the statements, documents, certificates or other items made, prepared or supplied by the Company with respect to the transactions contemplated hereby contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements contained therein not misleading in light of the circumstances in which they were made. There are no facts, circumstances or conditions which the Company has not disclosed in the Memorandum and of which the Company is aware that has had or that could reasonably be expected to have a Company Group Material Adverse Effect (as defined in Section 2(c) below). Notwithstanding anything to the contrary herein, the Company makes no representation or warranty with respect to any estimates, projections and other forecasts and plans (including the reasonableness of the assumptions underlying such estimates, projections and other forecasts and plans) that may have been delivered to the Placement Agent or its representatives or that are contained in the Memorandum, except that such estimates, projections and other forecasts and plans have been prepared in good faith on the basis of assumptions stated therein, which assumptions were believed to be reasonable at the time of such preparation. Any statistical and market-related data included in the Memorandum are based on or derived from sources that the Company believes, after reasonable inquiry, to be reliable and accurate in all material respects and, to the extent required, the Company has obtained the written consent to the use of such data from such sources.

(c) The Company is a corporation duly incorporated and validly existing in good standing under the laws of the State of Delaware and has the requisite power and authority to own its properties and to carry on its business as described in the Memorandum. Section 2(c) of the Schedule of Exceptions lists each entity owned or controlled, directly or indirectly by the Company (each a “**Subsidiary**” and collectively, the “**Subsidiaries**”). Each Subsidiary is duly incorporated or formed, as applicable, validly existing and in good standing under the laws of the state or foreign jurisdiction of its incorporation or formation, as applicable, as set forth in Section 2(c) of the Schedule of Exceptions. Except as set forth on Section 2(c) of the Schedule of Exceptions, neither the Company nor any Subsidiary (i) owns or controls, directly or indirectly, any interest in any other corporation, association or other business entity or (ii) participates in any joint venture, partnership or similar arrangement. Each Subsidiary has the requisite company power to own, operate and lease its properties and to carry out its business as described in the Memorandum. Each of the Company and the Subsidiaries (collectively referred to herein as the “**Company Group**”) is qualified or licensed to do business in the jurisdictions listed in Section 2(c) of the Schedule of Exceptions, except for any failure to be so qualified or licensed that would not have a Company Group Material Adverse Effect. Each member of the Company Group is qualified or licensed to do business in all jurisdictions in which the character of the properties owned or held under lease by it or the nature of its business makes qualification necessary, except where the failure to be so qualified or licensed would not reasonably be expected to result in a Company Group Material Adverse Effect. No member of the Company Group is in violation of any provision of any of its organizational documents. As used in this Agreement, “**Company Group Material Adverse Effect**” means any event, circumstance, change or effect that, individually or in the aggregate with all other events, circumstances, changes and effects, is or is reasonably likely to be materially adverse to (i) the business, condition (financial or otherwise), assets, prospects, liabilities or results of operations of the Company and its Subsidiaries taken as a whole or (ii) the ability of the Company to consummate the transactions contemplated by this Agreement and to perform its obligations under the Transaction Documents; provided, however, that clause (i) shall not include any event, circumstance, change or effect resulting from (y) changes in general economic conditions or changes in securities markets in general that do not have a materially disproportionate effect (relative to other industry participants) on the Company or its Subsidiaries or (z) general changes in the industries in which the Company and the Company Subsidiaries operate, except those events, circumstances, changes or effects that adversely affect the Company and its Subsidiaries to a materially greater extent than they affect other entities operating in such industries.

(d) The Company has all requisite corporate power and authority to enter into and perform its obligations under this Agreement, the Registration Rights Agreement substantially in the form of Exhibit B to the Memorandum (the “**Registration Rights Agreement**”), the Subscription Agreement substantially in the form of Exhibit A to the Memorandum (the “**Subscription Agreement**”), the Escrow Agreement (as hereinafter defined) and the other agreements contemplated hereby (this Agreement, the Subscription Agreement, the Registration Rights Agreement and the other agreements contemplated hereby that the Company is executing and delivering hereunder are collectively referred to herein as the “**Transaction Documents**”).

(e) The Shares to be purchased by investors pursuant to the Memorandum (including, for purposes of this subsection, the Shares that may be purchased pursuant to Additional Investment Rights as more particularly described in the Memorandum) and the Agent Warrants (as defined in Section 3(b)) to be issued to the Placement Agent pursuant to the terms of this Agreement have been duly authorized for issuance and sale pursuant to this Agreement and, when issued and delivered by the Company pursuant to this Agreement against payment of the consideration set forth herein, will be duly and validly issued, fully paid and non-assessable and will have the rights, preferences and priorities set forth in the Company's Certificate of Incorporation (including the Certificate of Designation, as defined below). 2A. Representations, Warranties and Covenants of Placement Agent. The Placement Agent represents and warrants to Company that the following representations and warranties are true and correct as of the date of this Agreement:

(a) Aegis is a corporation duly organized, validly existing and in good standing under the laws of the State of New York and has all requisite corporate power and authority to enter into this Agreement and to carry out and perform its obligations under the terms of this Agreement.

