## Role of Board in Risk Oversight Process

Our Board has responsibility for the oversight of the Company's risk management processes and, either as a whole or through its committees, regularly discusses with management our major risk exposures, their potential impact on our business, and the steps we take to manage them. The risk oversight process includes receiving regular reports from Board committees and members of senior management to enable our Board to understand our risk identification, risk management and risk mitigation strategies with respect to areas of potential material risk, including operations, finance, legal, regulatory, strategic and reputational risk. Cybersecurity risk is a key consideration in our operational risk management capabilities, and we continuously strive to implement best practices to mitigate risk. Given the nature of our operations and business, cybersecurity risk may manifest itself through various business activities and channels and is thus considered an enterprise-wide risk which is subject to control and monitoring at various levels of management throughout the business. Our Board will oversee and review reports on significant matters of corporate security, including cybersecurity. In addition, we maintain specific cyber insurance through our corporate insurance program, the adequacy of which is subject to review and oversight by our Board.

Our Audit Committee reviews information regarding liquidity and operations and oversees our management of financial risks. Periodically, our Audit Committee reviews our policies with respect to risk assessment, risk management, loss prevention and regulatory compliance. Oversight by the Audit Committee includes direct communication with our external auditors, and discussions with management regarding significant risk exposures and the actions management has taken to limit, monitor or control such exposures. Our Compensation Committee is responsible for assessing whether any of our compensation policies or programs has the potential to encourage excessive risk-taking. Matters of significant strategic risk are considered by our Board as a whole.

The Board is committed to promoting effective, independent governance of the Company. Our board believes it is in the best interests of the stockholders and the Company for the Board to have the flexibility to select the best director to serve as Chair at any given time, regardless of whether that director is an independent director or the Chief Executive Officer. Consequently, we do not have a policy governing whether the roles of Chair and Chief Executive Officer should be separate or combined. This decision is made by our Board, based on the best interests of the Company considering the circumstances at the time.

The Board currently separates the roles of Chief Executive Officer and Executive Chair of the Board. Our Chief Executive Officer, Mr. Edelman, is responsible for setting the strategic direction of the Company and the day-to-day leadership and operation of the Company. Our Executive Chairman, Ms. Hand, provides guidance to the Chief Executive Officer on a daily basis, and sets the agenda for the Board meetings and presides over Board meetings. Ms. Hand possesses in-depth knowledge of the issues, opportunities and risks facing us, as well as our business and our industry. Ms. Hand is best positioned to fulfill the Executive Chair's responsibility to develop meeting agendas that focus the Board's time and attention on critical matters and to facilitate constructive dialogue among Board members on strategic issues.

The Board maintains effective independent oversight through a number of governance practices, including open and direct communication with management, input on meeting agendas, and regular executive sessions.

## **Code of Business Conduct and Ethics**

We have adopted a Code of Business Conduct and Ethics applicable to our employees, officers and directors. We provide our Code of Business Conduct and Ethics under the Corporate Governance section of our website at <http://ir.superleague.com>. We intend to disclose any future amendments to certain provisions of our Code of Business Conduct and Ethics, or waivers of these provisions, on our website or in our filings with the SEC under the Exchange Act.

## **Insider Trading Policy**

We have adopted an Insider Trading Policy (the "*Insider Trading Policy*") governing the purchase, sale, and/or other dispositions of the Company's securities by directors, officers, employees, and consultants and contractors to the Company, designed to promote compliance with insider trading laws, rules and regulations, and Nasdaq listing standards. A form of the Insider Trading Policy is filed with the SEC as Exhibit 19.1 to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2024.

## **Limitation of Liability and Indemnification**

Our Charter and Bylaws provide the indemnification of our directors and officers to the fullest extent permitted under the Delaware General Corporation Law ("*DGCL*"). In addition, the Charter provides that our directors shall not be personally liable to us or our shareholders for monetary damages for breach of fiduciary duty as a director and that if the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of our directors shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

As permitted by the DGCL, we have entered into or plan to enter into separate indemnification agreements with each of our directors and certain of our officers that require us, among other things, to indemnify them against certain liabilities which may arise by reason of their status as directors, officers or certain other employees. We have obtained and expect to maintain insurance policies under which our directors and officers are insured, within the limits and subject to the limitations of those policies, against certain expenses in connection with the defense of, and certain liabilities that might be imposed as a result of, actions, suits or proceedings to which they are parties by reason of being or having been directors or officers. The coverage provided by these policies may apply whether or not we would have the power to indemnify such person against such liability under the provisions of the DGCL.

