Item 1.01 Entry into a Material Definitive Agreement.

Subscription Agreements

On June 26, 2024, Super League Enterprise, Inc. (the “*Company*”) entered into subscription agreements (each, a “*Subscription Agreement*” and collectively, the “*Subscription Agreements*”) with accredited investors with respect to the sale of an aggregate of 1,210 shares of newly designated Series AAA Junior Convertible Preferred Stock, par value \$0.001 per share (the “*Series AAA Preferred*”), at a purchase price of \$1,000 per share, for aggregate gross proceeds to the Company of approximately \$1,210,000 (the “*Offering*”).

In connection with the Offering, on June 26, 2024 (the “*Filing Date*”), the Company filed a Certificate of Designation of Preferences, Rights and Limitations of the Series AAA Junior Convertible Preferred Stock (the “*Series AAA Certificate of Designation*”) with the State of Delaware.

Each share of Series AAA Preferred is convertible at the option of the holder, subject to certain beneficial ownership limitations and primary market limitations as set forth in each Series AAA Certificate of Designation, into such number of shares of the Company’s common stock, par value \$0.001 (the “*Common Stock*”), equal to the number of Series AAA Preferred to be converted, multiplied by the stated value of \$1,000 (the “*Stated Value*”), divided by the conversion price in effect at the time of the conversion (the initial conversion price will be \$1.25 for the Series AAA Preferred, subject to adjustment in the event of stock splits, stock dividends, certain fundamental transactions and future issuances of equity securities as described below).

The Series AAA Preferred shall vote together with the common stock on an as-converted basis, and not as a separate class, subject to the beneficial ownership and primary market limitations, except that holders of Series AAA Preferred shall vote as a separate class with respect to (a) amending, altering, or repealing any provision of the Series AAA Certificate of Designation in a manner that adversely affects the powers, preferences or rights of the Series AAA Preferred, (b) increasing the number of authorized shares of Series AAA Preferred, (c) authorizing or issuing an additional class or series of capital stock that ranks senior to the Series AAA Preferred with respect to the distribution of assets on liquidation, or (d) entering into any agreement with respect to the foregoing. In addition, no holder of Series AAA Preferred shall be entitled to vote on any matter presented to the Company’s stockholders relating to approving the conversion of such holder’s Series AAA Preferred into an amount in excess of the primary market limitations. Upon any dissolution, liquidation or winding up, whether voluntary or involuntary, holders of Series AAA Preferred (together with any Parity Securities (as defined in the Series AAA Certificate of Designations)) will be entitled to receive distributions out of the Company’s assets in an amount per share equal to the Stated Value plus all accrued and unpaid dividends, whether capital or surplus before any distributions shall be made on any shares of Common Stock (after the payment to any senior security, if any).

Holders of the Series AAA Preferred will be entitled to receive dividends, subject to the beneficial ownership and primary market limitations, payable in the form of that number of shares of Common Stock equal to 20% of the shares of Common Stock underlying the Series AAA Preferred then held by such holder on the 30 day, 60 day, and 90 day anniversaries of the Filing Date. In addition, subject to the beneficial ownership and primary market limitations, holders of Series AAA Preferred will be entitled to receive dividends equal, on an as-if-converted to shares of Common Stock basis, and in the same form as dividends actually paid on shares of the common stock when, as, and if such dividends are paid on shares of the common stock. Notwithstanding the foregoing, to the extent that a holder’s right to participate in any dividend in shares of common stock to which such holder is entitled would result in such holder exceeding the beneficial ownership and/or primary market limitations, then such holder shall not be entitled to participate in any such dividend to such extent and the portion of such shares that would cause such holder to exceed the beneficial ownership and/or primary market limitations shall be held in abeyance for the benefit of such holder until such time, if ever, as such holder’s beneficial ownership thereof would not result in such holder exceeding the beneficial ownership and primary market limitations.

Subject to the approval by a majority of the voting securities of the Company (the “*Stockholder Approval*”), pursuant to the Subscription Agreements, purchasers shall have the right to purchase shares of a newly designated series of Preferred Stock of the Company containing comparable terms (except for adjustments to the Conversion Price based on future equity issuances) as the Series AAA Preferred (the “*Additional Investment Right*”) from the date of each respective closing through the date that is 18 months thereafter for an additional dollar amount equal to its initial investment amount at \$1,000 per share (the “*Original Issue Price*”), with a conversion price equal to the conversion price of the Series AAA Preferred in effect on the Filing Date (i.e., the original conversion price of \$1.25). No further additional investment rights shall be granted to investors that exercise the Additional Investment Rights.

Further subject to the effectiveness of the Stockholder Approval, for twenty-four (24) months after the Filing Date, and subject to certain carveouts as described in the Series AAA Certificates of Designations, if the Company conducts an offering at a price per share less than the then effective conversion price (the “*Future Offering Price*”) consisting of common stock, convertible or derivative instruments, and undertaken in an arms-length third party transaction, then in such event the conversion price of the Series AAA Preferred shall be adjusted to the Future Offering Price, but not less than the Conversion Price Floor (as defined in the Series AAA Certificate of Designations).

The Company and the investors in the Offering also executed a registration rights agreement (the “*Registration Rights Agreement*”), pursuant to which the Company agreed to file a registration statement covering the resale of the shares of Common Stock issuable upon conversion of the Series AAA Preferred within sixty days following the final closing of the Offering and to use its best efforts to cause such registration statement to become effective within 90 days of the filing date.

The Subscription Agreements and the Registration Rights Agreement (collectively, the “*Transaction Documents*”) contain representations and warranties that the parties made to, and solely for the benefit of, the other signatories to the Transaction Documents in the context of the terms and conditions thereof and in the context of the specific relationship between the parties to the Transaction Documents. The provisions of such Transaction Documents, including the representations and warranties contained therein, are not for the benefit of any party other than the party signatories thereto and are not intended for investors and the public to obtain factual information about the current state of affairs of the parties to such Transaction Documents. Rather, investors and the public should refer to other disclosures contained in the Company’s filings with the U.S. Securities and Exchange Commission with respect to obtaining such factual information.

The Company sold and offered the shares of Series AAA Preferred pursuant to a Placement Agency Agreement (the “*Placement Agency Agreement*”) with a registered broker dealer, which acted as the Company’s exclusive placement agent (the “*Placement Agent*”) for the Offering. Pursuant to the terms of the Placement Agency Agreement, in connection with the June 26, 2024 closing of the Offering, the Company paid the Placement Agent an aggregate cash fee of \$121,000, non-accountable expense allowance of \$24,200 and will issue to the Placement Agent or its designees warrants (the “*Placement Agent Warrants*”) to purchase 140,360 shares of Common Stock at an exercise price of \$1.25 per share. The Placement Agent shall also earn fees and be issued additional Placement Agent Warrants with respect to any securities issued pursuant to the Additional Investment Rights.

The securities issued in the Offering are exempt from the registration requirements of the Securities Act of 1933, as amended (the “*Securities Act*”), pursuant to Section 4(a)(2) of the Securities Act and/or Rule 506(b) of Regulation D promulgated thereunder because, among other things, the transaction did not involve a public offering, the investors (including the Holders) are accredited investors, the investors are purchasing and/or exchanging the securities, as applicable, for investment and not for resale and the Company took appropriate measures to restrict the transfer of the securities. The securities have not been registered under the Securities Act and may not be sold in the United States absent registration or an exemption from registration. This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

The forgoing descriptions of the Series AAAPreferred Certificate of Designation, Form of Subscription Agreement, Form of Registration Rights Agreement, and Form of Placement Agent Warrants are qualified in their entirety by reference to the full text of such documents, copies of which are filed as Exhibit 3.1, Exhibit 10.1, and Exhibit 10.2, respectively, to this Current Report on Form 8-K. The foregoing description of the Placement Agency Agreement is qualified by reference to the full text of such document, a copy of which will be filed in the Company’s next periodic report due to be filed under the Exchange Act.

The response to this item is included in Item 1.01, Entry into a Material Definitive Agreement, and is incorporated herein in its entirety.

Section 4. Voting Rights. On any matter presented to the stockholders of the Company for their action or consideration at any meeting of stockholders of the Company (or by written consent of stockholders in lieu of meeting), and subject to the limitations set forth in Section 6(e) and 6(f), each Holder of outstanding shares of Series AAA Junior Preferred Stock shall be entitled to cast the number of votes equal to the number of whole shares of Common Stock into which the shares of Series AAA Junior Preferred Stock held by such holder are convertible as of the record date for determining stockholders entitled to vote on such matter. Except as provided by law or by the other provisions of the Certificate of Incorporation, Holders of Series AAA Junior Preferred Stock shall vote together with the holders of Common Stock as a single class. The Holders shall be entitled to the same notice of any regular or special meeting of the stockholders as may or shall be given to holders of Common Stock entitled to vote at such meetings. As long as any shares of Series AAA Junior Preferred Stock are outstanding, the Company may not, without the affirmative vote of the Majority Holders voting as a separate class, (i) amend, alter or repeal any provision of this Certificate of Designations in a manner that adversely affects the powers, preferences or rights of the Series AAA Junior Preferred Stock, (ii) increase the number of authorized shares of Series AAA Junior Preferred Stock, (iii) issue, or obligate itself to issue Senior Securities (except as the Company may already be obligated to issue, including issuances pursuant to those certain subscription agreements entered into with the Company's investors regarding the offer and sale of the of the Series AA Preferred and/or the Series AAA Preferred), or (v) entering into any agreement with respect to the foregoing. Notwithstanding anything contained herein to the contrary, no holder of Series AAA Junior Preferred Stock shall be entitled to vote on any matter presented to the Company's stockholders relating to approving the conversion of such holder's Series AAA Junior Preferred Stock into an amount in excess of the Primary Market Limitation. Notwithstanding anything contained herein, for the purposes of this Section 4, the outstanding shares of Series AAA Junior Preferred Stock shall take into account the number of whole shares of Common Stock into which the shares of Series AAA Junior Preferred are convertible into as of the record date for determining stockholders entitled to vote on such matter.

Section 5. Liquidation.

(a) The Series AAA Junior Preferred Stock shall, with respect to distributions of assets and rights upon the occurrence of any voluntary or involuntary liquidation, dissolution or winding-up of the Company ("**Liquidation**") or Deemed Liquidation Event, rank: (i) junior to the Senior Securities, if any (ii) pari passu with the Parity Securities, if any and (iii) senior to the Junior Securities. For purposes hereof, references to Series AAA Junior Preferred Stock in this section 5 shall include any subseries designated Series AAA-1 Junior AIR Preferred that may be authorized following the date hereof.

(b) As of the date hereof, Senior Securities consist of the Series A Preferred, Series AA Preferred, and Series AAA Preferred, there are no Parity Securities, and the Junior Securities consist solely of shares of Common Stock. That so being, upon any Liquidation, the holders of shares of Series AAA Junior Preferred Stock and other Parity Securities then outstanding shall be entitled, after payment is made to holders of the Senior Securities, to be paid out of the remaining assets of the Company available for distribution to its stockholders, and in the event of a Deemed Liquidation Event, the holders of shares of Series AAA Junior Preferred Stock and other Parity Securities then outstanding shall be entitled, after payment is made to the holders of the Senior Securities, to be paid out of the remaining consideration payable to stockholders in such Deemed Liquidation Event, as applicable, before any payment shall be made to the holders of Common Stock by reason of their ownership thereof, an amount per share equal to one (1) times the applicable Original Issue Price, plus any dividends accrued but unpaid thereon (the amount payable pursuant to this sentence is hereinafter referred to as the "**Liquidation Amounts**").

(c) After the payment in full of all Liquidation Amounts required to be paid to the holders of the Senior Securities, and the shares of Series AAA Junior Preferred Stock and other Parity Securities then outstanding, the remaining assets of the Company available for distribution to its stockholders or, in the case of a Deemed Liquidation Event, the consideration not payable to the holders of shares of Senior Securities and then the Series AAA Junior Preferred Stock and Parity Securities then outstanding pursuant to Section 5(b), shall be distributed among the holders of shares of Common Stock, pro rata based on the number of shares held by each such holder.

Section 6 Conversion.

