**Item 1.01 Entry into a Material Definitive Agreement.**

On November 22, 2022, Super League Gaming, Inc. (the “Company”) entered into subscription agreements (each, a “*Subscription Agreement*” and collectively, the “*Subscription Agreements*”) with accredited investors relating to an offering (the “*Offering*”) with respect to the sale of an aggregate of 5,359 shares of newly designated Series A Convertible Preferred Stock, par value \$0.001 per share (the “*Series A Preferred*”), at a purchase price of \$1,000 per share, for aggregate gross proceeds to the Company of approximately \$5.36 million.

In connection with the Offering, on November 22, 2022 (the “*Effective Date*”), the Company filed a Certificate of Designation of Preferences, Rights and Limitations of the Series A Preferred Stock (the “*Series A Certificate of Designation*”) with the State of Delaware. Each share of Series A Preferred is convertible at the option of the holder, subject to certain beneficial ownership limitations and primary market limitations as set forth in the Series A Certificate of Designation, into such number of shares of the Company’s common stock, par value \$0.001 (the “*Common Stock*”) equal to the number of Series A Preferred to be converted, multiplied by the stated value of \$1,000 (the “*Stated Value*”), divided by the conversion price in effect at the time of the conversion (the initial conversion price will be \$0.62, subject to adjustment in the event of stock splits, stock dividends, and similar transactions). In addition, subject to beneficial ownership and primary market limitations: (1) the Series A Preferred will automatically convert into shares of Common Stock at the Conversion Price upon the earlier of (a) the 24-month anniversary of the Effective Date or (b) the consent to conversion by holders of at least 51% of the outstanding shares of Series A Preferred; and (2) on the one year anniversary of the Effective Date, the Company may, in its discretion, convert (y) 50% of the outstanding shares of Series A Preferred if the volume-weighted average price of the Company’s Common Stock over the previous 10 days as reported on the NASDAQ Capital Market (the “*VWAP*”), equals at least 250% of the Conversion Price, or (z) 100% of the outstanding shares of Series A Preferred if and only if the VWAP equals at least 300% of the Conversion Price.

The Series A Preferred shall vote together with the common stock on an as-converted basis, and not as a separate class, subject to the primary market limitations, except that holders of Series A Preferred shall vote as a separate class with respect to (a) amending, altering, or repealing any provision of the Series A Certificate of Designation in a manner that adversely affects the powers, preferences or rights of the Series A Preferred, (b) increasing the number of authorized shares of Series A Preferred, (c) authorizing or issuing an additional class or series of capital stock that ranks senior to or pari passu with the Series A Preferred with respect to the distribution of assets on liquidation, (d) authorizing, creating, incurring, assuming, guaranteeing or suffering to exist any indebtedness for borrowed money of any kind in excess of \$5 million, or (e) entering into any agreement with respect to the foregoing. In addition, no holder of Series A Preferred shall be entitled to vote on any matter presented to the Company’s stockholders relating to approving the conversion of such holder’s Series A Preferred into an amount in excess of the primary market limitations. Upon any dissolution, liquidation or winding up, whether voluntary or involuntary, holders of Series A Preferred will be entitled to first receive distributions out of the Company’s assets in an amount per share equal to the Stated Value plus all accrued and unpaid dividends, whether capital or surplus before any distributions shall be made on any shares of Common Stock (after the payment to any senior security, if any).