We believe that these provisions and agreements are necessary to attract and retain qualified persons as our officers and directors. At present, there is no pending litigation or proceeding involving our directors or officers for whom indemnification is required or permitted, and we are not aware of any threatened litigation or proceeding that may result in a claim for indemnification.

## Stockholder Communications

If you wish to communicate with the Board of Directors, you may send your communication in writing to:

Super League Enterprise, Inc.

Attn: Corporate Secretary

You must include your name and address in the written communication and indicate whether you are a stockholder of the Company. Our Corporate Secretary will review any communication received from a stockholder, and all material and appropriate communications from stockholders will be forwarded to the appropriate director or directors or committee of the Board of Directors based on the subject matter.

## Section 16(a) Beneficial Ownership Reporting Compliances

Section 16(a) of the Exchange Act requires our officers, directors, and persons who beneficially own more than 10% of our common stock to file reports of ownership and changes in ownership with the SEC. Officers, directors, and greater-than-ten-percent shareholders are also required by the SEC to furnish us with copies of all Section 16(a) forms that they file.

Based solely on a review of copies of such reports furnished to our Company and representation that no other reports were required during the fiscal year ended December 31, 2024, we believe that all persons subject to the reporting requirements pursuant to Section 16(a) filed the required reports on a timely basis with the SEC.

## Director Independence

Our Board has determined that the following five of our six directors qualify as independent directors, as determined in accordance with the Listing Rule 5605 of the Nasdaq Stock Market: Messrs. Gehl, Keller, Jung, and Breen, and Ms. Patrick. Nasdaq Listing Rule 5605 includes a series of objective tests, including that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of such director's family members have engaged in various types of business dealings with us. In addition, as required by Nasdaq Stock Market listing rules, our Board has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our Board reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities and relationships as they may relate to us and our management.

Ms. Hand, our Executive Chair, is a first cousin of Mr. Gehl, a member of our Board. There are no other family relationships among any of our directors or executive officers.

## ITEM 11. EXECUTIVE COMPENSATION

### Summary Compensation Table

We are a smaller reporting company for purposes of the SEC's executive compensation disclosure rules. In accordance with such rules, we are required to provide a Summary Compensation Table and an Outstanding Equity Awards at Fiscal Year End Table, as well as limited narrative disclosures regarding executive compensation for our last two completed fiscal years. Further, our reporting obligations extend only to our "named executive officers," who are those individuals serving as our principal executive officer and our two other most highly compensated executive officers who were serving as executive officers at December 31, 2024, the end of the last completed fiscal year (the "*Named Executive Officers*").

We have identified Ann Hand, Matt Edelman, Clayton Haynes and David Steigelfest, former Chief Platform Officer, Corporate Secretary and member of the Board, as our Named Executive Officers for the year ended December 31, 2024. Our Named Executive Officers for our fiscal year ending December 31, 2025 are subject to change, as we may hire or appoint new executive officers.

For the fiscal years ended December 31, 2024 and 2023, compensation for our Named Executive Officers was as follows:

<b>Name and principal position</b>	<b>Year</b>	<b>Salary (\$)</b>	<b>Bonus (\$)</b>	<b>Other</b>	<b>Stock Awards (\$)(1)</b>	<b>Option Awards (\$)(1)</b>	<b>Total (\$)</b>

(1) This column represents the grant date fair value calculated in accordance with the FASB’s Accounting Standards Codification Topic 718, Compensation – Stock Compensation (“ASC 718”). Compensation expense for stock-based awards is measured at the grant date, based on the estimated fair value of the award, and is recognized as an expense, typically on a straight-line basis over the employee’s requisite service period (generally the vesting period of the equity award) which is generally two to four years. Compensation expense for awards with performance conditions that affect vesting is recorded only for those awards expected to vest or when the performance criteria are met. The fair value of restricted stock and restricted stock unit awards is determined by the product of the number of shares or units granted and the grant date market price of the underlying common stock. The fair value of stock option and common stock purchase warrant awards is estimated on the date of grant utilizing the Black-Scholes-Merton option pricing model. The Company utilizes the simplified method for estimating the expected term for options granted to employees due to the lack of available or sufficient historical exercise data for the Company for the applicable options terms. The Company accounts for forfeitures of awards as they occur. Estimates of expected volatility of the underlying common stock for the expected term of the stock option used in the Black-Scholes-Merton option pricing model are determined by reference to historical volatilities of the Company’s common stock and historical volatilities of similar companies.