(b) This Agreement has been duly authorized, executed and delivered by the Placement Agent, and upon due execution and delivery by the Company, this Agreement will be a valid and binding agreement of the Placement Agent enforceable against it in accordance with its terms, except as may be limited by principles of public policy and, as to enforceability, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws relating to or affecting creditor's rights from time to time in effect and subject to general equity principles.

(c) The Placement Agent is a member in good standing of FINRA and is registered as a broker-dealer under the Exchange Act, and under the securities acts of each state into which it is making offers or sales of the Shares. The Placement Agent is in compliance with all applicable rules and regulations of the SEC and FINRA, except to the extent that such noncompliance would not have a material adverse effect on the transactions contemplated hereby. None of the Placement Agent or its affiliates, or any person acting on behalf of the foregoing (other than Company or its affiliates or any person acting on its or their behalf, in respect of which no representation is made) has taken nor will it take any action that conflicts with the conditions and requirements of, or that would make unavailable with respect to the Offering, the exemption(s) from registration available pursuant to Rule 506 of Regulation D or Section 4(a)(2) of the Act, or knows of any reason why any such exemption would be otherwise unavailable to it.

(d) None of the execution and delivery of or performance by the Placement Agent under this Agreement or any other agreement or document entered into by the Placement Agent in connection herewith or the consummation of the transactions herein or therein contemplated conflicts with or violates, any agreement or other instrument to which the Placement Agent is a party or by which its assets may be bound, or any term of its certificate of incorporation or by-laws, or any license, permit, judgment, decree, order, statute, rule or regulation applicable to Placement Agent or any of its assets, except in each case as would not have a material adverse effect on the transactions contemplated hereby.

(e) Neither Placement Agent nor any Placement Agent Related Persons (as defined below) are subject to any Disqualification Event. Placement Agent has exercised reasonable care to determine whether any Placement Agent Related Person is subject to a Disqualification Event. The Memorandum contains a true and complete description of the matters required to be disclosed with respect to Placement Agent and Placement Agent Related Persons pursuant to the disclosure requirements of Rule 506(e) of Regulation D, to the extent applicable. As used herein, "**Placement Agent Related Persons**" means any director, general partner, managing member, executive officer, or other officer of Placement Agent participating in the Offering. Placement Agent agrees to promptly notify the Company in writing of (i) any Disqualification Event relating to any Placement Agent Related Person and (ii) any event that would, with the passage of time, become a Disqualification Event relating to any Placement Agent Related Person.

3. Placement Agent Compensation.

(a) In connection with the Offering, the Company will pay at each Closing (as defined in Section 4(e) below) a cash fee (the "**Agent Cash Fee**") to the Placement Agent equal to 10% of the gross proceeds from the sale of the Shares consummated at such Closing. For the avoidance of doubt, the consummation of the sale of Shares pursuant to the Additional Investment Rights will be considered a "Closing" for purposes of payment of the Agent Cash Fee.

(b) As additional compensation, at or within ten (10) business days following the Final Closing, the Company will issue to the Placement Agent (or its designee(s)) for nominal consideration, a five-year warrants (the “**Agent Warrants**”) to purchase such number of shares of the Company’s common stock as is equal to 14.5% of the shares of Common Stock initially issuable upon conversion of the Shares sold at each closing in this Offering and pursuant to the Shares issued pursuant to the Additional Investment Rights as described in the Memorandum. (the “**Agent Warrant Shares**”) at an exercise price equal to the Conversion Price of the Shares issued at such closing or the time of purchase of shares pursuant to the Additional Investment Right (the Agent Cash Fee and Agent Warrants are sometimes referred to herein collectively as “**Agent Compensation**”). The Agent Warrants will be exercisable on a “cashless” basis and for the five-year period following issuance. The Agent Warrants will be in such authorized denominations and will be registered in such names as the Placement Agent shall request in an instruction letter (the “**Agent Warrant Instruction Letter**”) to be delivered to the Company promptly following the Final Closing and the Company shall deliver such Agent Warrants to the Placement Agent within ten (10) business days following the delivery of the Agent Warrant Instruction Letter. For the avoidance of doubt, the consummation of the sale of Shares pursuant to the Additional Investment Rights will be considered a “Closing” for purposes of payment of the Agent Warrants.

(c) At each Closing, the Company will pay Aegis a non-accountable expense allowance equal to 3% of the aggregate purchase price of the Shares sold at such Closing (the “**Agent Expense Allowance**”). The Agent Expense Allowance payable at the First Closing shall be reduced by the \$25,000 advance paid to Aegis or its counsel previously. The Placement Agent will not bear any of the Company’s legal, accounting, printing or other expenses in connection with any transaction contemplated hereby. Aegis will pay for its own expenses, including all its legal fees and expenses, from the Agent Expense Allowance.