Holders of the Series A Preferred will be entitled to receive dividends, subject to the beneficial ownership and primary market limitations, payable in the form of that number of shares of Common Stock equal to 20% of the shares of Common Stock underlying the Series A Preferred then held by such holder on the 12 and 24 month anniversaries of the Effective Date. In addition, subject to the beneficial ownership and primary market limitations, holders of Series A Preferred will be entitled to receive dividends equal, on an as-if-converted to shares of Common Stock basis, and in the same form as dividends actually paid on shares of the common stock when, as, and if such dividends are paid on shares of the common stock. Notwithstanding the foregoing, to the extent that a holder’s right to participate in any dividend in shares of common stock to which such holder is entitled would result in such holder exceeding the beneficial ownership and primary market limitations, then such holder shall not be entitled to participate in any such dividend to such extent and the portion of such shares that would cause such holder to exceed the beneficial ownership and primary market limitations shall be held in abeyance for the benefit of such holder until such time, if ever, as such holder’s beneficial ownership thereof would not result in such holder exceeding the beneficial ownership and primary market limitations.

The Company and the investors in the Offering also executed a registration rights agreement (the “*Registration Rights Agreement*”), pursuant to which the Company agreed to file a registration statement covering the resale of the shares of Common Stock issuable upon conversion of the Series A Preferred within sixty days following the final closing of the Offering and to use its best efforts to cause such registration statement to become effective within 90 days of the filing date.

---

The Company entered into a Placement Agency Agreement (the “*Placement Agency Agreement*”) with a registered broker dealer, which acted as the Company’s exclusive placement agent (the “*Placement Agent*”) for the Offering. Pursuant to the terms of the Placement Agency Agreement, in connection with the initial closing of the Offering, the Company paid the Placement Agent an aggregate cash fee of \$535,900, non-accountable expense allowance of \$160,770 and will issue to the Placement Agent or its designees warrants (the “*Placement Agent Warrants*”) to purchase 1,253,314 shares of Common Stock at an exercise price of \$0.62 per share. The warrants provide for a cashless exercise feature and are exercisable for a period of five years from the date of closing. In the event the Company receives at least \$25 million from the Offering, the Company also granted the Placement Agent the right of first refusal, for a twelve (12) month period after the final closing of the Offering, to serve as the Company’s lead or co-placement agent for any private placement of the Company’s securities (equity or debt) that is proposed to be consummated with the assistance of a registered broker dealer. In addition, the Company agreed to grant the Placement Agent the right to appoint, subject to the Company’s approval, one representative to serve as a member of the Company’s Board of Directors upon the closing of at least \$10 million in the Offering.

The securities to be issued in the Offering are exempt from the registration requirements of the Securities Act of 1933, as amended (the “*Securities Act*”), pursuant to Section 4(a)(2) of the Securities Act and/or Rule 506(b) of Regulation D promulgated thereunder because, among other things, the transaction did not involve a public offering, the investors are accredited investors, the investors are purchasing the securities for investment and not for resale and the Company took appropriate measures to restrict the transfer of the securities. The securities have not been registered under the Securities Act and may not be sold in the United States absent registration or an exemption from registration. This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

The Subscription Agreements contains representations and warranties that the parties made to, and solely for the benefit of, the other signatories to the Subscription Agreements in the context of all of the terms and conditions thereof and in the context of the specific relationship between the parties to the Subscription Agreements. The provisions of such Subscription Agreements, including the representations and warranties contained therein, are not for the benefit of any party other than the party signatories thereto and are not intended for investors and the public to obtain factual information about the current state of affairs of the parties to such Subscription Agreements. Rather, investors and the public refer to other disclosures contained in the Company’s filings with the U.S. Securities and Exchange Commission.

The forgoing descriptions of the Placement Agency Agreement, the Placement Agent Warrants and the Subscription Agreement are qualified by reference to the full text of these documents, copies of each of which will be filed in the Company’s next periodic report due to be filed under the Exchange Act.

#### Section 5. Liquidation.

(a) The Series A Preferred Stock shall, with respect to distributions of assets and rights upon the occurrence of any voluntary or involuntary liquidation, dissolution or winding-up of the Company ("**Liquidation**") or Deemed Liquidation Event, rank: (i) junior to the Senior Securities, if any (ii) pari passu with the Parity Securities, if any and (iii) senior to the Junior Securities. For purposes hereof, references to Series A Preferred Stock in this Section 5 shall include the Series A Preferred Stock, and any and all sub-series designated Series A-1 Preferred Stock, Series A-2 Preferred Stock that may be authorized following the date hereof.