A condition affecting the exercisability or other pertinent factors used in determining the fair value of an award that is based on an entity achieving a specified share price constitutes a market condition pursuant to ASC 718, “Stock based Compensation,” (“ASC 718”). A market condition is reflected in the grant-date fair value of an award, and therefore, a Monte Carlo simulation model is utilized to determine the estimated fair value of the equity-based award. Compensation cost is recognized for awards with a market condition, provided the requisite service period is satisfied, regardless of whether the market condition is ever satisfied.

Cancellation of an existing equity-classified award along with a concurrent grant of a replacement award is accounted for as a modification under ASC 718, “Stock-based Compensation.” Total compensation cost to be recognized in connection with a modification and concurrent grant of a replacement award is equal to the original grant date fair value plus any incremental fair value, calculated as the excess of the fair value of the replacement award over the fair value of the original awards on the cancellation date. Any incremental compensation cost related to vested awards is recognized immediately on the modification date. Any incremental compensation cost related to unvested awards is recognized prospectively over the remaining service period, in addition to the remaining unrecognized grant date fair value.

The applicable amounts included in the table above do not represent the actual value, if any, that may be realized by the Named Executive Officers.

- (2) No bonus compensation was earned in connection with the 2024 executive bonus program approved at the discretion of the Board. Refer to additional compensation disclosures herein.
- (3) Includes executive bonus amounts earned in connection with the 2023 executive bonus program approved at the discretion of the Board.

- (4) Ms. Hand served as the Company's Chief Executive Officer during the years ended December 31, 2023 and December 31, 2024, until Mr. Edelman's appointment as Chief Executive Officer on April 1, 2025. Ms. Hand served as the Company's President during the year ended December 31, 2022 until Mr. Edelman's appointment as President on January 13, 2023.
- (5) Mr. Edelman served as the Company's Chief Commercial Officer during the years ended December 31, 2023 and December 31, 2024, and was appointed as Chief Executive Officer on April 1, 2025.
- (6) Mr. Steigelfest served as the Company's Chief Platform Officer, Corporate Secretary and as a member of the Board until Mr. Steigelfest concluded his tenure as an officer and director of the Company effective April 1, 2024. Pursuant to the terms of Mr. Steigelfest's employment agreement, Mr. Steigelfest was entitled to a cash payment equal to 12 months of the Mr. Steigelfest's Base Pay from the date of termination, payable monthly over the period April 2024 through March 2025.

#### **Elements of Compensation**

Our executive compensation program consisted of the following components of compensation during the years ended December 31, 2024 and 2023:

##### *Base Salary*

Each of our executive officers receives a base salary for the expertise, skills, knowledge and experience he or she offers to our management team. The base salary of each of our executive officers is re-evaluated annually, and may be adjusted to reflect:

- the nature, responsibilities, and duties of the officer's position;
- the officer's expertise, demonstrated leadership ability, and prior performance;
- the officer's salary history and total compensation, including annual equity incentive awards; and
- the competitiveness of the officer's base salary.

##### *Executive Bonus*

The Compensation Committee assesses the level of the executive officer's achievement of meeting individual goals, as well as that executive officer's contribution towards our business objectives. Bonus amounts depend on the level of achievement of individual performance goals, with a target bonus generally set as a percentage of base salary and based on the achievement of pre-determined milestones. For the year ended December 31, 2023, each of our Named Executive Officers was awarded a bonus by the Compensation Committee in the amount set forth in the Summary Compensation Table above. For the year ended December 31, 2024, no bonus compensation was earned in connection with the 2024 Executive Bonus Program approved by the Compensation Committee, as a result of not achieving applicable pre-determined milestones for fiscal year 2024.

##### *Equity Incentive Awards*

We believe that to attract and retain management, key employees and non-management directors, the compensation paid to these persons should include, in addition to base salary, annual equity incentives. Our Compensation Committee determines the amount and terms of equity-based compensation granted to each individual. In determining whether to grant certain equity awards to our executive officers, the Compensation Committee assesses the level of the executive officer's achievement of meeting individual goals, as well as the executive officer's contribution towards goals of the Company. All equity awards issued to our Named Executive Officers reflected in the table above were issued under our 2014 Plan.