(d) The Company shall also pay and issue to the Placement Agent the Agent Compensation calculated according to the percentages set forth in Sections 3(a) and (b) of this Agreement, if any person or entity contacted by the Placement Agent and provided with a Memorandum during the Offering Period and with whom the Placement Agent has discussions regarding a potential investment in the Offering, invests in the Company (other than through open or public market purchases or securities purchased in any underwritten public offering) and irrespective of whether such potential investor purchased Shares in the Offering (the “**Tail Investors**”) at any time prior to the earlier of the date that is twelve (12) months after the Termination Date or the Final Closing (“**Tail Period**”), whichever is applicable. The names of Tail Investors shall be provided in writing by the Placement Agent to the Company upon written request following the Termination Date or the Final Closing, as the case may be (the “**Tail Investor List**”). The Company acknowledges and agrees that the Tail Investor List is proprietary to the Placement Agent, shall be maintained in strict confidence by the Company and those persons/entities on such list shall not be contacted by the Company without the Placement Agent’s prior written consent; *provided, however*, that such restrictions shall not apply to ordinary course shareholder communications by the Company to its shareholders, including those Tail Investors that are shareholders of the Company. In the event the Placement Agent exercises its right of first refusal with respect to an offering pursuant to the provisions of Section 3(e) below, the specific compensation terms to the Placement Agent that are negotiated in such offering shall govern and the provisions of this Section 3(d) will not be operative with respect to such offering.

(e) Effective upon the sale of at least \$10,000,000 in the Offering, the Company agrees to grant to Aegis, for a period of twelve (12) months following the Final Closing (the “**ROFR Term**”), the irrevocable preferential right of first refusal to act as lead placement agent for any proposed private placement of the Company’s securities (equity or debt) that is proposed to be consummated to investors in the United States with the assistance of a registered broker dealer. In that regard, it is understood that if the Company determines to pursue such a financing during the ROFR Term and wishes to engage a placement agent to assist in connection with such offering, the Company shall promptly provide the Placement Agent with a written notice of such intention and statement of terms (the “**Notice**”). If, within ten (10) business days of the receipt of the Notice, the Placement Agent does not accept in writing such offer to act as lead placement agent with respect to such offering upon the terms proposed, then the Company shall be entitled to engage a placement agent other than Aegis; provided that the terms of the compensation to be paid to such other placement agent or underwriter are not materially less favorable to the Company than the terms included in the Notice. The Placement Agent’s failure to exercise these preferential rights in any situation shall not affect its preferential rights to any subsequent offering during the ROFR Term. The Company represents and warrants that no other person has any right to participate in any offer, sale or distribution of the Company’s securities to which Aegis’ preferential rights shall apply.

4. Subscription and Closing Procedures.

(a) The Company shall cause to be delivered to the Placement Agent copies of the Memorandum, consents to the use of such copies for the purposes permitted by the Act and applicable securities laws and in accordance with the terms and conditions of this Agreement, and hereby authorizes Placement Agent and its agents and employees to use the Memorandum in connection with the offering of the Shares until the earlier of (i) the Termination Date or (ii) the Final Closing. No person or entity is or will be authorized to give any information or make any representations other than those contained in the Memorandum or to use any offering materials other than those contained in the Memorandum in connection with the sale of the Shares.

(b) During the Offering Period, the Company shall make available to the Placement Agent and its representatives such information as may be reasonably requested in making a reasonable investigation of the Company Group and their respective affairs and shall provide access to such employees during normal business hours as shall be reasonably requested by the Placement Agent.

(c) Each prospective purchaser will be required to complete and execute an original signature pages to the Subscription Agreement (the “**Subscription Documents**”), which will be forwarded or delivered to the Placement Agent at the Placement Agent’s offices at the address set forth in Section 12 hereof, together with the subscriber’s wire transfer in the full amount of the purchase price for the number of Shares desired to be purchased, subject to the Escrow Agent’s (as defined below) right to accept a check in lieu of a wire transfer.

(d) All funds for subscriptions received by the Placement Agent from the Offering (not otherwise wired directly to the Escrow Agent) will be promptly forwarded by the Placement Agent and deposited into a non-interest-bearing escrow account (the “**Escrow Account**”) established for such purpose with Signature Bank, New York, New York (the “**Escrow Agent**”). All such funds for subscriptions will be held in the Escrow Account pursuant to the terms of an escrow agreement among the Company, the Placement Agent and the Escrow Agent (the “**Escrow Agreement**”). The Company will pay all fees related to the establishment and maintenance of the Escrow Account and comply with procedures required by the Escrow Agent. The Company will either accept or reject, for any or no reason, the Subscription Documents in a timely fashion and at each Closing, the Company will countersign the Subscription Documents and provide duplicate copies of such documents to the Placement Agent for distribution to the subscribers. The Placement Agent, on the Company’s behalf, will promptly return to subscribers incomplete, improperly completed, improperly executed and rejected subscriptions.

(e) If subscriptions for at least the Minimum Offering Amount have been accepted prior to the Termination Date, the funds therefor have been collected by the Escrow Agent and all of the conditions set forth elsewhere in this Agreement are fulfilled, the First Closing shall be held promptly with respect to Shares sold. Thereafter remaining Shares will continue to be offered and sold until the Termination Date and additional closings (each a “Closing”) may from time to time be conducted at times mutually agreed to by the Placement Agent and the Company with respect to additional Shares sold, with the final closing (“Final Closing”) to occur within ten (10) days after the earlier of the Termination Date and the date on which the all Shares has been fully subscribed for. Delivery of payment for the accepted subscriptions for Shares from funds held in the Escrow Account will be made at each Closing against delivery of the Shares by the Company. The Shares will be issued to the investors in the Offering in book entry format at each Closing.