(b) As of the date hereof, the Senior Securities consist solely of the shares of Series A Preferred Stock, there are no outstanding Parity Securities and the Junior Securities consist solely of shares of Common Stock. That so being, upon any Liquidation, the holders of shares of Series A Preferred Stock then outstanding shall be entitled to be paid out of the assets of the Corporation available for distribution to its stockholders, and in the event of a Deemed Liquidation Event, the holders of shares of Series A Preferred Stock then outstanding shall be entitled to be paid out of the consideration payable to stockholders in such Deemed Liquidation Event, as applicable, before any payment shall be made to the holders of Common Stock by reason of their ownership thereof, an amount per share equal to one (1) times the applicable Original Issue Price, plus any dividends accrued but unpaid thereon (the amount payable pursuant to this sentence is hereinafter referred to as the "**Liquidation Amounts**").

(c) After the payment in full of all Liquidation Amounts required to be paid to the holders of shares of Series A Preferred Stock, the remaining assets of the Corporation available for distribution to its stockholders or, in the case of a Deemed Liquidation Event, the consideration not payable to the holders of shares of Series A Preferred Stock pursuant to Section 5(b), shall be distributed among the holders of shares of Common Stock, pro rata based on the number of shares held by each such holder.

#### Section 6 Conversion.

(a) Conversions at Option of Holder. Each share of Series A Preferred Stock (or fraction thereof) shall be convertible, at any time and from time to time, from and after the Original Issue Date at the option of the Holder thereof into that number of shares of Common Stock (subject to the Beneficial Ownership Limitation set forth in Section 6(e) and the Primary Market Limitation set forth in Section 6(f)) determined by dividing the Stated Value by the Conversion Price then in effect. Holders shall effect conversions by providing the Company and the Transfer Agent, with the form of conversion notice attached hereto as Annex A (a "**Notice of Conversion**"). Each Notice of Conversion shall specify the number of shares of Series A Preferred Stock to be converted, the number of shares of Series A Preferred Stock owned prior to such conversion, the number of shares of Series A Preferred Stock owned subsequent to such conversion and the date on which such conversion is to be effected, which date may not be prior to the date the applicable Holder delivers such Notice of Conversion to the Company pursuant to Section 6 and in accordance with Section 9 (such date, the "**Optional Conversion Date**"). Such Holder shall be deemed for all corporate purposes to have become the holder of record of the Conversion Shares with respect to which the shares of Series A Preferred Stock have been converted as of the Optional Conversion Date. If no Optional Conversion Date is specified in a Notice of Conversion, the Optional Conversion Date shall be the date that such Notice of Conversion and Cancellation Request are deemed delivered to the Company in accordance with Section 9. The calculations and entries set forth in the Notice of Conversion shall control in the absence of manifest or mathematical error. No ink-original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion form be required. To effect conversions of shares of Series A Preferred Stock, a Holder shall not be required to surrender any Certificated Series A Preferred Stock to the Company unless all of the shares of Series A Preferred Stock represented by any such certificate are so converted, in which case such Holder shall deliver the Certificated Series A Preferred Stock promptly following the Optional Conversion Date. To the extent that the Beneficial Ownership Limitation contained in Section 6(e) or the Primary Market Limitation contained in Section 6(f) applies to the converting Holder, the determination of whether the Series A Preferred Stock is convertible (in relation to other securities owned by such Holder together with any Affiliates and Attribution Parties) and of how many shares of Series A Preferred Stock are convertible shall be in the sole discretion of such Holder, and the submission of a Notice of Conversion shall be deemed to be such Holder's determination of whether the shares of Series A Preferred Stock may be converted (in relation to other securities owned by such Holder together with any Affiliates and Attribution Parties) and how many shares of the Series A Preferred Stock are convertible, in each case subject to the Beneficial Ownership Limitation or the Primary Market Limitation. To ensure compliance with this restriction, each Holder will be deemed to represent to the Company each time it delivers a Notice of Conversion that such Notice of Conversion has not violated the restrictions set forth in this Section and the Company shall have no obligation to verify or confirm the accuracy of such determination.