## Employment Agreements and Potential Payments upon Termination or Change of Control

**Stock Option and Incentive Plan***2025 Omnibus Equity Incentive Plan*

The 2025 Omnibus Equity Incentive Plan was approved by the Board of Directors on April 8, 2025, and remains subject to stockholder approval at the Annual Meeting. For more information on the 2025 Plan, see Proposal 5.

*Amended and Restated 2014 Stock Option and Incentive Plan*

The Super League 2014 Stock Option and Incentive Plan (the “2014 Plan”) was approved by the Board of Directors and the stockholders of Super League in October 2014. The 2014 Plan was subsequently amended in May 2015, May 2016, July 2017, October 2018, May 2020, April 2021, June 2022 and September 2023. The 2014 Plan allows grants of stock options, stock awards and performance shares with respect to Common Stock of the Company to eligible individuals, which generally includes directors, officers, employees, advisors and consultants. The 2014 Plan provides for both the direct award and sale of shares of Common Stock and for the grant of options to purchase shares of Common Stock. Options granted under the 2014 Plan included non-statutory options as well as incentive options intended to qualify under Section 422 of the Internal Revenue Code of 1986, as amended.

The Board of Directors administers the 2014 Plan and determines which eligible individuals may receive option grants or stock issuances under the 2014 Plan, the times when the grants or issuances are to be made, the number of shares of Common Stock subject to each grant or issuance, the status of any granted option as either an incentive stock option or a non-statutory stock option under the federal tax laws, the vesting schedule to be in effect for the option grant or stock issuance and the maximum term for which any granted option is to remain outstanding. The maximum number of shares of Common Stock issuable under the 2014 Plan is 750,000 million shares, subject to adjustments for stock splits, stock dividends or other similar changes in our Common Stock or our capital structure. The 2014 Plan expires by its terms on July 1, 2027.

**Policies and Practices Related to the Grant of Certain Equity Awards Close in Time to the Release of Material Non-Public Information**

Option grants to employees, executive officers and non-employee directors are made by the Compensation Committee under the 2014 Plan from time to time, as determined by the Compensation Committee. We do not have any formal policy that requires the Company to grant, or avoid granting, equity-based compensation at certain times. We do not grant equity awards in anticipation of the release of material nonpublic information that is likely to result in changes to the price of our Common Stock, and do not time the public release of such information based on award grant dates. The timing of any equity grants to executive officers or directors in connection with new hires, promotions, or other non-routine grants is tied to the event giving rise to the award (such as an executive officer’s commencement of employment or promotion effective date).

During the year ended December 31, 2024, there were no equity grants made to our executive officers during any period beginning four business days before the filing of a periodic report or current report disclosing material non-public information and ending one business day after the filing or furnishing of such report with the SEC.

**Non-Executive Director Compensation**

On January 31, 2019, and as amended on August 13, 2019, effective July 1, 2019, our Board adopted a director compensation plan for our non-employee directors, the details of which are presented in the table below. We do not provide deferred compensation or retirement plans for non-employee directors.

On the date of the Company’s annual meeting of stockholders, each director will receive RSUs at a per share price equal to the closing price of the Company’s common stock on the grant date, which RSU will become fully vested on the one-year anniversary of the initial grant date.
- (3) Any new non-employee director appointed to the Board will receive cash compensation equal to a prorated portion of the annual retainer amount.

### ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

In connection with Mr. Jung's appointment as a director on our Board, the Company and Mr. Jung entered into a consulting agreement (the "*Consulting Agreement*"), pursuant to which Mr. Jung will provide the Company with strategic advice and planning services for which Mr. Jung will receive a cash payment of \$7,500 per month from the Company. The Consulting Agreement had an initial term that continued until December 31, 2019, and was extended through December 31, 2020 upon mutual agreement of Mr. Jung and the Company, and continued on a month-to-month basis during 2022 and 2023.

On November 19, 2024 (the "*Effective Date*"), the Company entered into a Note Purchase Agreement (the "*Purchase Agreement*") with a non-employee member of the board directors of the Company (the "*Purchaser*"). Pursuant to the Purchase Agreement, the Company issued to the Purchaser an Unsecured Promissory Note (the "*Note*") in the amount of \$1,500,000 (the "*Principal*"), for which the Note (i) matures on the date that is 12 months from the Effective Date (the "*Maturity Date*"), (ii) may be pre-paid at any time by the Company without penalty, and (iii) accrues interest on the Principal at a rate of 40% simple interest per annum (the "*Interest*"). The Interest is payable in two equal increments of 20% of the Principal (each, an "*Interest Payment*", and collectively, the "*Interest Payments*"), with the first Interest Payment being due on the date that is six months from the Effective Date, and the second Interest Payment being due on Maturity Date. In the event of a prepayment of the Note by the Company, the Interest Payments will be pro-rated for the period the Note is outstanding.