(a) Conversions at Option of Holder. Each share of Series AAA Junior Preferred Stock (or fraction thereof) shall be convertible, at any time and from time to time, from and after the Original Issue Date at the option of the Holder thereof into that number of shares of Common Stock (subject to the Beneficial Ownership Limitation set forth in Section 6(e) and the Primary Market Limitation set forth in Section 6(f)) determined by dividing the Stated Value by the Conversion Price then in effect. Holders shall effect conversions by providing the Company and the Transfer Agent, with the form of conversion notice attached hereto as Annex A (a "**Notice of Conversion**"). Each Notice of Conversion shall specify the number of shares of Series AAA Junior Preferred Stock to be converted, the number of shares of Series AAA Junior Preferred Stock owned prior to such conversion, the number of shares of Series AAA Junior Preferred Stock owned subsequent to such conversion and the date on which such conversion is to be effected, which date may not be prior to the date the applicable Holder delivers such Notice of Conversion to the Company pursuant to Section 6 and in accordance with Section 9 (such date, the "**Optional Conversion Date**"). Such Holder shall be deemed for all corporate purposes to have become the holder of record of the Conversion Shares with respect to which the shares of Series AAA Junior Preferred Stock have been converted as of the Optional Conversion Date. If no Optional Conversion Date is specified in a Notice of Conversion, the Optional Conversion Date shall be the date that such Notice of Conversion and Cancellation Request are deemed delivered to the Company in accordance with Section 9. The calculations and entries set forth in the Notice of Conversion shall control in the absence of manifest or mathematical error. No ink-original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion form be required. To effect conversions of shares of Series AAA Junior Preferred Stock, a Holder shall not be required to surrender any Certificated Series AAA Junior Preferred Stock to the Company unless all of the shares of Series AAA Junior Preferred Stock represented by any such certificate are so converted, in which case such Holder shall deliver the Certificated Series AAA Junior Preferred Stock promptly following the Optional Conversion Date. To the extent that the Beneficial Ownership Limitation contained in Section 6(e) or the Primary Market Limitation contained in Section 6(f) applies to the converting Holder, the determination of whether the Series AAA Junior Preferred Stock is convertible (in relation to other securities owned by such Holder together with any Affiliates and Attribution Parties) and of how many shares of Series AAA Junior Preferred Stock are convertible shall be in the sole discretion of such Holder, and the submission of a Notice of Conversion shall be deemed to be such Holder's determination of whether the shares of Series AAA Junior Preferred Stock may be converted (in relation to other securities owned by such Holder together with any Affiliates and Attribution Parties) and how many shares of the Series AAA Junior Preferred Stock are convertible, in each case subject to the Beneficial Ownership Limitation or the Primary Market Limitation. To ensure compliance with this restriction, each Holder will be deemed to represent to the Company each time it delivers a Notice of Conversion that such Notice of Conversion has not violated the restrictions set forth in this Section and the Company shall have no obligation to verify or confirm the accuracy of such determination.

(b) Intentionally Omitted.

(c) Conversion Shares. The aggregate number of Conversion Shares which the Company shall issue upon conversion of the Series AAA Junior Preferred Stock pursuant to Section 6(a) will be equal to the number of shares of Series AAA Junior Preferred Stock to be converted, multiplied by the Stated Value, divided by the Conversion Price in effect at the time of the conversion.

(d) Mechanics of Conversion.

(i) Delivery of Conversion Shares upon Conversion. Promptly after the applicable Conversion Date, but in any case within the earlier of (i) two (2) Trading Days and (ii) the Standard Settlement Period (as defined below) thereof (the "**Share Delivery Date**"), the Company shall deliver, or cause to be delivered, to the converting Holder the number of Conversion Shares being acquired upon the conversion of the Series AAA Junior Preferred Stock pursuant to Section 6(a) or 6(b), as applicable, any PIK Shares to which the Holder is entitled pursuant to Section 3 that have not been previously issued, if any, and a wire transfer of immediately available funds in the amount of accrued and unpaid cash dividends, if any. Conversion Shares issuable hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder's or its designee's balance account with DTC through its Deposit or Withdrawal at Custodian system ("**DWAC**") if the Company is then a participant in such system and otherwise by physical delivery of a certificate, registered in the Company's share register in the name of the Holder or its designee, for the number of Conversion Shares and PIK Shares, if any, to which the Holder is entitled pursuant to such conversion to the address specified by the Holder in the Notice of Conversion. The Company shall (A) deliver (or cause to be delivered) to the converting Holder who has converted less than all of such Holder's Certificated Series AAA Junior Preferred Stock (1) a certificate or certificates, of like tenor, for the number of shares of Series AAA Junior Preferred Stock evidenced by any surrendered certificate or certificates less the number of shares of Series AAA Junior Preferred Stock converted. The Company agrees to maintain a transfer agent that is a participant in the DTC's FAST program so long as any shares of Series AAA Junior Preferred Stock remain outstanding. As used herein, "**Standard Settlement Period**" means the standard settlement period, expressed in a number of Trading Days, on the Company's primary Trading Market with respect to the Common Stock as in effect on the date of delivery of the Notice of Conversion.

(ii) Failure to Deliver Conversion Shares upon an Optional Conversion If, in the case of any Notice of Conversion, such Conversion Shares are not delivered to or as directed by the applicable Holder by the Share Delivery Date, in addition to any other rights herein, the Holder shall be entitled to elect by written notice to the Transfer Agent, on behalf of the Company, at any time on or before its receipt of such Conversion Shares, to rescind such Conversion, in which event the Company shall promptly return to the Holder any Certificated Series AAA Junior Preferred Stock delivered to the Company and the Holder shall promptly return to the Company the Conversion Shares issued to such Holder pursuant to the rescinded Notice of Conversion.

(iii) Obligation Absolute. The Company's obligation to issue and deliver the Conversion Shares upon conversion of Series AAA Junior Preferred Stock in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by a Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by such Holder or any other Person of any obligation to the Company or any violation or alleged violation of law by such Holder or any other person, and irrespective of any other circumstance which might otherwise limit such obligation of the Company to such Holder in connection with the issuance of such Conversion Shares; provided, however, that such delivery shall not operate as a waiver by the Company of any such action that the Company may have against such Holder.

(iv) [Reserved].

(v) Reservation of Shares Issuable Upon Conversion. Subject to receipt of the Stockholder Approval, the Company covenants that it will at all times reserve and keep available out of its authorized and unissued shares of Common Stock, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holders of the Series AAA Junior Preferred Stock, not less than such aggregate number of shares of the Common Stock as shall be issuable (i) upon the conversion of all outstanding shares of Series AAA Junior Preferred Stock (taking into account the adjustments and restrictions of Section 7) and (ii) in respect of the Dividend Shares. The Company covenants that all Conversion Shares and Dividend Shares shall, when issued, be duly authorized, validly issued, fully paid and nonassessable. If at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then-outstanding shares of Series AAA Junior Preferred Stock (taking into account the adjustments and restrictions of Section 7) and payment of the Dividend Shares, the Company shall take such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes.

(vi) Fractional Shares. No fractional shares or scrip representing fractional shares shall be issued upon the conversion of or as dividends on the Series AAA Junior Preferred Stock. As to any fraction of a share which a Holder would otherwise be entitled to upon such conversion or in respect of any such dividend, the Company shall round up to the next whole share of Common Stock.

(vii) Transfer Taxes and Expenses. The issuance of Conversion Shares on conversion of this Series AAA Junior Preferred Stock shall be made without charge to any Holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such Conversion Shares, provided that the Company shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such Conversion Shares upon conversion in a name other than that of the Holders of such shares of Series AAA Junior Preferred Stock and the Company shall not be required to issue or deliver such Conversion Shares unless or until the Person or Persons requesting the issuance thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid.

(e) Beneficial Ownership Limitation. The Company shall not effect any conversion of the Series AAA Junior Preferred Stock, and a Holder shall not have the right to receive dividends hereunder or convert any portion of the Series AAA Junior Preferred Stock, to the extent that, after giving effect to the receipt of dividends hereunder or conversion set forth on the applicable Notice of Conversion, such Holder (together with such Holder's Affiliates, and any Persons acting as a group together with such Holder or any of such Holder's Affiliates (such Persons, "Attribution Parties")) would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock received as dividends or issuable upon conversion of the Series AAA Junior Preferred Stock with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted Series AAA Junior Preferred Stock beneficially owned by such Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, the Series AAA Junior Preferred Stock) beneficially owned by such Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 6(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith (other than as it relates to a Holder relying on the number of shares issued and outstanding as provided by the Company pursuant to this Section). In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 6(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (ii) a more recent public announcement by the Company or (iii) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request (which may be via email) of a Holder, the Company shall within one Trading Day confirm orally and in writing to such Holder the number of shares of Common Stock then outstanding. The "Beneficial Ownership Limitation" shall be 4.99% (or, at the written election of any Holder delivered to the Company pursuant to the terms of Section 9 prior to the issuance of any shares of Series AAA Junior Preferred Stock, 9.99% but no in event higher than 9.99%) of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of Series AAA Junior Preferred Stock held by the applicable Holder. Upon delivery of a written notice to the Company, any holder may from time to time increase or waive (with such increase or waiver not effective until the sixty-first (61st) day after delivery of such notice) or decrease (immediately) the Beneficial Ownership Limitation provisions of this Section 6(e); *provided, however*, that the Holder shall not be entitled to increase or terminate the limitation contained in this Section 6(e) if the Holder has acquired (or if any of the Holder's Attribution parties has indirectly acquired) the Series AAA Junior Preferred Stock with the purpose or effect of changing or influencing the control of the Company. The limitations contained in this Section 6(e) shall apply to a successor holder of Series AAA Junior Preferred Stock.

(f) **Primary Market Limitation.** Unless the Company obtains the approval of its stockholders as required by the applicable rules of the applicable Trading Market for issuances of Common Stock in excess of such amount, the Company shall not effect any conversion of the Series AAA Junior Preferred Stock, and a Holder shall not have the right to receive dividends hereunder or convert any portion of the Series AAA Junior Preferred Stock, to the extent that, after giving effect to the receipt of dividends hereunder or conversion set forth on the applicable Notice of Conversion, the Holder, together with the Attribution Parties, would beneficially own in excess of the Primary Market Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock received as dividends or issuable upon conversion of the Series AAA Junior Preferred Stock with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted Series AAA Junior Preferred Stock beneficially owned by such Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, the Series AAA Junior Preferred Stock) beneficially owned by such Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 6(f), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith (other than as it relates to a Holder relying on the number of shares issued and outstanding as provided by the Company pursuant to this Section). For purposes of this Section 6(f), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (ii) a more recent public announcement by the Company or (iii) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request (which may be via email) of a Holder, the Company shall within one Trading Day confirm orally and in writing to such Holder the number of shares of Common Stock then outstanding. The "**Primary Market Limitation**" shall be 19.99% of the number of shares of the Common Stock outstanding as of the Effective Date, immediately prior to the issuance of shares of Series AAA Junior Preferred. The limitations contained in this paragraph shall apply to a successor holder of the Series AAA Junior Preferred Stock.

Section 7. Certain Adjustments.

(a) Adjustments to Conversion Price.

(i) Stock Dividends and Stock Splits. If the Company, at any time while the Series AAA Junior Preferred Stock is outstanding: (A) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any other Common Stock Equivalents (which, for avoidance of doubt, will not include any shares of Common Stock issued by the Company upon conversion of the Senior Securities or the Series AAA Junior Preferred Stock (or any other Parity Securities), or payment of a dividend on the Senior Securities or the Series AAA Junior Preferred Stock (or any other Parity Securities)); (B) subdivides outstanding shares of Common Stock into a larger number of shares; (C) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares; or (D) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Company, then the Conversion Price will be multiplied by a fraction of which the numerator will be the number of shares of Common Stock (excluding any treasury shares of the Company) outstanding immediately before such event and of which the denominator will be the number of shares of Common Stock, or in the event that clause (D) of this Section 7(a)(i) will apply shares of reclassified capital stock, outstanding immediately after such event. Any adjustment made pursuant to this Section 7(a)(i) will become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and will become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

(ii) Future Issuances. Subject to receipt of, and so long as the Company receives, the Stockholder Approval, from and after the date thereof and until June 28, 2026, if the Company shall issue or sell any Equity Securities (as defined below) at an effective price per share less than the then effective Conversion Price (such lower price, the "**Base Share Price**" and such issuances collectively, a "**Dilutive Issuance**"), as adjusted hereunder (if the holder of the Equity Securities so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, is entitled to receive shares of Common Stock at an effective price per share which is less than the then effective Conversion Price, such issuance shall be deemed to have occurred for less than the then effective Conversion Price on such date of the Dilutive Issuance), then, the Conversion Price shall be reduced to equal the Base Share Price, subject to the Conversion Price Floor. Notwithstanding the foregoing, no adjustments shall be made, paid or issued under this Section 7(a)(ii) in respect of Exempt Issuances (as defined below). The Company shall notify the Holder in writing as promptly as reasonably possible following the issuance of any Equity Securities subject to this section, indicating therein the applicable issuance price, or of applicable reset price, exchange price, conversion price and other pricing terms (such notice the "**Dilutive Issuance Notice**"). For purposes of clarification, whether or not the Company provides a Dilutive Issuance Notice pursuant to this Section 7(a)(ii), upon the occurrence of any Dilutive Issuance while the Series AAA Junior Preferred is outstanding, after the date of such Dilutive Issuance the Holder is entitled to the Base Share Price regardless of whether the Holder accurately refers to the Base Share Price in the Conversion Notice.

For purposes of this Section 7(a)(ii), the following definitions shall apply:

“**Common Stock Equivalents**” as defined in Section 1.

“**Equity Securities**” means (i) Common Stock and (ii) Common Stock Equivalents.