(b) Mandatory Conversion. On the earliest to occur of: (i) the effective date of such conversion set forth in the Company Conversion Notice, provided that the Company may not deliver the Company Conversion Notice unless the Majority Holders consented to such conversion prior to the delivery of the Company Conversion Notice; (ii) on the one year anniversary of the Original Issue Date, the Company may, in its discretion, convert (A) 50% of the outstanding shares of Series A Preferred if the volume-weighted average price of the Company's common stock over the previous 10 days as reported on the NASDAQ Capital Market (the "**VWAP**"), equals at least 250% of the Conversion Price, or (B) 100% of the outstanding shares of Series A Preferred if the VWAP equals at least 300% of the Conversion Price. or (iii) the Second Anniversary (the earlier to occur of the foregoing, the "**Mandatory Conversion Date**" and together with an Optional Conversion Date, the "**Conversion Date**"), each outstanding share of Series A Preferred Stock will automatically convert (subject to the Beneficial Ownership Limitation set forth in Section 6(e) and the Primary Market Limitation set forth in Section 6(f)) into such number of fully paid and non-assessable shares of Common Stock as is determined by dividing the Stated Value by the Conversion Price in effect on the Mandatory Conversion Date (a "**Mandatory Conversion**"). Within two Trading Days of (x) the Mandatory Conversion Date, if the shares of Series A Preferred Stock are held in book entry form, or (y) such Holder's surrender of Certificated Series A Preferred Stock (or, if such registered holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and an indemnity or security reasonably acceptable to the Company (which shall not include the posting of any bond) to indemnify the Company against any claim that may be made against the Company on account of the alleged loss, theft or destruction of such certificate), the Company shall deliver: (I) to each Holder, the Conversion Shares issuable upon conversion of such Holder's Series A Preferred Stock via the Certificated Preferred Stock, and (II) the PIK Shares issuable upon Mandatory Conversion under Section 3, to Holders as of the Mandatory Conversion Date; provided that, any failure by the Holder to return Certificated Series A Preferred Stock, if any, will have no effect on the Mandatory Conversion pursuant to this Section 6(b), which Mandatory Conversion will be deemed to occur on the Mandatory Conversion Date. To the extent that the Beneficial Ownership Limitation contained in Section 6(e) or the Primary Market Limitation contained in Section 6(f) applies to any Holder, such Holder shall within five Business Days of such Holder's receipt of the Company Conversion Notice, provide the Company with a written determination (a "**Mandatory Conversion Determination**"), delivered in accordance with Section 9, of whether such Holder's Series A Preferred Stock is convertible (in relation to other securities owned by such Holder together with any Affiliates and Attribution Parties) and of how many shares of Series A Preferred Stock are convertible, and the submission of a Mandatory Conversion Determination shall be deemed to be such Holder's determination of the maximum number of shares of Series A Preferred Stock that may be converted, subject to the Beneficial Ownership Limitation or the Primary Market Limitation and the portion of the shares of Common Stock issuable upon such Mandatory Conversion hereunder that would cause such Holder to exceed the Beneficial Ownership Limitation or the Primary Market Limitation shall be held in abeyance for the benefit of such Holder until such time, if ever, as such Holder's beneficial ownership thereof would not result in such Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation. To ensure compliance with this restriction, each Holder will be deemed to represent to the Company each time it delivers a Mandatory Conversion Determination that such determination has not violated the restrictions set forth in Section 6(e) or Section 6(f) and the Company shall have no obligation to verify or confirm the accuracy of such determination.