(f) If Subscription Documents for at least the Minimum Offering Amount have not been received and accepted by the Company on or before the Termination Date for any reason, the Offering will be terminated, no Shares will be sold, and pursuant to the terms of the Escrow Agreement, the Escrow Agent will, at the Company’s and the Placement Agent’s written direction, cause all monies received from subscribers for the Shares to be promptly returned to such subscribers without interest, penalty, expense or deduction and the Placement Agent and Company will promptly cooperate to accomplish the foregoing, including providing Escrow Agent with any requested written instructions in such regard.

5. Further Covenants. The Company hereby covenants and agrees that:

(a) Except upon prior written notice to the Placement Agent, the Company shall not, at any time prior to the Final Closing, knowingly take any action which would cause any of the representations and warranties made by it in this Agreement not to be complete and correct in all material respects on and as of each Closing Date with the same force and effect as if such representations and warranties had been made on and as of each such date (except to the extent any representation or warranty relates to an earlier date).

(b) If, at any time prior to the Final Closing, any event shall occur that causes a Company Group Material Adverse Effect or otherwise which as a result it becomes necessary to amend or supplement the Memorandum so that the representations and warranties herein remain true and correct in all material respects, or in case it shall be necessary to amend or supplement the Memorandum to comply with Regulation D or any other applicable securities laws or regulations, the Company will promptly notify the Placement Agent and shall, at its sole cost, prepare and furnish to the Placement Agent copies of appropriate amendments and/or supplements in such quantities as the Placement Agent may reasonably request for delivery by the Placement Agent to potential subscribers. The Company will not at any time before the Final Closing prepare or use any amendment or supplement to the Memorandum of which the Placement Agent will not previously have been advised and furnished with a copy, or which is not in compliance in all material respects with the Act and other applicable securities laws. As soon as the Company is advised thereof, the Company will advise the Placement Agent and its counsel, and confirm the advice in writing, of any order preventing or suspending the use of the Memorandum, or the suspension of any exemption for such qualification or registration thereof for offering in any jurisdiction, or of the institution or threatened institution of any proceedings for any of such purposes, and the Company will use its reasonable best efforts to prevent the issuance of any such order and, if issued, to obtain as soon as reasonably possible the lifting thereof.

(c) The Company shall comply with the Act, the Exchange Act and the rules and regulations thereunder, all applicable state securities laws and the rules and regulations thereunder in the states in which the Company’s blue sky counsel has advised the Placement Agent that the Shares are qualified or registered for sale or exempt from such qualification or registration, so as to permit the continuance of the sales of the Shares, and will file or cause to be filed with the SEC, and shall promptly thereafter forward or cause to be forwarded to the Placement Agent, any and all reports on Form D as are required.

(d) The Company shall use its best efforts to qualify the Shares for sale under the securities laws of such jurisdictions in the United States as may be mutually agreed to by the Company and the Placement Agent, and Company will make or cause to be made such applications and furnish information as may be required for such purposes, provided that Company will not be required to qualify as a foreign corporation in any jurisdiction or execute a general consent to service of process. The Company will, from time to time, prepare and file such statements and reports as are or may be required to continue such qualifications in effect for so long a period as the Placement Agent may reasonably request with respect to the Offering.

(e) The Company shall place a legend on the certificates representing the Shares and the Agent Warrants that the securities evidenced thereby have not been registered under the Act or applicable state securities laws, setting forth or referring to the applicable restrictions on transferability and sale of such securities under the Act and applicable state laws.

(f) The Company shall apply the net proceeds from the sale of the Shares for the purposes substantially as described in the Memorandum. Except as set forth in the Memorandum, the Company shall not use any of the net proceeds of the Offering to repay indebtedness to officers (other than accrued salaries incurred in the ordinary course of business), directors or shareholders of the Company without the prior written consent of the Placement Agent.

(g) During the Offering Period, the Company shall afford each prospective purchaser of Shares the opportunity to ask questions of and receive answers from an officer of the Company concerning the terms and conditions of the Offering and the opportunity to obtain such other additional information necessary to verify the accuracy of the Memorandum to the extent the Company possesses such information or can acquire it without unreasonable expense. In addition, to the extent that any purchaser of Shares has inquiries concerning any of the business or operations of any member of the Company Group, the Company shall use reasonable best efforts to ensure that officers of such members are made available to respond to such inquiries.