“**Exempt Issuance**” means (i) Equity Securities (a) issued or issuable upon conversion or exercise of any currently outstanding securities (including, without limitation, the Senior Securities and Senior Rights), (b) issued in accordance with this Certificate of Designations (including the Conversion Shares and the Dividend Shares), (c) issued or issuable pursuant to the exercise of any contractual rights to purchase additional shares of a newly authorized series of preferred stock with terms similar to the Senior Securities granted to certain holders of Senior Securities (the “**Senior Rights**”), inclusive of any Equity Securities issued upon the conversion of such newly authorized and issued shares of preferred stock after the exercise of the Senior Rights (the “**Senior Rights Shares**”), or (d) issued or issuable as dividends on the Senior Rights Shares after the exercise and issuance thereof; (ii) Equity Securities granted to officers, directors and employees of, and consultants to, the Company pursuant to stock option or purchase plans or other compensatory agreements approved by the Board of Directors; (iii) Equity Securities issued in connection with any pro rata stock split, stock dividend or recapitalization by the Company; (iv) Equity Securities issued in a Strategic Investment; (v) Equity Securities issued pursuant to the acquisition of another corporation or entity by the Company by consolidation, merger, purchase of all or substantially all of the assets, or other reorganization in which the Company acquires, in a single transaction or series of related transactions, all or substantially all of the assets of such other corporation or entity or fifty percent (50%) or more of the voting power of such other corporation or entity or fifty percent (50%) or more of the equity ownership of such other corporation or entity; and (vi) securities issuable upon conversion or exercise of the securities set forth in paragraphs (i) – (v) above.

“Strategic Investment” any transaction or agreement with one (1) or more persons, firms or entities designated as a “strategic partner” of the Company, as determined in good faith by the Board of Directors of the Company; provided, however, that each such “strategic partner” is itself, or has a subsidiary or affiliate that is, an operating company in a business synergistic with the business of the Company and provided further that the transaction is one in which the Company receives benefits in addition to the investment of funds. In no event shall a transaction in which the Company issues securities primarily for the purpose of raising capital or to one (1) or more persons or entities whose primary business is investing in securities be deemed a Strategic Investment.

- (iii) **Provisions for Adjustments.** Notwithstanding anything in this Section to the contrary: (i) in no event shall an adjustment be made under Section 7(a)(ii), above, if such adjustment would result in raising the then-effective Conversion Price; (ii) no adjustment under this Section 7(a)(ii) need be made to the Conversion Price unless such adjustment would require a decrease of at least 1.0% of the Conversion Price then in effect, with any lesser adjustment being carried forward and made at the time of and together with the next subsequent adjustment, if any, which, together with any adjustment or adjustments so carried forward, shall result in a decrease of at least 1.0% of such Conversion Price; (iii) no adjustment under this Section 7(a) shall be made if such adjustment will result in a Conversion Price that is less than either the Conversion Price Floor, or the par value of the Common Stock; and (iv) no adjustment shall be made to the Conversion Price upon any Exempt Issuances. The Company will make all calculations under this Certificate of Designation in good faith, which calculations will, absent manifest error, control for purposes this Certificate of Designation.

(b) **Subsequent Rights Offerings.** In addition to any adjustments pursuant to Section 7(a) above, if at any time the Company grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the **“Purchase Rights”**), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of such Holder’s Series AAA Junior Preferred Stock (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder’s right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation).

(c) Pro Rata Distributions. During such time as this Series AAA Junior Preferred Stock is outstanding, if the Company declares or makes any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "**Distribution**"), at any time after the issuance of this Series AAA Junior Preferred Stock, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of this Series AAA Junior Preferred Stock (without regard to any limitations on conversion hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, to the extent that the Holder's right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any shares of Common Stock as a result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation).

(d) Fundamental Transaction. If, at any time while the Series AAA Junior Preferred Stock is outstanding, (A) the Company effects any merger or consolidation of the Company with or into another Person, (B) the Company effects any sale of all or substantially all of its assets in one transaction or a series of related transactions, or (C) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (in any such case, a "**Fundamental Transaction**"), then, upon any subsequent conversion of the Series AAA Junior Preferred Stock, the Holders shall have the right to receive, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction, the same kind and amount of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of one share of Common Stock (the "**Alternate Consideration**"). For purposes of any such conversion, the determination of the Conversion Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall adjust the Conversion Price in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holders shall be given the same choice as to the Alternate Consideration they receive upon any conversion of the Series AAA Junior Preferred Stock following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall file a new Certificate of Designation with the same terms and conditions and issue to the Holders new preferred stock consistent with the foregoing provisions and evidencing the Holders' right to convert such preferred stock into Alternate Consideration. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 7(d) and insuring that the Series AAA Junior Preferred Stock (or any such replacement security) will be substantially similar in form and substance to this Certificate of Designations and insuring that the Series AAA Junior Preferred Stock will be convertible for a corresponding number of shares of capital stock of such successor entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon conversion of this Series AAA Junior Preferred Stock (without regard to any limitations on the conversion of this Series AAA Junior Preferred Stock) prior to such Fundamental Transaction, and with a conversion price which applies the conversion price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such conversion price being for the purpose of protecting the economic value of this Series AAA Junior Preferred Stock immediately prior to the consummation of such Fundamental Transaction) and will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

(e) Calculations. All calculations under this Section 7 will be made to the nearest cent or the nearest 1/100th of a share, as the case may be.

(f) Notice to the Holders.

- (i) Adjustment to Conversion Price. Whenever the Conversion Price is adjusted pursuant to any provision of this Section 7, the Company shall promptly deliver to each Holder a notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.
- (ii) Notice to Allow Conversion by Holder. If (A) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property or (B) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be filed at each office or agency maintained for the purpose of conversion of the Series AAA Junior Preferred Stock, and shall cause to be delivered to each Holder pursuant to Section 9, at least twenty (20) calendar days prior to the applicable record or effective date hereinafter specified, a written notice stating (x) the date on which a record is to be taken for the purpose of seeking such stockholder approval or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange, provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided hereunder constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to convert such Holder's Series AAA Junior Preferred Stock pursuant to Section 6(a) (subject to the Beneficial Ownership Limitation and the Primary Market Limitation) during the 20-day period commencing on the date of such notice through the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 8. Miscellaneous.

(a) Notices. Any and all notices or other communications or deliveries to be provided to the Holders, the Company or the Transfer Agent hereunder, including, without limitation, any Notice of Conversion, shall be in writing and delivered personally, by facsimile, by e-mail, or sent by a nationally recognized overnight courier service (i) if to the Holders, at the Holder's address set forth in the book and records of the Company or to another address of such Holder as may be specified by such Holder to the Company in a written notice delivered in accordance with this Section, or (ii) if to the Company, at 2912 Colorado Avenue, Suite 203, Santa Monica, CA 90404, or to another address as the Company may specify for such purposes by written notice to the Holders delivered in accordance with this Section. To the extent that any notice provided pursuant to this Certificate of Designations constitutes, or contains, material, non-public information regarding the Company or any Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K.

(b) Absolute Obligation. Except as expressly provided herein, no provision of this Certificate of Designations shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay accrued dividends, if any and as applicable, on the shares of Series AAA Junior Preferred Stock at the time, place, and rate, and in the coin or currency, herein prescribed.

(c) Lost or Mutilated Series AAA Junior Preferred Stock Certificate. If a Holder alleges that such Holder's Series AAA Junior Preferred Stock certificate has been lost, stolen or destroyed, the Company will only be obligated to issue a replacement certificate if the Holder delivers to the transfer agent, or the Company, as applicable: (i) a lost certificate affidavit; (ii) an indemnity bond in a form acceptable to the Company's transfer agent, or if the Company acts as its own transfer agent, an agreement reasonably acceptable to the Company to indemnify the Company against any claim that may be made against the Company on account of the alleged loss, theft or destruction of such certificate; and (iii) any other documentation that the transfer agent or the Company, if the Company acts as its own transfer agent, may reasonably require.

(d) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Certificate of Designations shall be governed by and construed and enforced in accordance with the internal laws of the State of Delaware, without regard to the principles of conflict of laws thereof. Each party agrees that all legal proceedings concerning the interpretation, enforcement and defense of the transactions contemplated by this Certificate of Designations (whether brought against a party hereto or its respective Affiliates, directors, officers, shareholders, employees or agents) shall be commenced in the state and federal courts sitting in the City of New York, Borough of Manhattan (the "New York Courts"). Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such New York Courts, or such New York Courts are improper or inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Certificate of Designations and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by applicable law. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Certificate of Designations or the transactions contemplated hereby. If any party shall commence an action or proceeding to enforce any provisions of this Certificate of Designation, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys' fees and other costs and expenses incurred in the investigation, preparation and prosecution of such action or proceeding.

(e) Waiver. Any waiver by the Company or a Holder of a breach of any provision of this Certificate of Designations shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Certificate of Designations or a waiver by any other Holders. The failure of the Company or a Holder to insist upon strict adherence to any term of this Certificate of Designations on one or more occasions shall not be considered a waiver or deprive that party (or any other Holder) of the right thereafter to insist upon strict adherence to that term or any other term of this Certificate of Designation. Any waiver by the Company or a Holder must be in writing.

(f) Severability. If any provision of this Certificate of Designations is invalid, illegal or unenforceable, the balance of this Certificate of Designations shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. If it shall be found that any dividend or other amount deemed interest due hereunder violates the applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law.

(g) Next Business Day. Whenever any payment or other obligation hereunder shall be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day.

(h) Headings. The headings contained herein are for convenience only, do not constitute a part of this Certificate of Designations and shall not be deemed to limit or affect any of the provisions hereof.

Ladies and Gentlemen:

1. Subscription. The undersigned (the “**Purchaser**”), intending to be legally bound, hereby irrevocably agrees to purchase from Super League Enterprise, Inc., a Delaware corporation f/k/a Super League Gaming, Inc. (the “**Company**”), shares of Series AAA Junior Convertible Preferred Stock, par value \$0.001 (“**Preferred Stock**” or “**Preferred Shares**”), at a price of \$1,000.00 per Preferred Share (the “**Share Price**”). This Subscription Agreement (this “**Subscription Agreement**”) is one in a series of similar subscription agreements (collectively, the “**Subscription Agreements**”) entered into pursuant to the Offering (as defined below).

2. The Offering.

(a) This subscription is submitted to you in accordance with and subject to the terms and conditions described in, this Subscription Agreement, the Term Sheet attached hereto as Exhibit A (the “**Term Sheet**”), the form of Certificate of Designation of Preferences, Rights, and Limitations of the Series AAA Junior Convertible Preferred Stock, attached hereto as Exhibit B (the “**Certificate of Designations**”) and the form of Registration Rights Agreement attached hereto as Exhibit C (the “**Registration Rights Agreement**”), and, if applicable to Purchaser, the Dividend Acceleration Supplement and Exercise Form attached hereto as Exhibit D (the “**Dividend Acceleration Supplement**”) (such documents, together with the Risk Factors set forth in Schedule 5(o) hereto, collectively, the “**Transaction Documents and Offering Materials**”), relating to the offering by the Company (the “**Offering**”) of a minimum of 1,000 Preferred Shares (\$1,000,000) (the “**Minimum Offering Amount**”), and a maximum of 5,000 Preferred Shares (\$5,000,000) Preferred Shares (the “**Maximum Offering Amount**”) with an over-allotment amount of up to 2,500,000 Preferred Shares (\$2,500,000) (the “**Over-Allotment Amount**”).

(b) [***] and a registered broker-dealer and member of the Financial Industry Regulatory Authority (“**FINRA**”) which does business from time to time under the name [***] (“**[***]**” or “**Placement Agent**”) has been engaged as exclusive placement agent in connection with the Offering. In exchange for acting as the placement agent for the Offering, the Placement Agent will receive: (i) a cash commission equal to 10% of the aggregate gross proceeds raised; (ii) Placement Agent Warrants to purchase that number of shares of Common Stock equal to 14.5% of the shares Common Stock underlying the Preferred Shares sold in the Offering at an exercise price equal to the Conversion Price and exercisable for a five-year period, with comparable price protections as the Preferred Shares. The foregoing compensation items shall also be applicable with respect to shares of Series AAA Junior Preferred purchased pursuant to the exercise of Additional Investment Rights, if any. In addition, at each closing the Placement Agent shall be entitled to receive a non-accountable expense allowance equal to 2% of the aggregate purchase price of Preferred Shares sold at such closing.