(c) Conversion Shares. The aggregate number of Conversion Shares which the Company shall issue upon conversion of the Series A Preferred Stock (whether pursuant to Section 6(a) or 6(b)) will be equal to the number of shares of Series A Preferred Stock to be converted, multiplied by the Stated Value, divided by the Conversion Price in effect at the time of the conversion.

---

(d) Mechanics of Conversion.

(i) Delivery of Conversion Shares upon Conversion. Promptly after the applicable Conversion Date, but in any case within the earlier of (i) two (2) Trading Days and (ii) the Standard Settlement Period (as defined below) thereof (the “**Share Delivery Date**”), the Company shall deliver, or cause to be delivered, to the converting Holder the number of Conversion Shares being acquired upon the conversion of the Series A Preferred Stock pursuant to Section 6(a) or 6(b), as applicable, any PIK Shares to which the Holder is entitled pursuant to Section 3 that have not been previously issued, if any, and a wire transfer of immediately available funds in the amount of accrued and unpaid cash dividends, if any. Conversion Shares issuable hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with DTC through its Deposit or Withdrawal at Custodian system (“**DWAC**”) if the Company is then a participant in such system and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Conversion Shares and PIK Shares, if any, to which the Holder is entitled pursuant to such conversion to the address specified by the Holder in the Notice of Conversion or the Company Conversion Notice, as the case may be. The Company shall (A) deliver (or cause to be delivered) to the converting Holder who has converted less than all of such Holder’s Certificated Series A Preferred Stock (1) a certificate or certificates, of like tenor, for the number of shares of Series A Preferred Stock evidenced by any surrendered certificate or certificates less the number of shares of Series A Preferred Stock converted. The Company agrees to maintain a transfer agent that is a participant in the DTC’s FAST program so long as any shares of Series A Preferred Stock remain outstanding. As used herein, “**Standard Settlement Period**” means the standard settlement period, expressed in a number of Trading Days, on the Company’s primary Trading Market with respect to the Common Stock as in effect on the date of delivery of the Notice of Conversion.

(ii) Failure to Deliver Conversion Shares upon an Optional Conversion. If, in the case of any Notice of Conversion, such Conversion Shares are not delivered to or as directed by the applicable Holder by the Share Delivery Date, in addition to any other rights herein, the Holder shall be entitled to elect by written notice to the Transfer Agent, on behalf of the Company, at any time on or before its receipt of such Conversion Shares, to rescind such Conversion, in which event the Company shall promptly return to the Holder any Certificated Series A Preferred Stock delivered to the Company and the Holder shall promptly return to the Company the Conversion Shares issued to such Holder pursuant to the rescinded Notice of Conversion.

(iii) Obligation Absolute. The Company’s obligation to issue and deliver the Conversion Shares upon conversion of Series A Preferred Stock in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by a Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by such Holder or any other Person of any obligation to the Company or any violation or alleged violation of law by such Holder or any other person, and irrespective of any other circumstance which might otherwise limit such obligation of the Company to such Holder in connection with the issuance of such Conversion Shares; provided, however, that such delivery shall not operate as a waiver by the Company of any such action that the Company may have against such Holder.

(iv) [Reserved].

(v) Reservation of Shares Issuable Upon Conversion. The Company covenants that it will at all times reserve and keep available out of its authorized and unissued shares of Common Stock, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holders of the Series A Preferred Stock, not less than such aggregate number of shares of the Common Stock as shall be issuable (i) upon the conversion of all outstanding shares of Series A Preferred Stock (taking into account the adjustments and restrictions of Section 7) and (ii) in respect of the PIK Shares. The Company covenants that all Conversion Shares and PIK Shares shall, when issued, be duly authorized, validly issued, fully paid and nonassessable.