(h) Except upon obtaining the prior written consent of Aegis, which consent shall not be unreasonably withheld, the Company shall not, at any time prior to the earlier of the Final Closing or the Termination Date, except as contemplated by the Memorandum (i) engage in or commit to engage in any transaction outside the ordinary course of business, (ii) issue, agree to issue or set aside for issuance any securities (debt or equity) or any rights to acquire any such securities; provided, however, that the Company shall be permitted to issue stock options and/or restricted stock to officers, advisors, directors and employees of the Company pursuant to its existing equity incentive plan as described in the SEC Reports, (ii) incur, outside of the ordinary course of business, any material indebtedness, (iii) dispose of any material assets, (iv) make any acquisition (except to the extent specifically referenced in the Memorandum) or (v) change its business or operations.

(i) The Company shall pay all reasonable expenses incurred in connection with the preparation and printing of all necessary offering documents and instruments related to the Offering and the issuance of the Shares and the Agent Warrants and will also pay its own expenses for accounting fees, legal fees and other costs involved with the Offering. All blue sky filings related to this Offering shall be prepared by the Company's counsel, at the Company's expense, with copies of all filings to be promptly forwarded to the Placement Agent. Further, as promptly as practicable after the Final Closing, the Company shall prepare, at its own expense, velobound "closing binders" relating to the Offering and will distribute one such binder to each of the Placement Agent and its counsel.

(j) Until the earlier of the Termination Date or the Final Closing, the Company will not, nor will any person or entity acting on Company's behalf, negotiate with any other placement agent or underwriter with respect to a private or public offering of such entity's debt or equity securities. Neither the Company nor anyone acting on the Company's behalf will, until the earlier of the Termination Date or the Final Closing, without the prior written consent of the Placement Agent, offer for sale to, or solicit offers to subscribe for any securities of the Company from, or otherwise approach or negotiate in respect thereof with, any other person.

(k) As reflected in its SEC filings, the Company is subject to (i) an Equity Distribution Agreement dated September 3, 2021 with two investment banks (the “**Agents**”), pursuant to which the Company may offer and sell, from time to time, through the Agents (the “**ATM Offering**”), up to \$75 million of its shares of common stock and (ii) a common stock purchase agreement dated March 25, 2022 (the “**Purchase Agreement**”) with Tumim Stone Capital, LLC pursuant to which the Company has the right, but not the obligation, to sell to Tumim, and Tumim is obligated to purchase, up to \$10,000,000 of newly issued shares of the Company’s common stock from time to time during the term of the Purchase Agreement (the “**ELOC**”). With respect to the ATM Offering and the ELOC, the Company agrees as follows:

- a. During the Offering Period, the Company shall not access funds or otherwise utilize either the ATM or the ELOC.
- b. If less than \$10,000,000 of gross proceeds is raised in the Offering, there shall be no restrictions to the Company’s ability to access funds or otherwise utilize either the ATM or the ELOC
- c. If between \$10,000,000 and \$19,999,999 of gross proceeds is raised in the Offering, the Company shall not access funds or otherwise utilize either the ATM or the ELOC until the registration statement required to be filed pursuant to the Registration Rights Agreement is declared effective by the SEC (“**Effective Date**”) and a period of 45 days have elapsed from such date; and
- d. If more than \$20,000,000 of gross proceeds is raised in the Offering, the ability of the Company to access funds or otherwise utilize either the ATM or the ELOC shall be permitted but only following obtaining the written consent of the Placement Agent; *provided, however*, the foregoing consent shall not be required after six (6) months following the Effective Date, after which time the Company shall have the ability to access funds or otherwise utilize either the ATM or the ELOC without restriction.

5A. Placement Agent Further Covenants. The Placement Agent shall not, at any time during the Offering Period, knowingly take any action which would cause any of the representations and warranties made by it in this Agreement not to be complete and correct in all material respects on and as of each Closing Date with the same force and effect as if such representations and warranties had been made on and as of each such date (except to the extent any representation or warranty relates to an earlier date). Offers and sales of the Shares by the Placement Agent will be made in accordance with this Agreement and in compliance with the provisions of Regulation D, Regulation S, if applicable, and the Securities Act.

6. Conditions of Placement Agent’s Obligations. The obligations of the Placement Agent hereunder to effect a Closing are subject to the fulfillment, at or before each Closing, of the following additional conditions:

(a) Each of the representations and warranties made in this Agreement by the Company qualified as to materiality shall be true and correct at all times prior to and on each Closing Date, except to the extent any such representation or warranty expressly relates to an earlier date, in which case such representation or warranty shall be true and correct as of such earlier date, and the representations and warranties made by the Company not qualified as to materiality shall be true and correct in all material respects at all times prior to and on each Closing Date, except to the extent any such representation or warranty expressly relates to an earlier date, in which case such representation or warranty shall be true and correct in all material respects as of such earlier date.

(b) The Company shall have performed and complied in all material respects with all agreements, covenants and conditions required to be performed and complied with by the Company at or before the Closing.

(c) The Memorandum shall not, and as of the date of any amendment or supplement thereto will not, include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; for purposes of this Agreement, any SEC Report filed by the Company shall modify or otherwise supplement the Memorandum without any further action required by the Company.

(d) The Company shall have obtained all consents, waivers and approvals required to be obtained by such parties in connection with the consummation of the transactions contemplated hereby.