3. **Deliveries and Payment; Escrow of Funds.** Simultaneously with the execution hereof, the Purchaser shall: (a) deliver to the Placement Agent, in accordance with the Subscription Instructions attached hereto, (i) one (1) completed and executed omnibus signature page to this Subscription Agreement, (ii) a completed Accredited Investor Certification (pages 17-19), (iii) a completed Investor Profile (pages 20-21), (iv) one (1) completed and executed Tax Certification for U.S. Persons or Non-U.S. Persons, as applicable (beginning on page 23); and (v) completed and executed Dividend Acceleration Supplement and Exercise Form attached hereto as Exhibit D, and (b) make a wire transfer payment to, “CST&T AAF Super League Enterprise, Inc. Escrow 2024” in an amount equal to the product of (i) the number of Preferred Shares being subscribed for by the Purchaser in the Offering as set forth on the signature page hereof, multiplied by (ii) the Share Price. Wire transfer instructions are set forth on page 14 hereof under the heading “To subscribe for Preferred Shares in the private offering of Super League Enterprise, Inc.” Such funds will be held for the Purchaser’s benefit in a non-interest-bearing escrow account (the “**Escrow Account**”) until the earliest to occur of (a) a closing (any closing hereinafter a “**Closing**”) of the sale of the Minimum Offering Amount or more (the “**Initial Closing**”), or a subsequent closing if funds are deposited into the Escrow Account after the time of the Initial Closing (each, a “**Subsequent Closing**”), (b) the rejection of such subscription, or (c) the termination of the Offering by the Company or the Placement Agent. Notwithstanding the foregoing, it is contemplated that the Initial Closing shall be the only Closing in the Offering.

4. **Acceptance of Subscription.** The Purchaser understands and agrees that the Company, in its sole discretion, reserves the right to accept or reject this or any other subscription for Preferred Shares, in whole or in part, notwithstanding prior receipt by the Purchaser of notice of acceptance of this subscription. In furtherance of the foregoing, the Company shall have the right to require potential subscribers to supply additional information and execute additional documents in a satisfactory manner, which determination shall be at the sole discretion of the Company, prior to the acceptance of this Subscription Agreement. The Company shall have no obligation hereunder until the Company shall execute and deliver to the Purchaser an executed copy of this Subscription Agreement. If this subscription is rejected in whole, the Offering is terminated prior to a closing of Purchaser’s investment hereunder or the Offering expires prior to a Closing of Purchaser’s investment (the offering period shall be through June 7, 2024, subject to a potential extension through June 21 2024 (or such other date as the Company and Placement Agent may agree)), all funds received from the Purchaser will be returned without interest or offset, and this Subscription Agreement shall thereafter be of no further force or effect. If this subscription is rejected in part, the funds for the rejected portion of this subscription will be returned without interest or offset, and this Subscription Agreement will continue in full force and effect to the extent this subscription was accepted. For the avoidance of doubt, the Company shall be under no obligation to accelerate and issue, and Purchaser shall have no right to demand acceleration and issuance of, any dividends as contemplated in the Dividend Acceleration Supplement in the event that the Company rejects Purchaser’s subscription in whole or if the Company terminates the Offering prior to a closing of such subscription.

5. Representations and Warranties.

The Purchaser hereby acknowledges, represents, warrants, and agrees as follows:

(a) None of the Preferred Shares or the securities issuable upon conversion of the Preferred Shares (the “**Conversion Securities**”) offered pursuant to the Transaction Documents and Offering Materials, are registered under the Securities Act of 1933, as amended (the “**Securities Act**”), or any state securities laws. The Purchaser understands that the offering and sale of the Preferred Shares is intended to be exempt from registration under the Securities Act, by virtue of Section 4(a)(2) thereof and/or the provisions of Rule 506(b) of Regulation D (“**Regulation D**”) as promulgated by the United States Securities and Exchange Commission (the “**SEC**”) thereunder, based, in part, upon the bona fide nature of the investment intent and the representations, warranties and agreements of the Purchaser contained in this Subscription Agreement.

(b) The Purchaser’s substantive relationship with either the Company, the Placement Agent or subagent through which the Purchaser is subscribing for the Preferred Shares predates the Company’s or such Placement Agent’s or any subagent’s contact with the Purchaser regarding an investment in the Preferred Shares.

(c) Prior to the execution of this Subscription Agreement, the Purchaser and the Purchaser’s attorney, accountant, purchaser representative and/or tax adviser, if any (collectively, the “**Advisers**”), have received the Transaction Documents and Offering Materials and all other documents requested by the Purchaser, have carefully reviewed the Transaction Documents and Offering Materials, including, without limitation, the Risk Factors included as Schedule 5(o) hereto, and has had access to the SEC Reports (as defined below)

(d) Neither the SEC nor any state securities commission or other regulatory authority has approved the Preferred Shares or the Conversion Securities or passed upon or endorsed the merits of the Offering or confirmed the accuracy or determined the adequacy of the terms of the Transaction Documents and Offering Materials. The terms set forth in this Subscription Agreement and the other Transaction Documents and Offering Materials have not been reviewed by any federal, state or other regulatory authority.

(e) All material information pertaining to the investment in the Preferred Shares (including, without limitation, those contained in the Transaction Documents and Offering Materials and the terms contained therein) have been made available for inspection by such Purchaser and its Advisers, if any.

(f) The Purchaser and its Advisers, if any, have had a reasonable opportunity to ask questions of and receive answers from a person or persons acting on behalf of the Company concerning the offering of the Preferred Shares and the business, financial condition and results of operations of the Company, and all such questions have been answered to the full satisfaction of the Purchaser and its Advisers, if any.

(g) In evaluating the suitability of an investment in the Company and the Preferred Shares, the Purchaser has not relied upon any representation or information (oral or written) and the Purchaser and its Advisers have had access, through the EDGAR system, to true and complete copies of the Company’s most recent Annual Report on Form 10-K for the fiscal year ended December 31, 2023, as amended to date (the “**10-K**”) and all other reports filed by the Company pursuant to the Securities Exchange Act of 1934, as amended, since the filing of the 10-K and prior to the date hereof and have reviewed such filings (the “**SEC Reports**”).

(h) The Purchaser is unaware of, is in no way relying on, and did not become aware of the Offering through or as a result of, any form of general solicitation or general advertising including, without limitation, any article, notice, advertisement or other communication published in any newspaper, magazine or similar media or broadcast over television, radio or the Internet (including, without limitation, internet “blogs,” bulletin boards, discussion groups and social networking sites) in connection with the Offering and is not subscribing for the Preferred Shares and did not become aware of the Offering through or as a result of any seminar or meeting to which the Purchaser was invited by, or any solicitation of a subscription by, a person not previously known to the Purchaser in connection with investments in securities generally.

(i) The Purchaser has taken no action that would give rise to any claim by any person for brokerage commissions, finders’ fees or the like relating to this Subscription Agreement, or the transactions contemplated hereby (other than commissions and other compensation to be paid by the Company to the Placement Agent as described herein).

(j) The Purchaser, together with its Advisers, if any, has such knowledge and experience in financial, tax, and business matters, and, in particular, investments in securities, so as to enable it to utilize the information made available to it in connection with the Offering to evaluate the merits and risks of an investment in the Preferred Shares or the Conversion Securities and the Company and to make an informed investment decision with respect thereto.

(k) The Purchaser is not relying on the Company, the Placement Agent or any of their respective employees or agents with respect to the legal, tax, economic and related considerations of an investment in the Company and the Preferred Shares or the Conversion Securities, and the Purchaser has relied on the advice of, or has consulted with, only its own Advisers.

(l) The Purchaser is acquiring the Preferred Shares solely for such Purchaser’s own account for investment purposes only and not with a view to or intent of resale or distribution thereof, in whole or in part. The Purchaser has no agreement or arrangement, formal or informal, with any person to sell or transfer all or any part of the Preferred Shares or the Conversion Securities, and the Purchaser has no plans to enter into any such agreement or arrangement.

(m) The Purchaser must bear the substantial economic risks of the investment in the Preferred Shares and the Conversion Securities indefinitely because none of the Preferred Shares or Conversion Securities may be sold, hypothecated or otherwise disposed of unless subsequently registered under the Securities Act and applicable state securities laws or an exemption from such registration is available. Legends shall be placed on the Preferred Shares and the Conversion Securities to the effect that they have not been registered under the Securities Act or applicable state securities laws and appropriate notations thereof will be made in the Company’s stock books. Stop transfer instructions will be placed with the transfer agent on the Preferred Shares or the Conversion Securities, if any. The Company has agreed that purchasers of the Preferred Shares will have, with respect to the Conversion Securities, the registration rights described in the Registration Rights Agreement. Notwithstanding such registration rights, there can be no assurance that there will be any market for the resale of the Preferred Shares or the Conversion Securities, nor can there be any assurance that such securities will be freely transferable at any time in the foreseeable future.

(n) The Purchaser has adequate means of providing for such Purchaser's current financial needs and foreseeable contingencies and has no need for liquidity from its investment in the Preferred Shares or the Conversion Securities for an indefinite period of time.

(o) The Purchaser is aware that an investment in the Preferred Shares is high risk, involving a number of very significant risks and has carefully read and considered the matters set forth on Schedule 5(o) ("Risk Factors") attached hereto, and under the caption "Risk Factors" in the SEC Reports, and, in particular, acknowledges that the Company is experiencing a severe cash shortage and requires proceeds from this Offering or other financings to continue to fund its operations, has had significant operating losses since inception, and is engaged in highly competitive businesses and may not be able to accomplish the Company's business plan as described in the SEC Reports. In addition, Purchaser acknowledges that certain (i) consents need to be obtained from holders of the Company's Series AA Preferred Stock with respect to issuing any shares of common stock below the respective conversion price floors of such securities and (ii) conversion adjustment provisions and additional investment rights afforded to purchasers of Preferred Shares will not be in effect until such time as the Company obtains stockholder approval, both of which are more particularly described in the Term Sheet and Risk Factors.

(p) The Purchaser meets the requirements of at least one of the suitability standards for an "accredited investor" as that term is defined in Regulation D and as set forth on the Accredited Investor Certification contained herein.

(q) The Purchaser (i) if a natural person, represents that the Purchaser has reached the age of 21 and has full power and authority to execute and deliver this Subscription Agreement and all other related agreements or certificates and to carry out the provisions hereof and thereof; (ii) if a corporation, partnership, or limited liability company or partnership, or association, joint stock company, trust, unincorporated organization or other entity, represents that such entity was not formed for the specific purpose of acquiring the Preferred Shares or the Conversion Securities, such entity is duly organized, validly existing and in good standing under the laws of the state of its organization, the consummation of the transactions contemplated hereby is authorized by, and will not result in a violation of state law or its charter or other organizational documents, such entity has full power and authority to execute and deliver this Subscription Agreement and all other related agreements or certificates and to carry out the provisions hereof and thereof and to purchase and hold the Preferred Shares or the Conversion Securities, the execution and delivery of this Subscription Agreement has been duly authorized by all necessary action, this Subscription Agreement has been duly executed and delivered on behalf of such entity and is a legal, valid and binding obligation of such entity; or (iii) if executing this Subscription Agreement in a representative or fiduciary capacity, represents that it has full power and authority to execute and deliver this Subscription Agreement in such capacity and on behalf of the subscribing individual, ward, partnership, trust, estate, corporation, or limited liability company or partnership, or other entity for whom the Purchaser is executing this Subscription Agreement, and such individual, partnership, ward, trust, estate, corporation, or limited liability company or partnership, or other entity has full right and power to perform pursuant to this Subscription Agreement and make an investment in the Company, and represents that this Subscription Agreement constitutes a legal, valid and binding obligation of such entity. The execution and delivery of this Subscription Agreement will not violate or be in conflict with any order, judgment, injunction, agreement or controlling document to which the Purchaser is a party or by which it is bound.

(r) The Purchaser and the Advisers, if any, have had the opportunity to obtain any additional information, to the extent the Company has such information in its possession or could acquire it without unreasonable effort or expense, necessary to verify the accuracy of the information contained in this Subscription Agreement, the SEC Reports and the Term Sheet and all documents received or reviewed in connection with the purchase of the Preferred Shares and have had the opportunity to have representatives of the Company provide them with such additional information regarding the terms and conditions of this particular investment and the financial condition, results of operations, and business of the Company deemed relevant by the Purchaser or the Advisers, if any, and all such requested information, to the extent the Company has such information in their possession or could acquire it without unreasonable effort or expense, has been provided to the full satisfaction of the Purchaser and the Advisers, if any.

(s) Any information which the Purchaser has heretofore furnished or is furnishing herewith to the Company, or the Placement Agent is complete and accurate and may be relied upon by the Company, the Placement Agent and their respective legal counsel in determining the availability of an exemption from registration under federal and state securities laws in connection with the offering of securities. The Purchaser further represents and warrants that it will notify and supply corrective information to the Company and the Placement Agent immediately upon the occurrence of any change therein occurring prior to the Company's issuance of the Preferred Shares or the Conversion Securities.

(t) The Purchaser has significant prior investment experience, including investment in non-listed and non-registered securities. The Purchaser is knowledgeable about investment considerations in development stage companies with limited operating histories. The Purchaser has a sufficient net worth to sustain a loss of its entire investment in the Company and the Preferred Shares or the Conversion Securities in the event such a loss should occur. The Purchaser's overall commitment to investments which are not readily marketable is not excessive in view of the Purchaser's net worth and financial circumstances and the purchase of the Preferred Shares or the Conversion Securities will not cause such commitment to become excessive. Investment in the Company and the Preferred Shares as contemplated by this Subscription Agreement and the Term Sheet is suitable for the Purchaser.