The Note also provides for: (i) standard events of default, including (a) any default in the payment of the principal or Interest on their respective due dates, (b) the occurrence of a Bankruptcy Event (as defined in the Note), or (c) the Company commits any material breach or default of any material provision of the Note, if not cured within 20 days following the written notice from the Purchaser specifying in reasonable detail such breach or default (sections (a) through (c), the “*Events of Default*”); and (ii) customary provisions, including representations, warranties and covenants, indemnification, waiver of jury trial, arbitration, and the exercise of remedies upon a breach or default. Upon the occurrence of an Event of Default, the Note will bear interest at the default interest rate of 45% per annum, and upon Holder’s written notice to the Company, all payments of Principal and Interest will become immediately due and payable.

#### *Related Party Transaction Policy*

Our Board recognizes the fact that transactions with related persons present a heightened risk of conflicts of interests and/or improper valuation (or the perception thereof). Accordingly, our Board has adopted a written policy addressing the approval of transactions with related persons, in conformity with the requirements for issuers having publicly held common stock listed on the Nasdaq Capital Market. Pursuant to our Related Persons Transactions Policy (the “*Policy*”), any related-person transaction, and any material amendment or modification of a related-person transaction, is required to be reviewed and approved or ratified by the Board’s Audit Committee, which shall be composed solely of independent directors who are disinterested, or in the event that a member of the Audit Committee is a Related Person, as defined below, then by the disinterested members of the Audit Committee; *provided, however*, that in the event that management determines that it is impractical or undesirable to delay the consummation of a related person transaction until a meeting of the Audit Committee, then the Chair of the Audit Committee may approve such transaction in accordance with this policy; such approval must be reported to the Audit Committee at its next regularly scheduled meeting. In determining whether to approve or ratify any related person transaction, the Audit Committee must consider all of the relevant facts and circumstances and shall approve only those transactions that are deemed to be in the best interests of the Company.

Pursuant to our Policy and SEC rules, a “related person transaction” includes any transaction, arrangement or relationship which: (i) the Company is a participant; (ii) the amount involved exceeds \$120,000; and (iii) an executive officer, director or director nominee, or any person who is known to be the beneficial owner of more than 5% of our common stock, or any person who is an immediate family member of an executive officer, director or director nominee or beneficial owner of more than 5% of our common stock, had or will have a direct or indirect material interest (each a “*Related Person*”).

In connection with the review and approval or ratification of a related person transaction:

- Management shall be responsible for determining whether a transaction constitutes a related person transaction subject to the Policy, including whether the Related Person has a material interest in the transaction, based on a review of all of the facts and circumstances; and
- Should management determine that a transaction is a related person transaction subject to the Policy, it must disclose to the Audit Committee all material facts concerning the transaction and the Related Person’s interest in the transaction.

#### **Director Independence**

Our Board has determined that the following five of our six directors qualify as independent directors, as determined in accordance with the Listing Rule 5605 of the Nasdaq Stock Market: Messrs. Breen, Gehl, Keller and Jung, and Ms. Patrick. Nasdaq Listing Rule 5605 includes a series of objective tests, including that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his family members has engaged in various types of business dealings with us. In addition, as required by Nasdaq Stock Market listing rules, our Board has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our Board reviewed and discussed information provided by the directors and us with regard to each director’s business and personal activities and relationships as they may relate to us and our management.

Ms. Hand, our Executive Chair, is a first cousin of Mr. Gehl, a member of our Board. There are no other family relationships among any of our directors or executive officers.

**ITEM 14. PRINCIPAL ACCOUNTING FEES AND SERVICES**

The Board may terminate the appointment of Withum as the Company’s independent registered public accounting firm without the approval of the Company’s stockholders whenever the Board deems such termination necessary or appropriate.

On June 8, 2023, Baker Tilly US, LLP (“*Baker Tilly*”) informed the Company and the Audit Committee of the Company that Baker Tilly would not be able to stand for re-election as the Company’s independent registered public accounting firm for the fiscal year ended December 31, 2023. On July 14, 2023, the Board appointed Withum Smith + Brown PC (“*Withum*”) as the Company’s independent registered public accounting firm for the year ending December 31, 2023.