(e) No order suspending the use of the Memorandum or enjoining the Offering or sale of the Shares shall have been issued, and no proceedings for that purpose or a similar purpose shall have been initiated or pending, or, to Company's knowledge, threatened.

(f) The Placement Agent shall have received a certificate of an officer of the Company, dated as of the date of such Closing, certifying, as to the fulfillment of the conditions set forth in subparagraphs (a), (b), (c), (d) and (e) above.

(g) Prior to the First Closing, the Company shall have delivered to the Placement Agent: (i) a certified charter document and good standing certificate for the Company and each Subsidiary, each dated as of a date within ten (10) days prior to the First Closing from the secretary of state of its jurisdiction of incorporation or formation, as applicable, and (ii) resolutions of the Company's board of directors approving this Agreement and the transactions and agreements contemplated by this Agreement, certified by the Chief Executive Officer of the Company.

(h) At each Closing, the Company shall pay and/or issue to the Placement Agent the Agent Cash Fee and Agent Expense Allowance earned in such Closing. Promptly following the Final Closing, the Placement Agent shall provide the Company with instructions with respect to the issuance of the Agent Warrants and the Company shall promptly issue said Agent Warrants and deliver same to the Placement Agent.

(i) At each Closing, the Company shall deliver to the Placement Agent a signed opinion of Disclosure Law Group, counsel to the Company, dated as of each such Closing Date, substantially in the form annexed hereto as Exhibit A.

(j) Prior to each Closing, the Company shall provide evidence of the filing of the Certificate of Designation on the Series AA Preferred Stock with the State of Delaware covering the Shares issued at such Closing.

(k) All proceedings taken at or prior to any Closing in connection with the authorization, issuance and sale of the Shares will be reasonably satisfactory in form and substance to the Placement Agent and its counsel, and such counsel shall have been furnished with all such documents and certificates as it may reasonably request upon reasonable prior notice in connection with the transactions contemplated hereby.

(l) At each Closing, the Company shall provide irrevocable instructions to its transfer agent to issue into treasury shares, and reserve for future and automatic issuance upon the requested conversion of the Shares by any holder, such number of shares of Common Stock issuable upon the conversion of the Shares sold in such Closing.

7. Conditions of Company's Obligations. The obligations of the Company hereunder to effect a Closing are subject to the fulfillment, at or before such Closing, of the following additional conditions or subject to the waiver of such condition or conditions by the Company:

(a) Each of the representations and warranties made in this Agreement by the Placement Agent qualified as to materiality shall be true and correct at all times prior to and on each Closing Date, except to the extent any such representation or warranty expressly relates to an earlier date, in which case such representation or warranty shall be true and correct as of such earlier date, and the representations and warranties made by the Placement Agent not qualified as to materiality shall be true and correct in all material respects at all times prior to and on each Closing Date, except to the extent any such representation or warranty expressly relates to an earlier date, in which case such representation or warranty shall be true and correct in all material respects as of such earlier date.

(b) The Placement Agent shall have performed and complied in all material respects with all agreements, covenants and conditions required to be performed and complied with by it at or before the Closing.

(c) The Company shall have received a certificate of an officer of the Placement Agent, dated as of the Closing Date, certifying, as to the fulfillment of the conditions set forth in subparagraphs (a) and (b) above.

(d) No order suspending the use of the Memorandum or enjoining the Offering or sale of the Shares shall have been issued, and no proceedings for that purpose or a similar purpose shall have been initiated or pending, or, to the Company's knowledge, be contemplated or threatened.

8. Indemnification.

(a) The Company will: (i) indemnify and hold harmless the Placement Agent, its officers, directors, partners, employees, agents (including subagents and selected dealers) and each person, if any, who controls the Placement Agent within the meaning of the Section 15 of the Act or Section 20(a) of the Exchange Act (each an "**Indemnitee**") against, and pay or reimburse each Indemnitee for, any and all losses, claims, damages, liabilities or expenses whatsoever (or actions or proceedings or investigations in respect thereof), joint or several (which will, for all purposes of this Agreement, include, but not be limited to, all reasonable costs of defense and investigation and all reasonable attorneys' fees, including appeals), to which any Indemnitee may become subject under the Act or otherwise, in connection with the offer and sale of the Shares, insofar as such losses, claims, damages, liabilities or expenses arise out of or relate to a breach of any representation, warranty or covenant made by the Company herein, regardless of whether such losses, claims, damages, liabilities or expenses shall result from any claim by any Indemnitee or by any third party; and (ii) reimburse each Indemnitee for any legal or other expenses reasonably and actually incurred in connection with investigating or defending against any such loss, claim, action, proceeding or investigation; *provided, however*, that the Company will not be liable in any such case to the extent that any such claim, damage or liability is finally judicially determined to have resulted primarily and directly from (A) an untrue statement or alleged untrue statement of a material fact made in the Memorandum, or an omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, made solely in reliance upon and in conformity with written information furnished to the Company by the Placement Agent specifically for use in the Memorandum, (B) any violations by the Placement Agent of the Act, state securities laws or any rules or regulations of FINRA, which does not result from a violation thereof by the Company or any of its affiliates, or (C) the Placement Agent's willful misconduct or gross negligence. In addition to the foregoing agreement to indemnify and reimburse, the Company will indemnify and hold harmless each Indemnitee against any and all losses, claims, damages, liabilities or expenses whatsoever (or actions or proceedings or investigations in respect thereof), joint or several (which shall, for all purposes of this Agreement, include, but not be limited to, all reasonable costs of defense and investigation and all reasonable attorneys' fees, including appeals) to which any Indemnitee may become subject insofar as such costs, expenses, losses, claims, damages or liabilities arise out of or are based upon the claim of any person or entity that he or it is entitled to broker's or finder's fees from any Indemnitee in connection with the Offering, other than fees due to the Placement Agent. The foregoing indemnity agreements will be in addition to any liability the Company may otherwise have.