(u) The Purchaser is satisfied that the Purchaser has received adequate information with respect to all matters which it or the Advisers, if any, consider material to its decision to make an investment in the Company and the Preferred Shares as contemplated by this Subscription Agreement and the Term Sheet.

(v) The Purchaser acknowledges that it has been provided with, and has reviewed, [***] Regulation Form CRS and Best Interest Supplement in the form of Exhibit E hereto (the "**Form CRS and BI Supplement**") and has had a reasonable opportunity to ask questions of and receive answers from a person or persons acting on behalf of [***] concerning the Form CRS and BI Supplement.

(w) The Purchaser acknowledges that any estimates or forward-looking statements or projections made were prepared by the Company in good faith but that the attainment of any such projections, estimates or forward-looking statements cannot be guaranteed by the Company and should not be relied upon.

(x) No oral or written representations have been made, or oral or written information furnished, to the Purchaser or the Advisers, if any, in connection with the Offering which are in any way inconsistent with the information contained in this Subscription Agreement, the SEC Reports and the Term Sheet.

(y) Within five (5) days after receipt of a request from the Company or the Placement Agent, the Purchaser will provide such information and deliver such documents as may reasonably be necessary to comply with any and all laws and ordinances to which the Company or the Placement Agent is subject.

(z) The Purchaser understands that the Preferred Shares and the Conversion Securities are “restricted securities” under applicable U.S. federal and state securities laws and that, pursuant to these laws, the Purchaser must hold such securities indefinitely unless they are registered with the Securities and Exchange Commission and qualified by state authorities, or an exemption from such registration and qualification requirements is available.

(aa) THE PREFERRED SHARES OFFERED HEREBY (INCLUDING THE CONVERSION SECURITIES) HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR ANY STATE SECURITIES LAWS AND ARE BEING OFFERED AND SOLD IN RELIANCE ON EXEMPTIONS FROM THE REGISTRATION REQUIREMENTS OF SAID ACT AND SUCH LAWS. SUCH SECURITIES ARE SUBJECT TO RESTRICTIONS ON TRANSFERABILITY AND RESALE AND MAY NOT BE TRANSFERRED OR RESOLD EXCEPT AS PERMITTED UNDER SAID ACT AND SUCH LAWS PURSUANT TO REGISTRATION OR EXEMPTION THEREFROM. SUCH SECURITIES HAVE NOT BEEN RECOMMENDED, APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION, ANY STATE SECURITIES COMMISSION OR ANY OTHER REGULATORY AUTHORITY, NOR HAVE ANY OF THE FOREGOING AUTHORITIES PASSED UPON OR ENDORSED THE MERITS OF THIS OFFERING OR THE ACCURACY OR ADEQUACY OF THE OFFERING OR THIS SUBSCRIPTION AGREEMENT. ANY REPRESENTATION TO THE CONTRARY IS UNLAWFUL.

(bb) In making an investment decision to purchase the Preferred Shares, investors must rely on their own examination of the Company and the terms of the Offering, including the merits and risks involved. The Purchaser is aware that it will be required to bear the financial risks of investment in the Company and the Preferred Shares and the Conversion Securities for an indefinite period of time.

(cc) **(For ERISA plans only)** The fiduciary of the ERISA plan (the “Plan”) represents that such fiduciary has been informed of and understands the Company’s investment objectives, policies and strategies, and that the decision to invest “plan assets” (as such term is defined in ERISA) in the Company is consistent with the provisions of ERISA that require diversification of plan assets and impose other fiduciary responsibilities. The Purchaser fiduciary or Plan (a) is responsible for the decision to invest in the Company; (b) is independent of the Company or any of its affiliates; (c) is qualified to make such investment decision; and (d) in making such decision, the Purchaser fiduciary or Plan has not relied primarily on any advice or recommendation of the Company or any of its affiliates.

(dd) **The Purchaser should check the Office of Foreign Assets Control (“OFAC”) website at <<http://www.treas.gov/ofac>> before making the following representations.** The Purchaser represents that the amounts invested by it in the Company in the Offering were not and are not directly or indirectly derived from activities that contravene federal, state or international laws and regulations, including anti-money laundering laws and regulations. Federal regulations and Executive Orders administered by OFAC prohibit, among other things, the engagement in transactions with, and the provision of services to, certain foreign countries, territories, entities and individuals. The lists of OFAC prohibited countries, territories, persons and entities can be found on the OFAC website at <<http://www.treas.gov/ofac>>. In addition, the programs administered by OFAC (the “**OFAC Programs**”) prohibit dealing with individuals¹ or entities in certain countries regardless of whether such individuals or entities appear on the OFAC lists.

(ee) To the best of the Purchaser’s knowledge, none of: (1) the Purchaser; (2) any person controlling or controlled by the Purchaser; (3) if the Purchaser is a privately-held entity, any person having a beneficial interest in the Purchaser; or (4) any person for whom the Purchaser is acting as agent or nominee in connection with this investment is a country, territory, individual or entity named on an OFAC list, or a person or entity prohibited under the OFAC Programs. Please be advised that the Company may not accept any amounts from a prospective investor if such prospective investor cannot make the representation set forth in the preceding paragraph. The Purchaser agrees to promptly notify the Company and the Placement Agent should the Purchaser become aware of any change in the information set forth in these representations. The Purchaser understands and acknowledges that, by law, the Company may be obligated to “freeze the account” of the Purchaser, either by prohibiting additional subscriptions from the Purchaser, declining any redemption requests and/or segregating the assets in the account in compliance with governmental regulations, and the Placement Agent may also be required to report such action and to disclose the Purchaser’s identity to OFAC. The Purchaser further acknowledges that the Company may, by written notice to the Purchaser, suspend the redemption rights, if any, of the Purchaser if the Company reasonably deems it necessary to do so to comply with anti-money laundering regulations applicable to the Company and the Placement Agent or any of the Company’s other service providers. These individuals include specially designated nationals, specially designated narcotics traffickers and other parties subject to OFAC sanctions and embargo programs.

(ff) To the best of the Purchaser’s knowledge, none of: (1) the Purchaser; (2) any person controlling or controlled by the Purchaser; (3) if the Purchaser is a privately-held entity, any person having a beneficial interest in the Purchaser; or (4) any person for whom the Purchaser is acting as agent or nominee in connection with this investment is a senior foreign political figure,² or any immediate family³ member or close associate⁴ of a senior foreign political figure, as such terms are defined in the footnotes below.

¹ These individuals include specially designated nationals, specially designated narcotics traffickers and other parties subject to OFAC sanctions and embargo programs.

² A “senior foreign political figure” is defined as a senior official in the executive, legislative, administrative, military or judicial branches of a foreign government (whether elected or not), a senior official of a major foreign political party, or a senior executive of a foreign government owned corporation. In addition, a “senior foreign political figure” includes any corporation, business or other entity that has been formed by, or for the benefit of, a senior foreign political figure.

³ “Immediate family” of a senior foreign political figure typically includes the figure’s parents, siblings, spouse, children and in-laws.

⁴ A “close associate” of a senior foreign political figure is a person who is widely and publicly known to maintain an unusually close relationship with the senior foreign political figure and includes a person who is in a position to conduct substantial domestic and international financial transactions on behalf of the senior foreign political figure.

(gg) If the Purchaser is affiliated with a non-U.S. banking institution (a “**Foreign Bank**”), or if the Purchaser receives deposits from, makes payments on behalf of, or handles other financial transactions related to a Foreign Bank, the Purchaser represents and warrants to the Company that: (1) the Foreign Bank has a fixed address, other than solely an electronic address, in a country in which the Foreign Bank is authorized to conduct banking activities; (2) the Foreign Bank maintains operating records related to its banking activities; (3) the Foreign Bank is subject to inspection by the banking authority that licensed the Foreign Bank to conduct banking activities; and (4) the Foreign Bank does not provide banking services to any other Foreign Bank that does not have a physical presence in any country and that is not a regulated affiliate.

(hh) If the Purchaser is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), the Purchaser hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Preferred Shares or any use of this Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Preferred Shares, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Preferred Shares or the Conversion Securities. The Purchaser’s subscription and payment for and continued beneficial ownership of the Preferred Shares and the Conversion Securities will not violate any applicable securities or other laws of the Purchaser’s jurisdiction.

(ii) If Purchaser is a non-US investor, Purchaser represents and warrants to the Company and the Placement Agent that its purchase of the Preferred Shares, and the sale of the Preferred Shares to Purchaser by the Company, is in compliance with and does not violate any laws of the country in which Purchaser is located and Purchaser will be able to obtain any requisite permission under such country’s foreign exchange laws to enable Purchaser to pay the purchase price for the Preferred Shares.

6. Additional Investment Rights.

(a) **Grant of Rights.** Subject to, and conditioned upon, the receipt by the Company of the Stockholder Approvals (as described in the Term Sheet), which the Company is agreeing to include for approval at the next Annual Meeting of the Company's Stockholders scheduled to be held in August 2024 (the "**2024 Annual Meeting**");

(i) Each Purchaser shall, subject to applicable law and Listing Rules of the Nasdaq Capital Market, have the right at any time, during a period of 18 months commencing on the date immediately following the later of (i) the Final Closing or (ii) the date the Stockholder Approvals are obtained (the "**AIR Expiration Date**"), in its discretion, to purchase from the Company shares of a newly designated series of preferred stock of the Company containing the Series AAA Junior -1 Terms (as defined below) at the Share Price with a conversion price equal to the Initial Conversion Price (as defined in the Certificate of Designation) (the "**Initial Conversion Price**") in a dollar amount of up to the cash investment in the Offering (the "**Additional Investment Rights**" and shares purchased in connection with the Additional Investment Rights hereinafter, the "**AAA Junior-1 AIR Preferred**"). For Purchaser to exercise such Additional Investment Right, Purchaser shall deliver written notice to the Company, with a copy to the Placement Agent ("**AIR Exercise Notice**"), stating its election to exercise the Additional Investment Rights, the specific dollar amount with respect to the AAA Junior-1 AIR Preferred to be purchased by such Purchaser ("**Subsequent Amount**"). Within two (2) business days of its receipt of the AIR Exercise Notice, the Company shall notify Purchaser of the date on which such purchase and sale shall occur ("**AIR Subsequent Closing**") together with payment instructions. The AIR Subsequent Closing shall occur no later than four (4) business days following receipt by the Company of the AIR Exercise Notice unless otherwise mutually agreed upon by the Purchaser and Company. On or prior to the AIR Subsequent Closing, the Company and the Purchaser shall execute and deliver a new subscription agreement with respect to the purchase of the Subsequent Amount, a form of which will be provided to Purchaser by the Company (each a "**Subsequent Subscription Agreement**" and collectively "**Subsequent Subscription Agreements**") containing, except as otherwise set forth herein, the representations, warranties, covenants, indemnities and conditions set forth herein, *mutatis mutandis*.

(ii) For purposes of this Section 6, "**Series AAA Junior-1 Terms**" shall mean (i) a conversion price equal to the Initial Conversion Price, (ii) such conversion price shall not be subject to adjustment based on future equity issuances, (iii) dividends substantially identical to the dividends applicable to the Preferred Shares (i.e., 20% coverage payable 30, 60 and 90 days from issuance dates) which shall be set forth in the Certificate of Preferences, Rights, and Limitations designating the Series AAA Junior-1 AIR Preferred (the "**AAA-1 AIR COD**"), with the exception that the specific dividend payment dates will not be set forth in the AAA-1 AIR COD but rather will be set forth in certain written notices to be provided by the Company to Purchaser on the date of the applicable AIR Subsequent Closing, with the 30, 60, and 90 dividend payment dates to follow the date of the specific closing(s) (the "**AIR Dividend Payment Date Letters**"), (iv) no further grants of additional investment rights upon the exercise of the Additional Investment Rights, and (iv) all other terms will be comparable to the terms of the Preferred Shares. For the avoidance of doubt, the exercise of any Additional Investment Rights hereunder will not entitle such investor to any further additional investment rights.

(b) **Draw Downs for Future Exercises.** Upon the first exercise of Additional Investment Rights by any Purchaser in the Offering, the Company will file the AAA-1 AIR COD for the aggregate total number of shares issuable pursuant to all Additional Investment Rights granted to the Purchasers, and future shares of AAA Junior-1 AIR Preferred issuable pursuant to subsequent exercises of Additional Investment Rights by other Purchasers will be issued out of the authorized but unissued shares as designated in the AAA-1 AIR COD.