(vi) Fractional Shares. No fractional shares or scrip representing fractional shares shall be issued upon the conversion of or as dividends on the Series A Preferred Stock. As to any fraction of a share which a Holder would otherwise be entitled to upon such conversion or in respect of any such dividend, the Company shall round up to the next whole share of Common Stock.

---

(vii) Transfer Taxes and Expenses. The issuance of Conversion Shares on conversion of this Series A Preferred Stock shall be made without charge to any Holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such Conversion Shares, provided that the Company shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such Conversion Shares upon conversion in a name other than that of the Holders of such shares of Series A Preferred Stock and the Company shall not be required to issue or deliver such Conversion Shares unless or until the Person or Persons requesting the issuance thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid.

(e) Beneficial Ownership Limitation. The Company shall not effect any conversion of the Series A Preferred Stock, including, without limitation, a Mandatory Conversion, and a Holder shall not have the right to receive dividends hereunder or convert any portion of the Series A Preferred Stock, to the extent that, after giving effect to the receipt of dividends hereunder or conversion set forth on the applicable Notice of Conversion, such Holder (together with such Holder's Affiliates, and any Persons acting as a group together with such Holder or any of such Holder's Affiliates (such Persons, "Attribution Parties")) would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock received as dividends or issuable upon conversion of the Series A Preferred Stock with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted Series A Preferred Stock beneficially owned by such Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, the Series A Preferred Stock) beneficially owned by such Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 6(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith (other than as it relates to a Holder relying on the number of shares issued and outstanding as provided by the Company pursuant to this Section). In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 6(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (ii) a more recent public announcement by the Company or (iii) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request (which may be via email) of a Holder, the Company shall within one Trading Day confirm orally and in writing to such Holder the number of shares of Common Stock then outstanding. The "Beneficial Ownership Limitation" shall be 4.99% (or, at the written election of any Holder delivered to the Company pursuant to the terms of Section 9 prior to the issuance of any shares of Series A Preferred Stock, 9.99%) of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of Series A Preferred Stock held by the applicable Holder. A Holder, upon at least sixty-one (61) days advance notice to the Company, may terminate, increase or decrease the Beneficial Ownership Limitation provisions of this Section 6(e); provided, however, that the Holder shall not be entitled to increase or terminate the limitation contained in this Section 6(e) if the Holder has acquired (or if any of the Holder's Attribution parties has indirectly acquired) the Series A Preferred Stock with the purpose or effect of changing or influencing the control of the Company. The limitations contained in this Section 6(e) shall apply to a successor holder of Series A Preferred Stock.

---

(f) Primary Market Limitation. Unless the Company obtains the approval of its stockholders as required by the applicable rules of the applicable Trading Market for issuances of Common Stock in excess of such amount, the Company shall not effect any conversion of the Series A Preferred Stock, including, without limitation, a Mandatory Conversion, and a Holder shall not have the right to receive dividends hereunder or convert any portion of the Series A Preferred Stock, to the extent that, after giving effect to the receipt of dividends hereunder or conversion set forth on the applicable Notice of Conversion, the Holder, together with the Attribution Parties, would beneficially own in excess of the Primary Market Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock received as dividends or issuable upon conversion of the Series A Preferred Stock with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted Series A Preferred Stock beneficially owned by such Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, the Series A Preferred Stock) beneficially owned by such Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 6(f), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith (other than as it relates to a Holder relying on the number of shares issued and outstanding as provided by the Company pursuant to this Section). For purposes of this Section 6(f), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (ii) a more recent public announcement by the Company or (iii) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request (which may be via email) of a Holder, the Company shall within one Trading Day confirm orally and in writing to such Holder the number of shares of Common Stock then outstanding. The "Primary Market Limitation" shall be 19.99% of the number of shares of the Common Stock outstanding immediately before giving effect to the issuance of shares of Common Stock issuable upon conversion of the Series A Preferred Stock and/or the issuance of the dividend shares. The limitations contained in this paragraph shall apply to a successor holder of the Series A Preferred Stock.