(b) Aegis will indemnify and hold harmless the Company and its officers, directors, and each person, if any, who controls such entity within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act against, and pay or reimburse any such person for, any and all losses, claims, damages, liabilities or expenses whatsoever (or actions, proceedings or investigations in respect thereof) to which the Company or any such person may become subject under the Act or otherwise, whether such losses, claims, damages, liabilities or expenses shall result from any claim of the Company or by any third party, but only to the extent that such losses, claims, damages or liabilities are finally judicially determined to have resulted primarily from or as a result of (i) any untrue statement or alleged untrue statement of any material fact contained in the Memorandum made in reliance upon and in conformity with information contained in the Memorandum relating to the Placement Agent, or an omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, in either case, if made or omitted in reliance upon and in conformity with written information furnished to the Company by the Placement Agent, specifically for use in the Memorandum or (ii) any violations by the Placement Agent of the Act or state securities laws which does not result from a violation thereof by the Issuer, the Operating Company or any of their respective affiliates, the Placement Agent's willful misconduct or gross negligence. The Placement Agent will reimburse the Company, and any such person for any legal or other expenses reasonably incurred in connection with investigating or defending against any such loss, claim, damage, liability or action, proceeding or investigation to which such indemnity obligation applies. The foregoing indemnity agreements are in addition to any liability which the Placement Agent may otherwise have. Notwithstanding the foregoing, in no event shall the Placement Agent's indemnification obligation hereunder exceed the aggregate amount of the Agent Cash Fees received by the Placement Agent hereunder.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, claim, proceeding or investigation (the "**Action**"), such indemnified party, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, will notify the indemnifying party of the commencement thereof, but the omission to so notify the indemnifying party will not relieve it from any liability that it may have to any indemnified party under this Section 8 unless the indemnifying party has been substantially prejudiced by such omission. The indemnifying party will be entitled to participate in and, to the extent that it may wish, jointly with any other indemnifying party, to assume the defense thereof subject to the provisions herein stated, with counsel reasonably satisfactory to such indemnified party. The indemnified party will have the right to employ separate counsel in any such Action and to participate in the defense thereof, but the fees and expenses of such counsel will not be at the expense of the indemnifying party if the indemnifying party has assumed the defense of the Action with counsel reasonably satisfactory to the indemnified party, *provided, however*, that if the indemnified party shall be requested by the indemnifying party to participate in the defense thereof or shall have concluded in good faith and specifically notified the indemnifying party either that there may be specific defenses available to it that are different from or additional to those available to the indemnifying party or that such Action involves or could have a material adverse effect upon it with respect to matters beyond the scope of the indemnity agreements contained in this Agreement, then the counsel representing it, to the extent made necessary by such defenses, shall have the right to direct such defenses of such Action on its behalf and in such case the reasonable fees and expenses of such counsel in connection with any such participation or defenses shall be paid by the indemnifying party. No settlement of any Action against an indemnified party will be made without the consent of the indemnifying party and the indemnified party, which consent shall not be unreasonably withheld, delayed or conditioned in light of all factors of importance to such party, and no indemnifying party shall be liable to indemnify any person for any settlement of any such claim effected without such indemnifying party's consent.

9. Contribution. To provide for just and equitable contribution, if: (i) an indemnified party makes a claim for indemnification pursuant to Section 8 hereof and it is finally determined, by a judgment, order or decree not subject to further appeal that such claims for indemnification may not be enforced, even though this Agreement expressly provides for indemnification in such case; or (ii) any indemnified or indemnifying party seeks contribution under the Act, the Exchange Act, or otherwise, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Placement Agent on the other in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Placement Agent on the other shall be deemed to be in the same proportion as the total net proceeds from the Offering (before deducting expenses) received by the Company bear to the total Agent Cash Fees received by the Placement Agent. The relative fault, in the case of an untrue statement, alleged untrue statement, omission or alleged omission will be determined by, among other things, whether such statement, alleged statement, omission or alleged omission relates to information supplied by the Company or by the Placement Agent, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement, alleged statement, omission or alleged omission. The Company and the Placement Agent agree that it would be unjust and inequitable if the respective obligations of the Company and the Placement Agent for contribution were determined by *pro rata* allocation of the aggregate losses, liabilities, claims, damages and expenses or by any other method or allocation that does not reflect the equitable considerations referred to in this Section 9. No person guilty of a fraudulent misrepresentation (within the meaning of Section 10(f) of the Act) will be entitled to contribution from any person who is not guilty of such fraudulent misrepresentation. For purposes of this Section 9, each person, if any, who controls the Placement Agent within the meaning of the Act will have the same rights to contribution as the Placement Agent, and each person, if any, who controls the Company within the meaning of the Act will have the same rights to contribution as the Company, subject in each case to the provisions of this Section 9. Anything in this Section 9 to the contrary notwithstanding, no party will be liable for contribution with respect to the settlement of any claim or action effected without its written consent. This Section 9 is intended to supersede, to the extent permitted by law, any right to contribution under the Act, the Exchange Act or otherwise available.