7. **Indemnification.** The Purchaser agrees to indemnify and hold harmless the Company, the Placement Agent (including its selected dealers, if any), and their respective officers, directors, employees, agents, control persons and affiliates from and against all losses, liabilities, claims, damages, costs, fees and expenses whatsoever (including, but not limited to, any and all expenses incurred in investigating, preparing or defending against any litigation commenced or threatened) based upon or arising out of any actual or alleged false acknowledgment, representation or warranty, or misrepresentation or omission to state a material fact, or breach by the Purchaser of any covenant or agreement made by the Purchaser herein or in any other document delivered in connection with this Subscription Agreement. Each Purchaser's obligation to indemnify shall be individual, not joint and several, and in no event shall the liability of any Purchaser hereunder be greater in amount than the dollar amount of the net proceeds received by such Purchaser upon the sale of the Shares acquired pursuant to this Subscription Agreement.

8. **Irrevocability; Binding Effect.** The Purchaser hereby acknowledges and agrees that both the subscription hereunder and the election made by Purchaser in the Dividend Acceleration Supplement are irrevocable by the Purchaser, except as required by applicable law, and that this Subscription Agreement shall survive the death or disability of the Purchaser and shall be binding upon and inure to the benefit of the parties and their heirs, executors, administrators, successors, legal representatives, and permitted assigns. If the Purchaser is more than one person, the obligations of the Purchaser hereunder shall be joint and several and the agreements, representations, warranties, and acknowledgments herein shall be deemed to be made by and be binding upon each such person and such person's heirs, executors, administrators, successors, legal representatives, and permitted assigns.

9. **Modification.** This Subscription Agreement shall not be modified or waived except by an instrument in writing signed by the party against whom any such modification or waiver is sought.

10. **Immaterial Modifications to the Registration Rights Agreement.** The Company may, at any time prior to the Closing, modify the Registration Rights Agreement, if necessary, to clarify any provision therein, without first providing notice or obtaining prior consent of the Purchaser, if, and only if, such modification is not material in any respect.

11. **Prohibitions.** Each Purchaser (and such Purchaser's affiliates) of Series AAA Junior Preferred Stock shall be expressly prohibited: (i) from the date of this Agreement until such time as the Purchaser no longer holds any preferred stock of the Company, engaging in any Short Sales (as defined below) with respect to securities of the Company; and (ii) transferring shares of Series AAA Junior Preferred other than intra-family or for estate planning purposes. For purposes of this Section 10, "Short Sales" shall include, without limitation, all "short sales" as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, and all types of direct and indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, swaps and similar arrangements (including on a total return basis), and sales and other transactions through non-U.S. broker dealers or foreign regulated brokers. Short Sales shall not include the trading of put options and call options.

12. **Notices.** Any notice or other communication required or permitted to be given hereunder shall be in writing and shall be deemed effectively given: (a) upon personal delivery to the party notified, (b) when sent by confirmed email or facsimile if sent during normal business hours of the recipient, if not confirmed, then on the next business day, (c) five days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. The Company and the Purchaser hereby consent to the delivery of communications and notices to such parties at their respective address, email or facsimile number set forth on the signature page hereto, or to such other address as such party shall have furnished in writing in accordance with the provisions of this Section 10.

13. **Assignability.** This Subscription Agreement, the Registration Rights Agreement, and the rights, interests and obligations hereunder and thereunder are not transferable or assignable by the Purchaser and the transfer or assignment of the Preferred Shares or the Conversion Securities shall be made only in accordance with all applicable laws.

14. **Applicable Law.** This Subscription Agreement shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts to be wholly performed within said State.

15. **Arbitration.** The parties agree to submit all controversies to arbitration in accordance with the provisions set forth below and understand that:

(i) Arbitration is final and binding on the parties.

(ii) The parties are waiving their right to seek remedies in court, including the right to a jury trial.

(iii) Pre-arbitration discovery is generally more limited and different from court proceedings.

(iv) The arbitrator's award is not required to include factual findings or legal reasoning and any party's right to appeal or to seek modification of rulings by arbitrators is strictly limited.

(v) The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.

(vi) All controversies which may arise between the parties concerning this Subscription Agreement shall be determined by arbitration pursuant to the rules then pertaining to the Financial Industry Regulatory Authority, Inc. ("FINRA") in New York City, New York. Judgment on any award of any such arbitration may be entered in the Supreme Court of the State of New York or in any other court having jurisdiction of the person or persons against whom such award is rendered. Any notice of such arbitration or for the confirmation of any award in any arbitration shall be sufficient if given in accordance with the provisions of this Agreement. The parties agree that the determination of the arbitrators shall be binding and conclusive upon them.

16. **Blue Sky Qualification.** The purchase of the Preferred Shares under this Subscription Agreement and the issuance of the Conversion Securities is expressly conditioned upon the exemption from qualification of the offer and sale of the Preferred Shares from applicable federal and state securities laws. The Company shall not be required to qualify this transaction under the securities laws of any jurisdiction and, should qualification be necessary, the Company shall be released from any and all obligations to maintain its offer, and may rescind any sale contracted, in the jurisdiction.

17. **Use of Pronouns; Titles.** All pronouns and any variations thereof used herein shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons referred to may require. Paragraph titles are for descriptive purposes only and shall not control or alter the meaning of this Subscription Agreement as set forth in the text.

18. **Confidentiality.** The Purchaser acknowledges and agrees that any information or data the Purchaser has acquired from or about the Company, not otherwise properly in the public domain, was received in confidence. The Purchaser agrees not to divulge, communicate or disclose, except as may be required by law or for the performance of this Agreement, or use to the detriment of the Company or for the benefit of any other person or persons, or misuse in any way, any confidential information of the Company, including any scientific, technical, trade or business secrets of the Company and any scientific, technical, trade or business materials that are treated by the Company as confidential or proprietary, including, but not limited to, ideas, discoveries, inventions, developments and improvements belonging to the Company and confidential information obtained by or given to the Company about or belonging to third parties.

19. **Miscellaneous.**

(a) This Subscription Agreement, including the exhibits and schedules hereto, constitutes the entire agreement between the Purchaser and the Company with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings, if any, relating to the subject matter hereof.

(b) The representations and warranties of the Purchaser made in Transaction Documents and Offering Materials shall survive the execution and delivery hereof and thereof, and the delivery of the Preferred Shares and the Conversion Securities.

(c) Each of the parties hereto shall pay its own fees and expenses (including the fees of any attorneys, accountants, appraisers or others engaged by such party) in connection with this Transaction Documents and Offering Materials and the transactions contemplated hereby and thereby, whether or not the transactions contemplated hereby or thereby are consummated.

(d) This omnibus signature page to this Subscription Agreement may be executed in one or more counterparts each of which shall be deemed an original, but all of which shall together constitute one and the same instrument. All fax, mechanical, digital, electronic, and/or stamped signatures shall be treated as original signatures and have the same legal effect thereof (the "**Associated Signature(s)**") that are associated with the omnibus signature page to this Subscription Agreement, as long as affixed to the particular document with the approval of the person whose signature is represented by the Associated Signature. There shall be a rebuttable presumption that an Associated Signature was affixed to the particular document with the consent of the person whose signature is represented thereby.

(e) Each provision of this Subscription Agreement shall be considered separable and, if for any reason any provision or provisions hereof are determined to be invalid or contrary to applicable law, such invalidity or illegality shall not impair the operation of or affect the remaining portions of this Subscription Agreement.

20. **Book Entry Registration of the Shares.** The Company will issue the Preferred Shares and the Conversion Securities by registering them in book entry form with the Company or the Company's transfer agent, if applicable, in Purchaser's name and the applicable restrictions will be noted in the records of the Company, or the Company's transfer agent, if applicable, and in the book entry system, except for investments made via custodian accounts such as pensions and IRAs in which case physical certificates evidencing the Preferred Shares and the Conversion Securities will be issued, if requested.

ANTI MONEY LAUNDERING REQUIREMENTS

The USA PATRIOT Act	What is money laundering?	How big is the problem and why is it important?
<p>The USA PATRIOT Act is designed to detect, deter, and punish terrorists in the United States and abroad. The Act imposes new anti-money laundering requirements on brokerage firms and financial institutions. Since April 24, 2002 all brokerage firms have been required to have new, comprehensive anti-money laundering programs.</p> <p>To help you understand these efforts, we want to provide you with some information about money laundering and the Placement Agent's efforts to implement the USA PATRIOT Act.</p>	<p>Money laundering is the process of disguising illegally obtained money so that the funds appear to come from legitimate sources or activities. Money laundering occurs in connection with a wide variety of crimes, including illegal arms sales, drug trafficking, robbery, fraud, racketeering, and terrorism.</p>	<p>The use of the U.S. financial system by criminals to facilitate terrorism or other crimes could well taint our financial markets. According to the U.S. State Department, one recent estimate puts the amount of worldwide money laundering activity at \$1 trillion a year.</p>

What the Placement Agent is required to do to help eliminate money laundering?	
<p>Under new rules required by the USA PATRIOT Act, the Placement Agent's anti-money laundering program must designate a special compliance officer, set up employee training, conduct independent audits, and establish policies and procedures to detect and report suspicious transaction and ensure compliance with the new laws.</p>	<p>As part of the Placement Agent's required program, it may ask you to provide various identification documents or other information. Until you provide the information or documents that the Placement Agent needs, it may not be able to effect any transactions for you.</p>

2. Registration.

(a) Mandatory Registration. The Company will use its reasonable best efforts to file with the Commission, within thirty (30) days after the date of the final closing of the Offering, but not later than the Registration Filing Date, a Registration Statement on Form S-1, Form S-3 or any other appropriate form, relating to the resale by the Holders of all of the Registrable Securities, and the Company shall use commercially reasonable efforts to cause such Registration Statement to be declared effective by the Commission as soon as practicable thereafter, but in no event later than the Effectiveness Deadline and shall use its best efforts to keep such Registration Statement continuously effective under the Securities Act until the date that all Registrable Securities covered by such Registration Statement (i) have been sold, thereunder or pursuant to Rule 144, or (ii) may be sold without volume or manner-of-sale restrictions pursuant to Rule 144 and without the requirement for the Company to be in compliance with the current public information requirement under Rule 144, as determined by the counsel to the Company pursuant to a written opinion letter to such effect, addressed and acceptable to the Company’s Transfer Agent and the affected Holders (the “**Effectiveness Period**”). The registration rights under this Section 2 shall not apply or be available with respect to securities of the Company held by affiliates (as defined in Rule 405 under the Securities Act) and related persons (as defined in Rule 404 under the Securities Act) of the Placement Agent or the officers and directors of the Company and their affiliates.

(b) Allocation of Registrable Securities. The initial number of Registrable Securities included in any Registration Statement and any increase in the number of Registrable Securities included therein shall be allocated pro rata among the Holders based on the number of Registrable Securities held by each Holder at the time the Registration Statement covering such initial number of Registrable Securities or increase thereof is declared effective by the SEC. In the event that a Holder sells or otherwise transfers any of such Holder’s Registrable Securities, each transferee shall be allocated a pro rata portion of the then remaining number of Registrable Securities included in such Registration Statement for such transferor. Any shares of Common Stock included in a Registration Statement and which remain allocated to any Person which ceases to hold any Registrable Securities covered by such Registration Statement shall be allocated to the remaining Holders, pro rata based on the number of Registrable Securities then held by such Holders which are covered by such Registration Statement. In no event shall the Company include any securities other than Registrable Securities on any Registration Statement without the prior written consent of the Majority Holders.

(c) (1) if the Commission allows the Registration Statement to be declared effective at any time before or after the Effectiveness Date, subject to the withdrawal of certain Registrable Securities from the Registration Statement, and the reason is the Commission's determination that (x) the offering of any of the Registrable Securities constitutes a primary offering of securities by the Company, (y) Rule 415 may not be relied upon for the registration of the resale of any or all of the Registrable Securities, and/or (z) a Holder of any Registrable Securities must be named as an underwriter, the Holders understand and agree the Company may reduce, on a *pro rata* basis, the total number of Registrable Securities to be registered on behalf of each such Holder. In any such *pro rata* reduction, the number of Registrable Securities to be registered on such Registration Statement will be reduced on a pro rata basis based on the total number of unregistered Conversion Shares. In addition, any such affected Holder shall be entitled to Piggyback Registration rights after the Registration Statement is declared effective by the Commission until such time as: (AA) all Registrable Securities have been registered pursuant to an effective Registration Statement, (BB) the Registrable Securities may be resold without restriction pursuant to SEC Rule 144 of the Securities Act or (CC) the Holder agrees to be named as an underwriter in any such registration statement. The Holders acknowledge and agree the provisions of this paragraph may apply to more than one Registration Statement; and

(2) For not more than fifteen (15) consecutive days or for a total of not more than thirty (30) days in any twelve (12) month period, the Company may suspend the use of any prospectus included in any Registration Statement contemplated by this Section in the event that the Company determines in good faith that such suspension is necessary to (A) delay the disclosure of MNPI concerning the Company, the disclosure of which at the time is not, in the good faith opinion of the Company, in the best interests of the Company or (B) amend or supplement the affected Registration Statement or the related prospectus so that (i) such Registration Statement shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein or (ii) such prospectus shall not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements, in the light of the circumstances under which they were made, not misleading, including in connection with the filing of a post-effective amendment to such Registration Statement in connection with the Company's filing of an Annual Report on Form 10-K for any fiscal year (an "**Allowed Delay**"); provided, that the Company shall promptly (a) notify each Holder in writing of the commencement of an Allowed Delay, but shall not (without the prior written consent of an Holder) disclose to such Holder any MNPI giving rise to an Allowed Delay, (b) advise the Holders in writing to cease all sales under the Registration Statement until the end of the Allowed Delay and (c) use commercially reasonable efforts to terminate an Allowed Delay as promptly as practicable.