#### Section 7. Certain Adjustments.

(a) Stock Dividends and Stock Splits. If the Company, at any time while the Series A Preferred Stock is outstanding: (A) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any other Common Stock Equivalents (which, for avoidance of doubt, will not include any shares of Common Stock issued by the Company upon conversion of this Series A Preferred Stock or payment of a dividend on this Series A Preferred Stock); (B) subdivides outstanding shares of Common Stock into a larger number of shares; (C) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares; or (D) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Company, then the Conversion Price will be multiplied by a fraction of which the numerator will be the number of shares of Common Stock (excluding any treasury shares of the Company) outstanding immediately before such event and of which the denominator will be the number of shares of Common Stock, or in the event that clause (D) of this Section 7(a) will apply shares of reclassified capital stock, outstanding immediately after such event. Any adjustment made pursuant to this Section 7(a) will become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and will become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

---

(b) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 7(a) above, if at any time the Company grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the “**Purchase Rights**”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of such Holder’s Series A Preferred Stock (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder’s right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation).

(c) Pro Rata Distributions. During such time as this Series A Preferred Stock is outstanding, if the Company declares or makes any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a “**Distribution**”), at any time after the issuance of this Series A Preferred Stock, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of this Series A Preferred Stock (without regard to any limitations on conversion hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, to the extent that the Holder’s right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any shares of Common Stock as a result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation or the Primary Market Limitation).

(d) Fundamental Transaction. If, at any time while the Series A Preferred Stock is outstanding, (A) the Company effects any merger or consolidation of the Company with or into another Person, (B) the Company effects any sale of all or substantially all of its assets in one transaction or a series of related transactions, or (C) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (in any such case, a “**Fundamental Transaction**”), then, upon any subsequent conversion of the Series A Preferred Stock, the Holders shall have the right to receive, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction, the same kind and amount of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of one share of Common Stock (the “Alternate Consideration”). For purposes of any such conversion, the determination of the Conversion Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall adjust the Conversion Price in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holders shall be given the same choice as to the Alternate Consideration they receive upon any conversion of the Series A Preferred Stock following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall file a new Certificate of Designation with the same terms and conditions and issue to the Holders new preferred stock consistent with the foregoing provisions and evidencing the Holders’ right to convert such preferred stock into Alternate Consideration. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 7(d) and insuring that the Series A Preferred Stock (or any such replacement security) will be substantially similar in form and substance to this Certificate of Designations and insuring that the Series A Preferred Stock will be convertible for a corresponding number of shares of capital stock of such successor entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon conversion of this Series A Preferred Stock (without regard to any limitations on the conversion of this Series A Preferred Stock) prior to such Fundamental Transaction, and with a conversion price which applies the conversion price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such conversion price being for the purpose of protecting the economic value of this Series A Preferred Stock immediately prior to the consummation of such Fundamental Transaction) and will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

---

(e) Calculations. All calculations under this Section 7 will be made to the nearest cent or the nearest 1/100th of a share, as the case may be.

(f) Notice to the Holders.

(i) Adjustment to Conversion Price. Whenever the Conversion Price is adjusted pursuant to any provision of this Section 7, the Company shall promptly deliver to each Holder a notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

(ii) Notice to Allow Conversion by Holder. If (A) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property or (B) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be filed at each office or agency maintained for the purpose of conversion of the Series A Preferred Stock, and shall cause to be delivered to each Holder pursuant to Section 9, at least twenty (20) calendar days prior to the applicable record or effective date hereinafter specified, a written notice stating (x) the date on which a record is to be taken for the purpose of seeking such stockholder approval or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange, provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided hereunder constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to convert such Holder's Series A Preferred Stock pursuant to Section 6(a) (subject to the Beneficial Ownership Limitation and the Primary Market Limitation) during the 20-day period commencing on the date of such notice through the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