10. Termination.

(a) The Offering may be terminated by the Placement Agent at any time prior to the expiration of the Offering Period in the event that: (i) any of the representations, warranties or covenants of the Company contained herein or in the Memorandum shall prove to have been false or misleading in any material respect when actually made; (ii) the Company shall have failed to perform any of its material obligations hereunder or under any other Transaction Documents; (iii) there shall occur any event that could reasonably be expected to result in a Company Group Material Adverse Effect or (iv) either party hereto determines that it is reasonably likely that any of the conditions to Closing set forth herein will not, or cannot, be satisfied. In the event of any such termination by the Placement Agent pursuant to the above, the Placement Agent shall be entitled to retain any Agent Compensation already earned (if any, at such point in time) and receive from the Company, within five (5) business days of the Termination Date, in addition to other rights and remedies it may have hereunder, at law or otherwise, an amount equal the sum of upon presentation of a written accounting in reasonable detail, reimbursement of Placement Agent's reasonable and actual out-of-pocket expenses related to the Offering in excess of the foregoing retainer, including but not limited to fees and expenses of its legal counsel (not to exceed \$75,000), travel expenses and due diligence related expenditures (collectively, the "**PA Expense Reimbursement**") and the provisions of Sections 3(d) and 3(e) shall survive in full force and effect.

(b) This Offering may be terminated by the Company at any time prior to the expiration of the Offering Period on account of the Placement Agent's fraud, willful misconduct or gross negligence. In the event of any such termination pursuant to this Section 10(b), the Placement Agent shall not be entitled to any further compensation pursuant to these termination provisions.

(c) In the event the Company unilaterally decides for any reason (other than pursuant to Sections 10(b), above) to terminate the Offering at any time prior to the earlier of the First Closing or the Termination Date (the "**Unilateral Termination**"), the Placement Agent shall be entitled to receive from the Company within five (5) business days of such termination the sum of \$100,000 plus the PA Expense Reimbursement. In addition, if within twelve (12) months after the Unilateral Termination, the Company conducts a public or private offering of its securities, other than pursuant to, or under the terms of the ELOC or the ATM Offering, then upon the closing of any such transaction, the Company shall pay the Placement Agent in cash, within five (5) business days of the closing of any such transaction, an amount equal to 1.5% of the gross proceeds from such private or public offering; provided that such percentage shall be the applicable percentages set forth in section 3(d) hereto with respect to any gross proceeds from Tail Investors.

(d) This Offering may be terminated upon mutual agreement of the Company and the Placement Agent, at any time prior to the expiration of the Offering Period. In addition, upon the expiration of the Offering Period, the Offering shall terminate without any further action of the parties hereto. If the Offering is terminated pursuant to this Section 10(d), then in cases in which no Closing had been theretofore consummated, the Company's sole obligation to the Placement Agent shall be the PA Expense Reimbursement which shall be paid within five (5) business days of such termination.

(e) Before any termination by the Placement Agent under Section 10(a) or by the Company under Section 10(b) shall become effective, the terminating party shall give written notice to the other party of its intention to terminate the Offering, which shall set forth the specific grounds for the proposed termination (the "**Termination Notice**"). If the specified grounds for termination, or their resulting adverse effect on the transactions contemplated hereby, are curable, then the other party shall have ten (10) days from the Termination Notice within which to remove such grounds or to eliminate all of their material adverse effects on the transactions contemplated hereby; otherwise, the Offering shall terminate.

(f) Upon any termination pursuant to this Section 10, the parties to this Agreement will promptly instruct Escrow Agent to cause all monies received with respect to the subscriptions for Shares not closed upon to be promptly returned to such subscribers without interest, penalty or deduction.

11. Survival.

(a) The obligations of the parties to pay any costs and expenses hereunder and to provide indemnification and contribution as provided herein shall survive any termination or completion of the Offering. In addition, the provisions of Sections 3(d), 3(e), 3(f), 3(g) and 10 through 17 hereof shall also survive the termination or expiration of this Offering.

(b) The respective indemnities, covenants, representations, warranties and other statements of Company and the Placement Agent set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of, and regardless of any access to information by, the Company, the Company or the Placement Agent, or any of their officers or directors or any controlling person thereof, and will survive the sale of the Shares or any termination of the Offering hereunder for a period of two (2) years from the earlier to occur of the Final Closing or the termination of the Offering.