(d) Piggyback Registration Rights. In addition to the Company's agreement pursuant to Section 2(a) above, if the Company shall, at any time during the Effectiveness Period or as contemplated pursuant to Section 2(c) and ending when all Registrable Securities have been sold by Holders, determine (i) to register for sale any of its Common Stock in an underwritten offering, or (ii) to file a registration statement covering the resale of any shares of the Common Stock held by any of its shareholders (other than the registration contemplated in Section 2(a) above), the Company shall provide written notice to the Holders, which notice shall be provided no less than fifteen (15) calendar days prior to the filing of such applicable registration statement (the "**Company Notice**"). In that event, the right of any Holder to include the Registrable Securities in such a registration shall be conditioned upon such Holder's written request to participate which shall be delivered to the Company within ten (10) calendar days after the Company Notice, as well as such Holder's participation in such underwriting (if applicable, for purposes of this paragraph) and the inclusion of such Holder's Registrable Securities in the underwriting to the extent provided herein. All Holders proposing to sell any of their Registrable Securities through such underwriting shall (together with the Company and any other stockholders of the Company selling their securities through such underwriting) enter into an underwriting agreement in customary form with the underwriter selected for such underwriting. Notwithstanding anything herein to the contrary, if the underwriter determines that marketing factors require a limitation on the number of shares of Common Stock or the amount of other securities to be underwritten, the underwriter may exclude some or all Registrable Securities from such registration and underwriting. The Company shall so advise all Holders (except those Holders who failed to timely elect to include their Registrable Securities through such underwriting or have indicated to the Company their decision not to do so), and indicate to each such Holder the number of shares of Registrable Securities that may be included in the registration and underwriting, if any. The number of Registrable Securities to be included in such registration and underwriting shall be allocated first to the Company, then to all other selling stockholders, including the Holders, who have requested to sell in the registration on a pro rata basis according to the number of shares requested to be included therein. If any Holder disapproves of the terms of any such underwriting, such Holder may elect to withdraw such Holder's Registrable Securities therefrom by delivering a written notice to the Company and the underwriter. A Holder with Registrable Securities included in any registration shall furnish to the Company such information regarding itself, the Registrable Securities held by it, and the intended method of disposition of such securities as shall be required in order to comply with any applicable law or regulation in connection with the registration of such Holder's Registrable Securities or any qualification or compliance with respect to such Holder's Registrable Securities and referred to in this Agreement. The Company shall have the right to terminate or withdraw any registration initiated by it before the effective date of such registration, whether or not any Holder has elected to include Registrable Securities in such registration. Notwithstanding the foregoing, the Company shall not be required to register any Registrable Securities pursuant to this Section 2(d) that are eligible for resale pursuant to Rule 144 without restriction (including, without limitation, volume restrictions) or that are the subject of a then-effective Registration Statement. The Company may postpone or withdraw the filing or the effectiveness of a piggyback registration at any time in its sole discretion.

3. Registration Procedures for Registrable Securities. The Company will keep each Holder reasonably advised as to the filing and effectiveness of the Registration Statement. At its expense with respect to the Registration Statement, the Company will:

(a) prepare and file with the Commission with respect to the Registrable Securities, a Registration Statement on Form S-1, Form S-3, or any other form for which the Company then qualifies or which counsel for the Company shall deem appropriate and which form shall be available for the sale of the Registrable Securities in accordance with the intended methods of distribution thereof, and use its commercially reasonable efforts to cause such Registration Statement to become effective and shall remain effective during the Effectiveness Period. Thereafter, the Company shall be entitled to withdraw such Registration Statement and the Holders shall have no further right to offer or sell any of the Registrable Securities registered for resale thereon pursuant to the respective Registration Statement (or any prospectus relating thereto);

(b) if the Registration Statement is subject to review by the Commission, respond in a commercially reasonable manner to all comments and diligently pursue resolution of any comments to the satisfaction of the Commission;

(c) prepare and file with the Commission such amendments and supplements to such Registration Statement as may be necessary to keep such Registration Statement effective during the Effectiveness Period;

(d) furnish, without charge, to each Holder of Registrable Securities covered by such Registration Statement (i) a reasonable number of copies of such Registration Statement (including any exhibits thereto other than exhibits incorporated by reference), each amendment and supplement thereto as such Holder may reasonably request, (ii) such number of copies of the prospectus included in such Registration Statement (including each preliminary prospectus and any other prospectus filed under Rule 424 of the Securities Act) as such Holders may reasonably request, in conformity with the requirements of the Securities Act, and (iii) such other documents as such Holder may require to consummate the disposition of the Registrable Securities owned by such Holder, but only during the Effectiveness Period;

(e) use its commercially reasonable efforts to register or qualify such registration under such other applicable securities laws of such jurisdictions as any Holder of Registrable Securities covered by such Registration Statement reasonably requests and as may be necessary for the marketability of the Registrable Securities (such request to be made by the time the applicable Registration Statement is deemed effective by the Commission) and do any and all other acts and things necessary to enable such Holder to consummate the disposition in such jurisdictions of the Registrable Securities owned by such Holder; provided, that the Company shall not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this paragraph, (ii) subject itself to taxation in any such jurisdiction, or (iii) consent to general service of process in any such jurisdiction.

(f) notify each Holder of Registrable Securities, the disposition of which requires delivery of a prospectus relating thereto under the Securities Act, of the happening of any event (as promptly as practicable after becoming aware of such event), which comes to the Company's attention, that will after the occurrence of such event cause the prospectus included in such Registration Statement, if not amended or supplemented, to contain an untrue statement of a material fact or an omission to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, and the Company shall promptly thereafter prepare and furnish to such Holder a supplement or amendment to such prospectus (or prepare and file appropriate reports under the Exchange Act) so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, unless suspension of the use of such prospectus otherwise is authorized herein or in the event of a Blackout Period, in which case no supplement or amendment need be furnished (or Exchange Act filing made) until the termination of such suspension or Blackout Period;

(g) comply, and continue to comply during the Effectiveness Period, in all material respects with the Securities Act and the Exchange Act and with all applicable rules and regulations of the Commission with respect to the disposition of all securities covered by such Registration Statement;

(h) as promptly as practicable after becoming aware of such event, notify each Holder of Registrable Securities being offered or sold pursuant to the Registration Statement of the issuance by the Commission of any stop order or other suspension of effectiveness of the Registration Statement;

(i) use its commercially reasonable efforts to cause all the Registrable Securities covered by the Registration Statement to be quoted on such Approved Market on which securities of the same class or series issued by the Company are then listed or quoted;

(j) provide a transfer agent and registrar, which may be a single entity, for the shares of Common Stock registered hereunder;

(k) though the Registrable Securities will be issued in book entry form, if requested by the Holders, cooperate with the Holders to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be delivered to a transferee pursuant to the Registration Statement, which certificates shall be free, to the extent permitted by applicable law, of all restrictive legends, and to enable such Registrable Securities to be in such denominations and registered in such names as any such Holders may request;

(l) use commercially reasonable efforts to (i) cause its legal counsel, at the Company's expense, (a) to issue to the Transfer Agent for the Common Stock, within a reasonable period of time after the Effective Date, a "blanket" legal opinion in customary form to the effect that the Registrable Securities covered by the Registration Statement have been registered for resale under the Securities Act and, if such counsel has requested and received a signed certificate (a "**Legend Removal Certificate**") from a Holder of the Registrable Securities, may then be reissued without any legend or restriction relating to their status as "restricted securities" as defined in Rule 144 ("**Legend Removal Shares**") upon resale pursuant to such Registration Statement; and (b) promptly to amend such opinion to cause the Registrable Securities to be Legend Removal Shares after later receipt of a Legend Removal Certificate from the Holder, and (ii) cause the Transfer Agent for the Common Stock to issue such Registrable Securities without any such legend within three (3) Trading Days after the Transfer Agent's receipt of such legal opinion with respect to Legend Removal Shares or otherwise within three (3) Trading Days after the Transfer Agent's receipt of evidence in customary form that the Registrable Securities have been sold pursuant to an effective resale registration statement under the Securities Act, as certificates, DRS Statements or electronic book entry positions, as requested by a Holder; and

(m) take all other reasonable actions necessary to expedite and facilitate the disposition by the Holders of the Registrable Securities pursuant to the Registration Statement.

4. Suspension of Offers and Sales Each Holder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3(f) hereof or of the commencement of a Blackout Period, such Holder shall discontinue the disposition of Registrable Securities included in the Registration Statement until such Holder's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3(f) hereof or notice of the end of the Blackout Period, and, if so directed by the Company, such Holder shall deliver to the Company (at the Company's expense) all copies (including, without limitation, any and all drafts), other than permanent file copies, then in such Holder's possession, of the prospectus covering such Registrable Securities current at the time of receipt of such notice.

5. Registration Expenses. The Company shall pay all expenses in connection with any registration obligation provided herein, including, without limitation, all registration, filing, stock exchange fees, printing expenses, all fees and expenses of complying with applicable securities laws, and the fees and disbursements of counsel for the Company and of its independent accountants; provided, that, in any registration, each party shall pay for its own underwriting discounts and commissions and transfer taxes. Except as provided in this Section 5 and Section 8, the Company shall not be responsible for the expenses of any attorney or other advisor employed by a Holder.

6. Assignment of Rights. The rights under this Agreement shall be automatically assignable by the Holders to any transferee of all or any portion of such Holder's Registrable Securities if: (i) the Holder agrees in writing with the transferee or assignee to assign such rights, and a copy of such agreement is furnished to the Company promptly after such assignment; (ii) the Company is, within a reasonable time after such transfer or assignment, furnished with written notice of (a) the name and address of such transferee or assignee, and (b) the securities with respect to which such registration rights are being transferred or assigned and (iii) immediately following such transfer or assignment the further disposition of such securities by the transferee or assignee is restricted under the Securities Act and applicable state securities laws; (iv) at or before the time the Company receives the written notice contemplated by clause (ii) of this sentence the transferee or assignee agrees in writing with the Company to be bound by all of the provisions contained herein.

7. Information by Holder. A Holder with Registrable Securities included in any registration shall furnish to the Company (and any managing underwriter(s), where applicable) such information regarding itself, the Registrable Securities held by it, the intended method of disposition of such securities, and such other information as shall be required in order to comply with any applicable law or regulation in connection with the registration of such Holder's Registrable Securities or any qualification or compliance with respect to such Holder's Registrable Securities and referred to in this Agreement. A form of Selling Stockholder Questionnaire is attached as Exhibit A hereto.

8. Indemnification.

(a) In the event of the offer and sale of Registrable Securities under the Securities Act, the Company shall, and hereby does, indemnify and hold harmless, to the fullest extent permitted by law, each Holder, its directors, officers, partners, each other person who participates as an underwriter in the offering or sale of such securities, and each other person, if any, who controls or is under common control with such Holder or any such underwriter within the meaning of Section 15 of the Securities Act, against any losses, claims, damages or liabilities, joint or several, and expenses to which the Holder or any such director, officer, partner or underwriter or controlling person may become subject under the Securities Act, the Exchange Act, or any other federal or state law, insofar as such losses, claims, damages, liabilities or expenses (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon (1), in the case of any registration statement prepared and filed by the Company under which Registrable Securities were registered under the Securities Act, if such registration statement contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading or (2) in the case of any preliminary prospectus, final prospectus or summary prospectus contained in such registration statement, or any amendment or supplement thereto, if such preliminary prospectus, final prospectus or summary prospectus includes an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements, in the light of the circumstances under which they were made, not misleading, or any violation by the Company of the Securities Act, the Exchange Act, any state securities law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities law in connection with this Agreement; and the Company shall reimburse the Holder, and each such director, officer, partner, underwriter and controlling person for any legal or any other expenses reasonably and actually incurred by them in connection with investigating, defending or settling any such loss, claim, damage, liability, action or proceeding; provided, that such indemnity agreement found in this Section 8(a) shall in no event exceed the net proceeds from the Offering received by the Company; and provided further, that the Company shall not be liable in any such case (i) to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon an untrue statement in or omission from such registration statement, any such preliminary prospectus, final prospectus, summary prospectus, amendment or supplement in reliance upon and in conformity with written information furnished to the Company by the Holder specifically for use in the preparation thereof or (ii) if the person asserting any such loss, claim, damage, liability (or action or proceeding in respect thereof) who purchased the Registrable Securities that are the subject thereof did not receive a copy of the preliminary prospectus or the final prospectus (or the final prospectus as amended or supplemented) at or prior to the written confirmation of the sale of such Registrable Securities to such person because of the failure of such Holder or underwriter to so provide such preliminary or final prospectus and the untrue statement or omission of a material fact made in such preliminary prospectus was corrected in the amended preliminary or final prospectus (or the final prospectus as amended or supplemented). Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Holders, or any such director, officer, partner, underwriter or controlling person and shall survive the transfer of such shares by the Holder.