#### Section 8. Miscellaneous.

(a) Notices. Any and all notices or other communications or deliveries to be provided to the Holders, the Company or the Transfer Agent hereunder, including, without limitation, any Notice of Conversion or Company Conversion Notice, shall be in writing and delivered personally, by facsimile, by e-mail, or sent by a nationally recognized overnight courier service (i) if to the Holders, at the Holder's address set forth in the book and records of the Company or to another address of such Holder as may be specified by such Holder to the Company in a written notice delivered in accordance with this Section, or (ii) if to the Company, at 2912 Colorado Avenue, Suite 203, Santa Monica, CA 90404, or to another address as the Company may specify for such purposes by written notice to the Holders delivered in accordance with this Section. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number or via e-mail at the e-mail address set forth in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number or via e-mail at the e-mail address set forth in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given. To the extent that any notice provided pursuant to this Certificate of Designations constitutes, or contains, material, non-public information regarding the Company or any Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K.

(b) Absolute Obligation. Except as expressly provided herein, no provision of this Certificate of Designations shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay accrued dividends, as applicable, on the shares of Series A Preferred Stock at the time, place, and rate, and in the coin or currency, herein prescribed.

---

(c) Lost or Mutilated Series A Preferred Stock Certificate. If a Holder alleges that such Holder's Series A Preferred Stock certificate has been lost, stolen or destroyed, the Company will only be obligated to issue a replacement certificate if the Holder delivers to the transfer agent, or the Company, as applicable: (i) a lost certificate affidavit; (ii) an indemnity bond in a form acceptable to the Company's transfer agent, or if the Company acts as its own transfer agent, an agreement reasonably acceptable to the Company to indemnify the Company against any claim that may be made against the Company on account of the alleged loss, theft or destruction of such certificate; and (iii) any other documentation that the transfer agent or the Company, if the Company acts as its own transfer agent, may reasonably require.

(d) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Certificate of Designations shall be governed by and construed and enforced in accordance with the internal laws of the State of Delaware, without regard to the principles of conflict of laws thereof. Each party agrees that all legal proceedings concerning the interpretation, enforcement and defense of the transactions contemplated by this Certificate of Designations (whether brought against a party hereto or its respective Affiliates, directors, officers, shareholders, employees or agents) shall be commenced in the state and federal courts sitting in the City of New York, Borough of Manhattan (the "New York Courts"). Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such New York Courts, or such New York Courts are improper or inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Certificate of Designations and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by applicable law. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Certificate of Designations or the transactions contemplated hereby. If any party shall commence an action or proceeding to enforce any provisions of this Certificate of Designation, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys' fees and other costs and expenses incurred in the investigation, preparation and prosecution of such action or proceeding.

(e) Waiver. Any waiver by the Company or a Holder of a breach of any provision of this Certificate of Designations shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Certificate of Designations or a waiver by any other Holders. The failure of the Company or a Holder to insist upon strict adherence to any term of this Certificate of Designations on one or more occasions shall not be considered a waiver or deprive that party (or any other Holder) of the right thereafter to insist upon strict adherence to that term or any other term of this Certificate of Designation. Any waiver by the Company or a Holder must be in writing.

(f) Severability. If any provision of this Certificate of Designations is invalid, illegal or unenforceable, the balance of this Certificate of Designations shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. If it shall be found that any dividend or other amount deemed interest due hereunder violates the applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law.

(g) Next Business Day. Whenever any payment or other obligation hereunder shall be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day.

(h) Headings. The headings contained herein are for convenience only, do not constitute a part of this Certificate of Designations and shall not be deemed to limit or affect any of the provisions hereof.

(i) Status of Converted Series A Preferred Stock. If any shares of Series A Preferred Stock shall be converted or reacquired by the Company, such shares shall resume the status of authorized but unissued shares of preferred stock and shall no longer be designated as Series A Convertible Preferred Stock.