(b) As a condition to including Registrable Securities in any registration statement filed pursuant to this Agreement, each Holder agrees to be bound by the terms of this Section 8 and to indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors and officers, and each other person, if any, who controls the Company within the meaning of Section 15 of the Securities Act, against any losses, claims, damages or liabilities, joint or several, to which the Company or any such director or officer or controlling person may become subject under the Securities Act, the Exchange Act, or any other federal or state law, to the extent arising out of or based solely upon: (x) such Holder's failure to comply with the prospectus delivery requirements of the Securities Act or (y)(1), in the case of any registration statement prepared and filed by the Company under which Registrable Securities were registered under the Securities Act, if such registration statement contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading or (2) in the case of any preliminary prospectus, final prospectus or summary prospectus contained in such registration statement, or any amendment or supplement thereto, such preliminary prospectus, final prospectus or summary prospectus includes an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements, in the light of the circumstances under which they were made, not misleading, (i) to the extent, but only to the extent, that such untrue statement or omission referred to in (y) (1) or (y)(2) above is contained in any information so furnished in writing by such Holder to the Company specifically for inclusion in the registration statement or such prospectus or (ii) to the extent that (1) such untrue statements or omissions referred to in (y)(1) or (y)(2) above are based solely upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein, or to the extent that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by such Holder expressly for use in the Registration Statement, such prospectus or such form of prospectus or in any amendment or supplement thereto or (2) in the case of an occurrence of an event of the type specified in Section 3(f) hereof, the use by such Holder of an outdated or defective prospectus after the Company has notified such Holder in writing that the prospectus is outdated or defective and prior to the receipt by such Holder of the advice contemplated in Section 3(f). Each Holder's obligation to indemnify shall be individual, not joint and several, and in no event shall the liability of any selling Holder hereunder be greater in amount than the dollar amount of the net proceeds received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation.

(c) Promptly after receipt by an indemnified party of notice of the commencement of any action or proceeding involving a claim referred to in this Section (including any governmental action), such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party, give written notice to the indemnifying party of the commencement of such action; provided, that the failure of any indemnified party to give notice as provided herein shall not relieve the indemnifying party of its obligations under this Section, except to the extent that the indemnifying party is actually prejudiced by such failure to give notice. In case any such action is brought against an indemnified party, the indemnifying party shall be entitled to participate in and to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party for any legal or other expenses subsequently incurred by the indemnified party in connection with the defense thereof, unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties arises in respect of such claim after the assumption of the defenses thereof or the indemnifying party fails to defend such claim in a diligent manner. If, in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties arises in respect of such claim after the assumption of the defenses thereof, the indemnified party (together with all other indemnified parties that may be represented without conflict by one counsel) shall have the right to retain one separate counsel, with the reasonable fees and expenses to be paid by the indemnifying party. No indemnifying party shall be liable for any settlement of any action or proceeding effected without its consent. No indemnifying party shall, without the consent of the indemnified party (which consent shall not be unreasonably withheld, conditioned or delayed), consent to entry of any judgment or enter into any settlement, unless such consent to entry of judgment or settlement includes as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect of such claim or litigation. Notwithstanding anything to the contrary set forth herein, and without limiting any of the rights set forth above, in any event any party shall have the right to retain, at its own expense, counsel with respect to the defense of a claim.

(d) If an indemnifying party does or is not permitted to assume the defense of an action pursuant to Section 8(c) or in the case of the expense reimbursement obligation set forth in Sections 8(a) and (b), the indemnification required by Sections 8(a) and 8(b) shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills received or expenses, losses, damages, or liabilities are incurred provided that the indemnifying party is provided appropriate documentation.

(e) If the indemnification provided for in Section 8(a) or 8(b) is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, liability, claim, damage or expense referred to herein, the indemnifying party, in lieu of indemnifying such indemnified party hereunder, shall (i) contribute to the amount paid or payable by such indemnified party as a result of such loss, liability, claim, damage or expense as is appropriate to reflect the proportionate relative fault of the indemnifying party on the one hand and the indemnified party on the other (determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission relates to information supplied by the indemnifying party or the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission), or (ii) if the allocation provided by clause (i) above is not permitted by applicable law or provides a lesser sum to the indemnified party than the amount hereinafter calculated, not only the proportionate relative fault of the indemnifying party and the indemnified party, but also the relative benefits received by the indemnifying party on the one hand and the indemnified party on the other, as well as any other relevant equitable considerations. No indemnified party guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any indemnifying party who was not guilty of such fraudulent misrepresentation.

9. Transfer Restrictions.

(a) Disposition of Securities. The Securities may only be disposed of in compliance with provincial, state and federal securities laws in the United States, as the case may be. In connection with any transfer of Securities (other than pursuant to an effective registration statement, or to an Affiliate of such Purchaser or in connection with a pledge as contemplated in Section 9(c)), the Company may require the transferor thereof to provide to the Company, at the Company's expense, an opinion of counsel selected by the transferor and reasonably acceptable to the Company, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration of such transferred Securities under the Securities Act. As a condition of transfer, any such transferee shall agree in writing to be bound by the terms of this Agreement and shall have the rights and obligations of such Purchaser under this Agreement and the other Transaction Documents.

(b) Legend. Each Purchaser agrees to the imprinting, so long as is required by this Section 9, of a legend on any of the Securities in the following form:

NEITHER THIS SECURITY NOR THE SECURITIES INTO WHICH THIS SECURITY IS CONVERTIBLE HAS BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS AS EVIDENCED BY A LEGAL OPINION OF COUNSEL TO THE TRANSFEROR TO SUCH EFFECT, THE SUBSTANCE OF WHICH SHALL BE REASONABLY ACCEPTABLE TO THE COMPANY. THIS SECURITY AND THE SECURITIES ISSUABLE UPON CONVERSION OF THIS SECURITY MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT WITH A REGISTERED BROKER-DEALER OR OTHER LOAN WITH A FINANCIAL INSTITUTION THAT IS AN "ACCREDITED INVESTOR" AS DEFINED IN RULE 501(a) UNDER THE SECURITIES ACT OR OTHER LOAN SECURED BY SUCH SECURITIES.

(c) Pledge. The Company acknowledges and agrees that the Purchasers may from time to time pledge pursuant to a bona fide margin agreement with a registered broker-dealer or grant a security interest in some or all of the Securities to a financial institution that is an "accredited investor" as defined in Rule 501(a) under the Securities Act and who agrees to be bound by the provisions of this Agreement and, if required under the terms of such arrangement, the Purchasers may transfer pledge or secure Securities to the pledgees or secured parties. Such a pledge or transfer would not be subject to approval of the Company and, to Purchasers' knowledge, no legal opinion of legal counsel of the pledgee, secured party or pledgor shall be required in connection therewith. At the appropriate Purchaser's expense, the Company will execute and deliver such reasonable documentation as a pledgee or secured party of Securities may reasonably request in connection with a permitted pledge or transfer of the Securities.

(d) Legend Removal. Certificates evidencing the Registrable Securities shall not contain any legend ("**Unlegended Shares**") (including the legends set forth in Section 9(b) hereof): (i) required under the Securities Act while a registration statement covering the resale of such security is effective under the Securities Act, (ii) if such Underlying Shares are eligible for sale under Rule 144, without volume or manner-of-sale restrictions, or (iii) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of any agency or Trading Market (as defined in the Certificate of Designations) with regard to applicable law). The Company shall cause its counsel to issue a legal opinion to the Transfer Agent promptly after the Effective Date if required by the Transfer Agent to effect the removal of the legend hereunder. If the Shares are converted at a time when there is an effective registration statement to cover the resale of the Registrable Securities, or if such Registrable Securities may be sold under Rule 144 or if such legend is not otherwise required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Commission) then such Registrable Securities shall be issued free of all United States legends. The Company agrees that following such time as all such legends are no longer required under this Section 9(d), it will, no later than five (5) Trading Days following the delivery by such Purchaser to the Company or the Transfer Agent of a certificate representing Registrable Securities, as applicable, issued with a restrictive legend (such fifth (5th) Trading Day, the "**Legend Removal Date**"), deliver or cause to be delivered to such Purchaser a certificate representing such shares that is free from all restrictive and other legends (however, the Company shall use reasonable efforts to deliver such shares within two (2) Trading Days). The Company may not make any notation on its records or give instructions to the Transfer Agent that enlarge the restrictions on transfer set forth in this Section 9. Certificates for Registrable Securities subject to legend removal hereunder shall, if possible, be transmitted by the Transfer Agent to such Purchaser by crediting the account of such Purchaser's prime broker with the Depository Trust Company System as directed by such Purchaser.

(e) DWAC. In lieu of delivering physical certificates representing the Unlegended Shares, upon request of such Purchaser, and so long as the certificates therefor do not bear a legend and such Purchaser is not obligated to return such certificate for the placement of a legend thereon, the Company shall cause its Transfer Agent to electronically transmit the Unlegended Shares by crediting the account of such Purchaser's prime broker with the Depository Trust Company ("DTC") through its Deposit Withdrawal At Custodian system, provided that the Common Stock is DTC eligible and the Company's Transfer Agent participates in the Deposit Withdrawal at Custodian system. Such delivery must be made on or before the Legend Removal Date.

(i) Plan of Distribution. Each Purchaser agrees with the Company that such Purchaser will sell any Securities pursuant to either the registration requirements of the Securities Act, including any applicable prospectus delivery requirements, or an exemption therefrom, and that if Securities are sold pursuant to a registration statement, they will be sold in compliance with the plan of distribution set forth therein, and acknowledges that the removal of the restrictive legend from certificates representing Securities as set forth in this Section 9 is predicated upon the Company's reliance upon this understanding.

10. INTENTIONALLY OMITTED.

11. Rule 144. With a view to making available to the Holders the benefits of SEC Rule 144 and any other rule or regulation of the SEC that may at any time permit the Holders to sell the Registrable Securities to the public without registration, the Company agrees to use commercially reasonable efforts to: (i) to make and keep public information available as those terms are understood in SEC Rule 144, (ii) to file with the SEC in a timely manner all reports and other documents required to be filed by an issuer of securities registered under the Securities Act or the Exchange Act pursuant to SEC Rule 144, (iii) as long as any Holder owns any Registrable Securities, to furnish in writing upon such Holder's request a written statement by the Company that it has complied with the reporting requirements of SEC Rule 144 and of the Securities Act and the Exchange Act, and to furnish to such Holder a copy of the most recent annual or quarterly report of the Company, and such other reports and documents so filed by the Company as may be reasonably requested in availing such Holder of any rule or regulation of the SEC permitting the selling of any such Registrable Securities without registration, (iv) with respect to the sale of any Registrable Securities by a Holder pursuant to SEC Rule 144 and subject to Holder providing necessary documentation to meet the requirements of such rule, to promptly furnish, without any charge to such Holder, a written legal opinion of its counsel to facilitate such sale and, if necessary, instruct its Transfer Agent in writing that it may rely on said written legal opinion of counsel with respect to said sale and (v) undertake any additional actions commercially necessary to maintain the availability of Rule 144.

12. Independent Nature of Each Purchaser's Obligations and Rights. The obligations of each Purchaser under this Agreement are several and not joint with the obligations of any other Purchaser, and each Purchaser shall not be responsible in any way for the performance of the obligations of any other Purchaser under this Agreement. Nothing contained herein and no action taken by any Purchaser pursuant hereto, shall be deemed to constitute such Purchasers as a partnership, an association, a joint venture, or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Agreement. Each Purchaser shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Agreement, and it shall not be necessary for any other Purchaser to be joined as an additional party in any proceeding for such purpose.

13. Miscellaneous.

(a) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. If any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of any provision of this Agreement in any other jurisdiction. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION HEREWITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY.

(b) Remedies. In the event of a breach by the Company or by a Holder of any of their respective obligations under this Agreement, each Holder or the Company, as the case may be, in addition to being entitled to exercise all rights granted by law and under this Agreement, including recovery of damages, shall be entitled to specific performance of its rights under this Agreement. The Company and each Holder agree that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by it of any of the provisions of this Agreement and hereby further agrees that, in the event of any action for specific performance in respect of such breach, it shall not assert or shall waive the defense that a remedy at law would be adequate.

(c) Successors and Assigns. Except as otherwise provided herein, the provisions hereof shall inure to the benefit of, and be binding upon, the successors, permitted transferees and assignees, executors and administrators of the parties hereto.
